Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: MRPR GROUP, P.C.

(2) EIN: 38-2141969

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?		X	
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)		X	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	X		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	X		
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
 If "Yes," enter the amount of any plan assets that reverted to the employer this year 0.

To Plan Administrator and Management
Michigan Health & Hospital Association
Staff Pension Plan
Okemos, Michigan

We have audited the financial statements of Michigan Health & Hospital Association Staff Pension Plan for the seven months ended July 31, 2023 and the year ended December 31, 2022, and we will issue our report thereon dated May 10, 2024. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 6, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Michigan Health & Hospital Association Staff Pension Plan are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2022 or 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

There were no significant accounting estimates in the financial statements prepared by management.

The financial statements disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have represented to us in your letter dated May 10, 2024 that you have considered the effects of uncorrected misstatements and that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even though, in our judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated May 10, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principle and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of management of Michigan Health & Hospital Association Staff Pension Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

MRPR Group, PC

INDEPENDENT AUDITORS' REPORT

The Plan Administrator and
The MHA Executive Committee
Michigan Health & Hospital Association
Staff Pension Plan
Okemos, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Michigan Health & Hospital Association Staff Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of July 31, 2023 (in liquidation), December 31, 2022 (in liquidation) and the related statement of changes in net assets available for benefits (in liquidation) for the seven months then ended, and the statement of accumulated plan benefits (in liquidation) and statement of changes in accumulated plan benefits (in liquidation) as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 and 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of July 31, 2023 and December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 and 2022 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Michigan Health & Hospital Association Staff Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Michigan Health & Hospital Association Staff Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules - Schedule of Assets (Held at End of Year) and Schedule of Reportable Transactions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplement schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Michigan Health & Hospital Association Staff Pension Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated July 20, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO LIQUIDATION BASIS FINANCIAL STATEMENTS
JULY 31, 2023 (IN LIQUIDATION) AND
DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)**

NOTE 1 - Description of Plan

The following brief description of the Michigan Health & Hospital Association Staff Pension Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General - In 1968, Michigan Health & Hospital Association adopted a defined benefit pension plan covering substantially all employees of the following entities: Michigan Health & Hospital Association; Michigan Health & Hospital Association Service Corporation; MHA Health Foundation; Hospital Council of East Central Michigan; Health Care Legal Group, P.C.; the Institute for Health Improvement in Southeast Michigan (effective January 1, 1999 through December 31, 2004); and HPS, LLC (effective March 1, 2009). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All covered employees, as previously defined, were eligible to participate on the first of the month after attainment of age 21 and one year of service.

Effective May 14, 2010, the Plan was amended to freeze participation in the Plan for the following electing employers; Health Care Legal Group, P.C.; Hospital Council of East Central Michigan; and HPS, LLC. No employee of these electing employers will be eligible to begin plan participation after May 14, 2010. The accrued plan benefits of all current and former employees of these electing employers will remain frozen at their May 14, 2010 levels.

Effective January 1, 2016, the restated Plan was amended to exclude from participation any employee who was initially hired by Michigan Health & Hospital Association, Michigan Health & Hospital Association Service Corporation, and MHA Health Foundation (collectively, the “MHA Group”) after December 31, 2015. Plan participation is also not permitted to any former employee who is rehired by a member of the MHA Group after December 31, 2015 and did not participate in the Plan during any period of employment with any participating employer that ended prior to January 1, 2016. Additionally, new benefit accruals will not be permitted for each former employee of a participating employer who is rehired by a member of MHA Group after December 31, 2015 and had previously participated in the Plan.

Pension Benefits - Benefits are paid directly by the Plan. If a participant terminates employment and the present value of the benefit (normal, early, or deferred vested) does not exceed \$80,000, then such benefit may be distributed in the form of a single lump-sum payment if so elected by the participant or surviving spouse. Normal retirement age is January 1 of the year the participant turns 65, and the normal benefit is calculated at 1.5 percent of final average monthly earnings (defined as the highest 60 consecutive months out of 120 consecutive months of earnings divided by 60) multiplied by years of service. Early retirement and other benefit options exist, as described in the plan document.

**NOTES TO LIQUIDATION BASIS FINANCIAL STATEMENTS
JULY 31, 2023 (IN LIQUIDATION) AND
DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)**

NOTE 1 - Description of Plan (continued)

Contributions - Contributions to the Plan are made at the discretion of the Company, except that such contributions cannot be less than the minimum required contribution, determined in accordance with the applicable section of the Internal Revenue Code and any other applicable, Federal statutes regarding satisfaction of actuarially determined minimum funding standards. Contributions to the Plan met the minimum funding standards for 2023, 2022 and 2021.

Vesting - All participants are 100 percent vested due to the Plan's participation being frozen.

NOTE 2 - Summary of Significant Accounting Policies

Basis of accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated Plan benefits at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition - Investments are carried at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The pooled separate accounts are valued at net asset value per share (NAV) or its equivalent of the funds, which is based on the fair value of the funds' net underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

Purchases and sales of investments are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits - Benefit payments to participants are recorded upon distribution.

Expenses - The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)**

NOTE 2 - Summary of Significant Accounting Policies - (Continued)

Subsequent events - The Plan has evaluated subsequent events through May 10, 2024, the date the financial statements were available to be issued.

NOTE 3 - Funding Policy,

The Company's funding policy is to make the minimum amount required by Sections 412 and 430 of the IRC plus any additional amounts deemed appropriate by the Company management. The Plan is subject to the minimum funding requirements of ERISA and the minimum/maximum funding requirements of the IRC. The Company's contribution for the years ended December 31, 2022 and 2021 complied with the minimum funding requirements of ERISA and the IRC. The Company made contributions in the amount of \$224,475, \$8,521,522 and \$1,545,439 for the seven months ended July 31, 2023 and the years ended December 31, 2022 and 2021, respectively.

NOTE 4 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at July 31, 2023, December 31, 2022 and 2021, and net appreciation in fair value of investments and dividends for the period and years ended July 31, 2023, December 31, 2022 and 2021, respectively, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company (the custodian of the Plan).

NOTE 5 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)**

NOTE 6 - Plan Termination - Liquidation Basis

On December 31, 2022, the Company filed a standard termination notice with the PBGC.

During 2023, the Company satisfied all remaining obligations of the Plan. All benefit payments were satisfied.

Upon termination of the Plan, including contributions and payment of final administrative expenses, there were no remaining Plan assets. Final liquidation of the Plan was completed on July 31, 2023.

NOTE 7 - Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions to the service that employees have rendered. Accumulated plan benefits include benefits expected to be paid to retired or vested terminated participants or their beneficiaries, beneficiaries of participants who have died, and present participants or their beneficiaries.

The actuarial present value of accumulated plan benefits was determined by the Plan's actuaries, Principal, relying on information provided by the Company. The actuarial present value of accumulated plan benefits is the amount that results from applying actuarial assumptions to adjust accumulated plan benefits as defined by the Pension Agreement to reflect the time value of money and the probability of payment (by means of decrements such as for death, withdrawal, or retirement) between the valuation date and expected date of payment. The computation of the actuarial present value of accrued plan benefits was made as of December 31, 2022 and 2021.

The following significant actuarial assumptions were used to determine the actuarial present value of accumulated Plan benefits for 2022 and 2021:

Actuarial cost method	Traditional unit credit
Rate of return	4.0% per annum, compounded annually
Mortality	Society of Actuaries Pri-2012 White Collar Base Rate Mortality Table with Scale MP-2021
Normal retirement	Age 64

NOTE 8 - Related Party Transactions

Certain Plan investments are managed by Principal Life Insurance Company, the Plan's custodian. Transactions involving these investments are considered party-in-interest transactions. Fees paid by the Plan for the investment management services totaled \$80,650, \$141,041, and \$135,742 for the seven months ended July 31, 2023, and the years ended December 31, 2022 and 2021, respectively. These fees are considered indirect fees and are automatically deducted from the Plan's investment account. The Plan paid certain expenses related to the Plan's operations to various service providers and the Company paid certain expenses related to Plan operations. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 9 - Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and statements of changes in net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 10 - Required Schedule Information
