INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Hospice of Huntington, Inc. 401(k)
Profit Sharing Plan
Huntington, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hospice of Huntington, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of July 31, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hospice of Huntington, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C) our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended July 31, 2023 and December 31, 2022, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MEMBERS

AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hospice of Huntington, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hospice of Huntington, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include, examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hospice of Huntington, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hospice of Huntington, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of the year) as of July 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of Hospice of Huntington, Inc. (“Company”) 401(k) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Termination

On August 22, 2022, the Company approved the termination of this Plan and the establishment of the Hospice of Huntington, Inc. 403(b) Plan effective January 1, 2023. As a result, all investments were either paid out to participants of the Plan or transferred into the 403(b) Plan by July 31, 2023.

General

The Plan is a defined contribution plan covering all employees of the Company (excluding non-resident aliens) who have attained age 18, have been employed for one year, and have completed 1,000 hours of service by their anniversary date. Plan entry dates are January 1 and July 1 of each year. Established December 31, 1994, the Plan provides for retirement, death and disability benefits. Hardship distributions of participant salary deferral amounts are permitted in certain circumstances. Loans are not permitted. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to make contributions to the Plan on a pre-tax basis, an after-tax basis, or a combination of the two in amounts as limited by Internal Revenue Service Regulations. Participant rollovers or direct transfers from other qualified plans are accepted. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. All Company contributions are at the discretion of the Company’s Board of Trustees, subject to IRS regulations. Company contributions may consist of “matching contributions” which are allocated to participants based on each participant’s salary deferral contribution, and/or “discretionary contributions” which are allocated to participants based on each individual’s compensation. Except in cases of death, disability, or retirement at normal retirement age, a participant must complete 1,000 hours of service during the plan year to qualify for a Company “matching” or “discretionary” contribution.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contribution and/or discretionary contribution and (b) Plan earnings (losses) and charged with transaction fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**HOSPICE OF HUNTINGTON, INC. 401 (k)
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 AND DECEMBER 31, 2022**

Funding Policy

Generally, participant salary deferral contributions are remitted by the Company within the time frames specified by the Department of Labor regulations and are credited to participants' accounts upon receipt. In general, Company "matching" contributions, if any, are approved, remitted, and allocated to individual participant accounts after the end of the plan year. Company "discretionary" contributions, if any, are allocated to participants' accounts as soon as practical upon receipt.

Vesting

A participant is immediately 100% vested in the portion of their account representing participant contributions and earnings thereon. Vesting in the portion of participants' accounts representing Company contributions and earnings thereon is based on years of continuous service, with 100% vesting after 5 years of credited service. In the event of death, disability, or retirement at normal retirement age, a participant becomes 100% vested in the total amount of their account.

Payment of Benefits

All payments are in the form of a lump sum distribution of the participant's entire vested account balance. Payments are generally made as soon as practical following the participant's termination of employment with the Company. In certain circumstances participants may elect to defer receipt of their distributions. However, applicable laws generally require that distributions begin by the later of the date the participant retires or April 1 of the year following the date the participant attains age 72 (age 73 for participants who reach age 72 after December 31, 2022).

Forfeited Accounts

Forfeited nonvested accounts are credited to investment accounts in the name of the Company and are to be used to pay plan expenses or to reduce future Company contributions. These accounts totaled \$0 at July 31, 2023 and December 31, 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsible investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Some of the expenses of maintaining the Plan are paid by Hospice of Huntington, Inc. and are therefore excluded from these financial statements. Market value adjustments and transaction fees are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through May 6, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments

Investments included in the statements of net assets available for benefits as of July 31, 2023 and December 31, 2022, and investment activities included in the statements of changes in net assets available for benefits for the years then ended, as well as the supplemental schedule of assets (held at end of year) as of July 31, 2023, and the following note disclosure were prepared entirely from information certified by Ameritas Life Insurance Corporation the record-keeper of the Plan as agent for Hospice of Huntington, Inc., the trustee of the Plan in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$0 and \$2,755,262 as of July 31, 2023 and December 31, 2022, respectively, and net investment income (loss) of \$255,035 and \$(694,475) for the years ended July 31, 2023 and December 31, 2022, respectively.

The plan administrator has entered into a contract with Ameritas Life Insurance Corporation to provide various investment options to plan participants and to administer those investments. All investments are participant directed.

Fair Value Measurements

The Plan's investments, except for fully benefit-responsive investment contracts, are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments reported at fair value, by level within the fair value hierarchy, at July 31, 2023 and December 31, 2022, is as follows:

	<u>2023</u>	<u>2022</u>
Fair value measurements using quoted prices in active markets for identical assets (Level 1):		
Pooled separate accounts	\$ -	\$ 1,676,429
Fair value measurements using quoted prices in active markets for similar assets, or quoted prices for identical or similar assets in markets that are not active (Level 2):		
Pooled separate accounts	-	790,753
Total	<u>\$ -</u>	<u>2,467,182</u>

Net appreciation (depreciation) in fair value of investments was comprised of the following for the period ended July 31, 2023 and December 31, 2022:

	<u>2023</u>	<u>2022</u>
Net gain (loss) on investments whose fair value have been measured by quoted prices in an active market	\$ 171,263	\$ (506,067)
Net gain (loss) on investments whose fair values have been otherwise determined	<u>79,332</u>	<u>(195,490)</u>
Total	<u>\$ 250,595</u>	<u>\$ (701,557)</u>

The Plan follows the Financial Accounting Standards Board's guidance pertaining to fair value measurements. This guidance prioritizes a hierarchy of inputs to valuation techniques based on whether these inputs are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions. The guidance requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs when determining the fair value of an asset or liability. The guidance requires that assets carried at fair value be classified in the following three categories:

**HOSPICE OF HUNTINGTON, INC. 401 (k)
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 AND DECEMBER 31, 2022**

Level 1-inputs are unadjusted quoted market prices available in active markets for identical assets on the reporting date. Assets in this category consist of actively traded registered mutual funds held in pooled separate accounts. Fair values are based on quoted net asset values as published on recognized market exchanges.

Level 2-inputs other than quoted prices included in Level 1 that are observable, including quoted prices for similar assets in active markets, or quoted prices for identical or similar assets in markets that are not active. Assets in this category consist of non-registered collective investment funds held in pooled separate accounts. Fair values are based on quoted net asset values of the non-registered collective investment funds held by the separate account at year-end.

Level 3-inputs are unobservable and there is little, if any, market activity. The Plan does not hold any investments in this category.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract (fixed rate investment option) with Ameritas Life Insurance Corporation (Ameritas). Ameritas maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Ameritas, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at July 31, 2023 and December 31, 2022, was \$0 and \$288,080, respectively. The crediting interest rate is specified within the contract and may not be less than 3%. Such interest rates are reset annually.

Certain events limit the Plan's ability to transact at contract value with Ameritas. Such events include the following: (a) termination of the contract, (b) transfer of the entire value of the contract to any funding vehicle outside the contract, (c) plan merger, or (d) termination of participant employment due to an employer's bankruptcy, merger, or acquisition, or any other employer-initiated event that results in a 15% reduction in the number of participants with assets invested under the contract. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants or the issuer are probable of occurring.

 PROFIT SHARING PLAN
 NOTES TO FINANCIAL STATEMENTS
 JULY 31, 2023 AND DECEMBER 31, 2022**

The guaranteed investment contract permits the insurance company to terminate the agreement prior to the scheduled maturity date if (a) the contract's value is reduced to less than \$10,000, (b) the Plan is no longer qualified under section 401(a) of the Internal Revenue Code or the Plan is terminated, (c) plan amendments or changes in plan administrative practices result in changes in the insurance company's obligation under the contract, or (d) the plan fails to inform the insurance company of amendments, changes, employer bankruptcy, or plan termination or merger.

Average yields under the contract were as follows:

	<u>2023</u>	<u>2022</u>
Based on actual earnings	3.00%	3.00%
Based on interest rate credited to participants	3.00%	3.00%

NOTE 5 - PLAN TERMINATION

Effective December 31, 2022, the Company elected to terminate the 401(k) Plan and establish a 403(b) Plan, subject to the provisions of ERISA. Plan participants were 100% vested in the 401(k) Plan as a result of the plan termination. Refer to the description of the Plan in Note 1 for more information.

NOTE 6 - TAX STATUS

The Plan is based upon a prototype non-standardized profit-sharing plan. The Internal Revenue Service has informed the sponsor of the prototype plan, by letter dated March 31, 2014, that the form of the prototype plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The IRS opinion on the acceptability of the form of the prototype plan is not a ruling or determination as to whether the Hospice of Huntington, Inc. 401(k) Profit Sharing Plan qualifies under Code Section 401(a). The IRS opinion, however, states that an employer that adopts the prototype plan may rely on the letter dated March 31, 2014, with respect to the qualification of its Plan under Code Section 401(a), as provided for in IRS Revenue Procedure 2005-16 and elsewhere. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - CONCENTRATION OF CREDIT RISK

The Plan has a substantial investment in Ameritas Life Insurance Corporation which guarantees a return on principal invested. This account is backed by the general assets of the insurance company and, therefore, the performance of this investment is directly related to the financial stability of the insurance company. The contract value of \$0 and \$288,080 at July 31, 2023 and December 31, 2022, respectively, would be the maximum amount of loss due to credit risk should Ameritas fail to perform according to the terms of the contract and the collateral proved to be of no value.

The Plan has receivables from the plan sponsor totaling \$0 and \$10,004 at July 31, 2023 and December 31, 2022, respectively. There is no collateral securing these receivables. The maximum amount of loss due to credit risk should the plan sponsor fail to pay would be \$0 and \$10,004 for the years ended July 31, 2023 and December 31, 2022. There is no allowance for uncollectible accounts as of July 31, 2023 and December 31, 2022, as these amounts are considered to be collectible.

NOTE 9 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Administrative services are provided by Ameritas Life Insurance Corporation. As indicated in Note 3 to the financial statements, all of the Plan assets are invested in investment contracts of Ameritas Life Insurance Corporation. Therefore, these transactions qualify as party-in-interest transactions. Investment balances as of July 31, 2023 and December 31, 2022, totaled \$0 and \$2,755,262, respectively. Fees paid for these administrative services totaled \$31,147 and \$1,338 for the years ended July 31, 2023 and December 31, 2022.
