Independent Auditor's Report

Audit Committee of Valo Health Inc.
Valo Health Retirement Saving Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Valo Health Retirement Saving Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4(i)—schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Valo Health Retirement Saving Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of Valo Health Retirement Saving Plan, (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and eligibility: The Plan is a defined contribution plan covering all eligible employees of Valo Health Inc. (the Company) who have completed two months of service, are age 21 or older, and are not union employees or leased employees. Employees will be automatically enrolled on their first eligible entrant date into the Plan at 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An employee of the Company serves as the Plan Administrator (Plan Administrator).

Contributions: Each year, participants may contribute up to the maximum amount of pretax annual compensation as determined by the Internal Revenue Code (IRC). Roth contributions are also allowed. All participants who attain age 50 before the close of the plan year are eligible to make a catch-up contribution. Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes matching contributions under the safe harbor matching contribution formula. To receive employer matching contributions, eligible employees must participate in the Plan and make elective deferral contributions. The Company's matching contribution for the year ended December 31, 2022, was equal to 100% of the first 1% of eligible compensation and 50% of the next 1% to 6% of eligible compensation.

The Company may also make a discretionary matching or profit sharing contribution to the Plan each year at the option of the Company's board of directors. No discretionary matching or profit sharing contributions were made to the Plan during the year ended December 31, 2022. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contribution, allocations of any profit-sharing contribution and Plan earnings/losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching or profit sharing contributions is as follows:

Years of Service	Percentage Vested
Less than 1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Investment options: Upon enrollment in the Plan, a participant may direct all contributions to selected investments including mutual funds and common collective trusts in 1% increments. Participants may change their investment options daily.

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans must be repaid over a period of no more than five years. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate comparable to local commercial rates at the time of the loan. The rates were 4.25% to 8% on loans outstanding at December 31, 2022, which mature through 2027. Principal and interest are paid ratably through payroll deductions and loans are due upon termination of the participant.

Payment of benefits: The Plan permits withdrawals when a participant terminates employment, retires, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59 ½. Benefits are payable in lump-sum payments with certain exceptions allowed.

Forfeitures: Amounts of participant forfeited nonvested accounts are used to reduce future administrative expenses. During the year ended December 31, 2022, \$25,993 of forfeitures were generated. As of December 31, 2022 and 2021, forfeited account balances totaled \$25,993 and \$0, respectively.

Administrative expenses: Certain administrative functions are performed by officers or employees of the Company. No such officer or employee shall receive compensation from the Plan, except as ERISA may permit. Administrative expenses including trustee fees, investment advisory fees, recordkeeping fees, and investment administration fees are paid by the Plan. Investment administrative costs associated with participant loan requests are deducted from participant accounts.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets generally accepted accounting principles in the United States of America (U.S. GAAP) to ensure net assets available for benefits and changes in net assets available for benefits are consistently reported. References to U. S. GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when earned. Dividends are recorded on the ex-dividend date. In the statement of changes in net assets available for benefits, the Plan presents the net depreciation in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation on those investments.

Payment of benefits: Benefits are recorded when paid.

Income taxes: GAAP requires management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any uncertain tax position that more likely than not would be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2019.

Note 3. Information Certified and Provided by John Hancock Trust Company LLC (the Trustee)

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following assets.

	2022	2021
Investments at fair value:		
Mutual funds	\$ 8,312,629	\$ 6,169,294
Common collective trusts	289,484	63,909
	<u>\$ 8,602,113</u>	<u>\$ 6,233,203</u>
Notes receivable from participants	<u>\$ 52,524</u>	<u>\$ 90,037</u>

John Hancock Trust Company LLC also certified the completeness and accuracy of \$1,272,624 of net depreciation in fair value of investments, \$1,289 of interest and dividends related to the aforementioned investments, and \$3,226 of interest income on notes receivable from participants for the year ended December 31, 2022.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are valued at quoted market prices. These securities are categorized in Level 1 as they are actively traded.

Common/collective trusts: Valued as determined by the trustee of the common/collective trusts based on their net asset value ("NAV") and supported by the value of the underlying securities and by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following table sets forth by fair value hierarchy level the Plan's assets carried at fair value as of December 31, 2022 and 2021:

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common Collective Trusts:				
Goldman SV CIT Inst Series CI	\$ 194,264	-	Daily	N/A
AB US LC Gr CIT W Series P1	95,220	-	Daily	N/A
December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common Collective Trusts:				
AB US LC Gr CIT W Series P1	\$ 48,316	-	Daily	N/A
Goldman SV CIT Inst Series CI	15,593	-	Daily	N/A

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2022 and 2021:

December 31, 2022	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$ 8,312,629	\$ -	\$ -	\$ 8,312,629
Total Investments in fair value hierarchy	8,312,629			8,312,629
Common collective trusts measured at NAV (a)	-	-	-	289,484
Investments at fair value	\$ 8,312,629	\$ -	\$ -	\$ 8,602,113
December 31, 2021	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$ 6,169,294	\$ -	\$ -	\$ 6,169,294
Total Investments in fair value hierarchy	6,169,294			6,169,294
Common collective trusts measured at NAV (a)	-	-	-	63,909
Investments at fair value	\$ 6,169,294	\$ -	\$ -	\$ 6,233,203

(a) In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5. Party-in-Interest Transactions

The Plan's investments are comprised of mutual funds and common collective trusts managed by affiliates of Trustee. These transactions qualify as party-in-interest transactions. The Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts, which also constitute party-in-interest transactions.

Note 6. Tax Status

The Plan has received a determination letter from the IRS dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan Administrator and management of the Company believe that the Plan is being operated in compliance with the applicable requirements of the Code and therefore, believe the Plan is qualified and the related trust is tax-exempt.

Note 7. Plan Termination

Although it has not expressed an intention to do so, the Company reserves the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, the right of each affected participant to the amounts of his or her accounts at such time shall become fully vested and nonforfeitable.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022 and 2021 per the financial statements to the Form 5500:

	2022	2021
Net assets available for benefits per financial statements	\$ 8,762,557	\$ 6,323,240
Less participant contributions receivable	(75,131)	-
Less employer contributions receivable	(32,789)	-
Net assets available for benefits per Form 5500	<u>\$ 8,654,637</u>	<u>\$ 6,323,240</u>

The following is a reconciliation of the net increase in assets available for benefits as reported per the financial statements to the Form 5500 for the year ended December 31, 2022:

Net increase in assets available for benefits per the financial statements	\$ 2,439,317
Change in participant contribution receivable	(75,131)
Change in employer contribution receivable	(32,789)
Net increase per Form 5500	<u>\$ 2,331,397</u>

Note 10. Subsequent Events

Management has evaluated subsequent events through January 26, 2024, the date which the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
