To the 401(k) Administrative Committee
Endo1 Partners, LLC 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Endo1 Partners, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

December 31, 2022 and 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the Endo1 Partners, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General: Endo1 Partners, LLC established the Plan effective March 1, 2020. The Plan is a 401(k) defined contribution plan established for the benefit of and covering all eligible employees of Endo1 Partners, LLC (the "Sponsor", the "Company") and its subsidiaries and affiliates. The Sponsor is responsible for the administration and management of the Plan. All investments in the Plan are participant-directed. Reliance Trust Company serves as the trustee for the Plan as of December 31, 2022 and 2021. The Plan is intended to satisfy all of the requirements of a qualified retirement plan under the appropriate provisions of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility: Under the Plan, generally all employees of the Sponsor and its subsidiaries and affiliates are eligible to participate in the Plan upon attainment of 21 years of age and upon completion of one month of service. Once eligibility requirements have been met, entry into the Plan occurs on the first day of the month coinciding with or next following date requirements met. The definition of eligible participants excludes all union employees and nonresident aliens.

Vesting: Participants are immediately vested in their elective deferral plus actual earnings thereon. Employer safe harbor contributions are 100% immediately vested. Matching Employer and profit-sharing contributions credited to a participant's account become fully vested over a four-year graded vesting period (25% after one year, 50% after two years, 75% after three years, and 100% after four years of service).

Participant Contributions: Participants may make salary deferral contributions up to 90 percent of their pretax annual eligible compensation, as defined by the Plan provisions, subject to limitations as defined by the IRC. Participants may elect their deferrals to either be pre-tax deferrals or Roth deferrals. Participants who have attained age 50 or older before the end of the Plan year are eligible to make catch-up contributions.

Employer Contributions: Employer contributions consists of safe harbor matching contributions and discretionary profit-sharing contributions to the Plan. Safe harbor matching contributions are made to participants in an amount equal to the sum of 100% of the participant elective deferrals not to exceed 4% of the participant's compensation. Contributions are subject to certain limitations. No profit sharing contributions were made to the Plan for the year ended December 31, 2022.

Rollovers: The Plan allows rollovers received by a participant as a distribution from another qualified plan after approval from the Plan sponsor. Participants are fully vested in these amounts.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, allocation of the Sponsor's safe harbor matching and profit-sharing contributions, allocations of Plan earnings, and charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balance, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

NOTE 1 - PLAN DESCRIPTION (Continued)

Notes Receivable from Participants: Effective August 1, 2021, the Plan was amended to allow participants to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half of a participant's vested account balance or \$50,000. Note terms may not exceed five years. The plan administrator may permit a longer repayment term if the note is for the purchase of a primary residence not to exceed 30 years. Notes are secured by the vested balance in the participant's account and bear interest at prevailing market rates at the time the funds are borrowed. As of December 31, 2022, interest rates on outstanding notes was between 4.25% and 9.0% and were due in various amounts through April 2035. Principal and interest are paid through payroll deductions. A participant may only have one note outstanding at a time.

Benefits paid to participants: Upon termination of service due to death, disability, retirement or other reasons, each participant can receive their vested account balance in one lump-sum payment. If a participant's vested balance is \$5,000 or less, the participant will receive a single distribution of their entire vested account balance. Hardship withdrawals are also allowed, subject to the provisions specified in the Plan agreement. Participants may also receive in-service distributions after attaining the age of 59 ½.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Loan origination fees associated with notes receivable from participants are paid by the participants and are reflected in the financial statements as part of the notes receivable from participants balance. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Forfeited Accounts: If a participant terminates employment prior to becoming fully vested, the right to the unvested balance is forfeited. Participant forfeitures of employer contributions may be used to reduce employer contributions and/or to pay Plan expenses. During 2022, \$128,175 of unvested balances from terminated participants were added to the Plan's forfeiture account, and \$64,069 of forfeited employer contributions was used to offset employer contributions. The remaining balances of forfeitures available to offset future employer contributions as of December 31, 2022 and 2021 were \$64,106 and \$0 respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates..

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan to sell an asset or paid by the Plan to transfer a liability (exit price) in an orderly transaction between market participants at the measurement date in the Plan's principal or most advantageous market for the asset or liability.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes net unrealized market appreciation or depreciation of investments and net realized gains and losses on the sale of investments during the period.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by participants' account balances. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan holds various investment instruments. Investments are exposed to various risks, such as interest rate, credit, overall market volatility, global pandemic and international conflicts. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in participants' account balances and amounts reported in the financial statements.

NOTE 3 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to cash, investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust: The fair values of participation units held in a stable value collective investment trust are based on the net asset values per unit (NAV) as reported by the fund managers. The stable value collective investment trust provides for daily redemptions by the Plan at NAV, with no advance notice requirement. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As discussed in Note 8, the Plan changed record keepers and trustees effective on January 1, 2023. In preparation for that change, the investment balances were converted to cash prior to December 31, 2022 in order to transfer the Plan's assets to the new record keeper and trustee, as such there were no investments held by the Plan as of December 31, 2022. As of December 31, 2021, Investments measured at fair value on a recurring basis which are held directly by the Plan are summarized below:

	Fair Value Measurements at December 31, 2021, Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 11,001,845	\$ 11,001,845	\$ -	\$ -
Collective trust*	<u>685,228</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total	<u>\$ 11,687,073</u>	<u>\$ 11,001,845</u>	<u>\$ -</u>	<u>\$ -</u>

* In accordance with ASU 2015-07, certain investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

Changes in Fair Value: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may retire the transfer of investments from one fair value level to another. For the year ended December 31, 2022, there were no transfers in or out of level 3.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The Plan did not hold any collective investment trust as of 12/31/2022. The following table sets forth an additional disclosure of the Plan's investment in a collective investment trust, whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2021:

	<u>Fair Value</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2022</u>	<u>2021</u>	<u>Commitment</u>	<u>Frequency</u>	<u>Notice Period</u>
Collective investment trust \$	-	\$ 685,228	\$ -	Immediate	12 months

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 - TAX STATUS

The Internal Revenue Service (IRS) issued an opinion letter dated October 6, 2020 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Reliance Trust Company is the trustee of the Plan and, therefore, the Plan's payment of trustee fees and investment management fees to Reliance Trust Company qualifies as a party-in-interest transaction. ADP, Inc. performs record keeping services for the Plan, as such, record keeping fees paid to ADP, Inc. qualify as a party-in-interest transaction. Notes receivable from participants also reflect party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

NOTE 8 - SUBSEQUENT EVENTS

Plan management evaluated subsequent events through March 8, 2024, the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan changed record keeper from ADP, Inc. to Fidelity Trust Company (Fidelity) and changed their trustee from Reliance Trust Company to Fidelity.
