INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants of the
Alliance Healthcare Services, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Alliance Healthcare Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statement of net assets available for benefits as of November 30, 2022, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements (“2022 Financial Statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from the qualified institution as of and for the period ended November 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the 2022 Financial Statements section

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Alliance Healthcare Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Notes 1 and 9 of the financial statements, effective November 30, 2022, all of the Plan assets were merged into another qualified retirement plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alliance Healthcare Services, Inc. 401(k) Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a plan instrument, including all plan amendments, administering the plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions.

Auditors’ Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alliance Healthcare Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alliance Healthcare Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

ALLIANCE HEALTHCARE SERVICES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Alliance Healthcare Services, Inc. 401(k) Plan (the "Plan") provided only general information. Participants should refer to the Plan Document, as amended, for a more complete description of the Plan provisions.

GENERAL

The Plan was adopted effective January 1, 1990, to qualify as a defined contribution retirement plan for Alliance Healthcare Services, Inc.'s eligible employees. Effective October 1, 2022, Akumin, Inc. became a participating employer in the Plan. Alliance Healthcare Services, Inc. and Akumin, Inc. are collectively referred to as the "Company" or "Employer". The Plan had a pre-tax salary reduction provision as defined under Section 401(k) of the Internal Revenue Code (the "IRC"). It was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective November 30, 2022, the Plan merged into another qualified Plan, Akumin 401(k) Plan (see Note 9).

PARTICIPANT ELIGIBILITY

Employees of the Company that had obtained the age of 21 and had completed 30 days of service, were scheduled for 20 hours or more per week (one year for those who were regularly scheduled to work 19 hours or less each week), were not employed as collective bargaining employees, and were not non-resident aliens or "pro re nata" employees, became eligible to participate in the Plan immediately after eligibility requirements were met.

CONTRIBUTIONS

Participants could make pre-tax elective deferral contributions up to 50% of their compensation, as defined by the Plan, subject to the limitations set forth by the IRC. The Plan also allowed eligible employees to make contributions on a post-tax, Roth 401(k) basis. In addition, participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company could elect to make discretionary matching and profit-sharing contributions to the Plan. During the period ended November 30, 2022, the Company match was calculated as 25% of employee contributions, up to 6% of eligible compensation deferred to the Plan.

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Profit sharing contributions were allocated to participants in the same proportion as a participant's compensation bore to the total of all participants' compensation. The Company did not make a profit-sharing contribution for the period ended November 30, 2022..

Participants could make rollover contributions, which consisted of transfers from another qualified plan, if the contribution complied with the requirements set forth by the IRC.

PARTICIPANT ACCOUNTS

Each participant's account was credited with the participant's allocation of (a) Company's contributions, (b) Company's discretionary contribution, (c) the participant's contributions, (c) non elective contributions, and (d) Plan earnings less an allocation of investment and operation expenses charged to the Plan.

ALLOCATION OF INVESTMENT ACTIVITY

Each investment fund was valued based on the underlying securities held by each fund. The net increase or decrease in such values resulting from fund income and allocated expenses, if any, were apportioned to each participant's account in proportion to the value of the participant's account as compared to the investment fund as a whole.

VESTING

Participants were 100% vested in their contributions and earnings on their contributions. Participants became vested in their Company matching contribution account and Company discretionary contribution account and any earnings on the Company contributions as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than two years	0%
Two years	50%
Three years	75%
Four or more years	100%

ALLIANCE HEALTHCARE SERVICES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING (CONTINUED)

However, if a participant died, retired, or became permanently disabled, the participant's account became fully vested. One year of service was defined as 12 consecutive months in the Plan year with completion of at least 1,000 hours of service.

FORFEITURES

Forfeitures were the non-vested portion of a participant's account that was lost upon termination of employment. Forfeitures were retained in the Plan and could be used to pay plan administrative expenses or reduce future Company contributions. As of December 31, 2021, unutilized forfeitures retained in the Plan totaled approximately \$126,000 and approximately \$158,900 in forfeitures were transferred to the Akumin 401(k) Plan as of November 30, 2022 (see Note 9). During the period ended November 30, 2022, employer contributions were reduced by approximately \$122,000 from forfeitures.

PAYMENT OF BENEFITS

Participants received the vested portion of their Company matching contributions, Company discretionary contributions, and earnings on their Company contributions and 100% of their pre-tax contribution and earnings on their contributions as soon as administratively feasible upon termination of employment, retirement, disability, or death.

Upon termination a participant's total vested benefit of less than \$1,000 is subject to an involuntary cash-out distribution even if the participant does not consent to a distribution. Any distribution greater than \$1,000 but less than \$5,000 that is made without the participant's consent will be rolled over to an individual retirement account. Amounts in the participant's rollover account would be considered as part of the \$5,000 threshold used to determine whether they must consent to a distribution.

The account balance of a participant who had died would be distributed to the participant's beneficiaries. In service distributions were also permitted to participants who were over the age of 59½ and for hardship distributions, subject to certain restrictions. In accordance with the plan provisions and IRC, participants that had reached the age of 72 or older were required to receive Required Minimum Distributions.

CONTRIBUTION FUNDING

The Company made contributions to the Plan for employee and company matching contributions on a basis consistent with the related payroll period.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PLAN ADMINISTRATIVE EXPENSES

The Company provided or paid for certain accounting, legal, administrative and management services without charge to the Plan. Expenses paid by the Company are not included in these financial statements. Fees relating to administration of notes receivables from participants and certain fees related to distributions were charged directly to participants' accounts and were included in administrative expenses. Additionally, certain recordkeeping and advisory fees might be paid from forfeitures if forfeitures were available. Investment related expenses were included in net (depreciation) of fair value of investments.

Investment management related expenses were included in net (depreciation) of fair value of investments. A portion of the investment management related expenses represented revenue sharing expenses earned by Empower Trust Company, LLC (the trustee of the Plan). These revenue sharing fees were paid by certain investment funds held by the Plan. These fees were credited back to the Plan and might be used to reduce Plan expenses or allocated to participants.

During the period ended November 30, 2022, approximately \$63,000 of revenue sharing fees were received by the Plan and used to pay Plan administrative expenses and are presented in the statement of changes in net assets available for benefits as a reduction of administrative expenses.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loan terms ranged from one to five years or up to 20 years for the purchase of a primary residence. The loans were secured by the balance in the participant's vested account and bore interest at a rate of the Prime Rate published in the Wall Street Journal on the first business day of the month the loan was originated plus 2%. Principal and interest were paid ratably through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The financial statements of the Plan were prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

ALLIANCE HEALTHCARE SERVICES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required management to make estimates and assumptions that affected the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND REVENUE RECOGNITION

All investments were carried at fair value or an approximation of fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date and interest was accrued as earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan classified participant loans as notes receivable from participants in the statements of net assets available for benefits and measured them at their unpaid principal balance plus any accrued interest. No allowance for credit losses was recorded as of November 30, 2022 and December 31, 2021. Delinquent or defaulted notes receivables from participants were written off as "deemed" distributions at the end of the quarter following the quarter in which the default.

PAYMENT OF BENEFITS

Benefit payments to participants were recorded upon distribution.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at November 30, 2022 and December 31, 2021, and net appreciation (depreciation) in fair value of investments, dividends and interest and interest income on

notes receivable from participants for the period ended November 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, the trustee. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques used needed to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following was a description of the valuation methodologies used for assets measured at fair value. There had been no changes in the methodologies used as of November 30, 2022 and December 31, 2021:

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the U.S. Securities and Exchange commission. The mutual funds held by the Plan were deemed to be actively traded.

Self directed brokerage accounts: Accounts primarily consisted of mutual funds and common stocks that were value on the basis of readily determinable market prices.

Common/collective trust funds: The funds were valued using Net Asset Value (“NAV”) as a practical expedient provided by the investment custodian. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The following were the Plan’s financial instruments carried at fair value categorized by the fair value hierarchy as of December 31, 2021:

	Fair Value Measurements Using Input Type			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$101,500,691	\$ --	\$ --	\$ 101,500,691
Self directed brokerage accounts	<u>1,096,901</u>	<u>--</u>	<u>--</u>	<u>1,096,901</u>

Common/collective trust funds measured at NAV*				<u>42,970,327</u>
Total Investments, at Fair Value				<u>\$ 145,567,919</u>

**Certain investments that were measured at fair value using the NAV per share (or its equivalent) as a practical expedient had not been categorized in the fair value hierarchy. The fair value amounts presented in this table were intended to permit reconciliation of the fair value hierarchy to the amounts presented on the Statements of Net Assets Available for Benefits.*

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following presents additional information relative to Plan investments reported on net asset value at December 31, 2021:

The common/collective trust funds offered in the Plan were subject to a daily redemption frequency. The only other redemption restriction was the investments were subject to a deferral of redemption requests of up to twelve months, at the discretion of the trustee of the fund. There were no redemption notice requirements or unfunded commitments as of December 31, 2021.

During the period ended November 30, 2022, there were no transfers of investments between the fair value hierarchy levels.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it was possible that changes in the values of investment securities would occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

NOTE 6 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement. The Non-Standardized Pre-Approved Profit Sharing Plan obtained its opinion letter on June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the Non-Standardized Pre-Approved Profit Sharing Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

ALLIANCE HEALTHCARE SERVICES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 6 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator had analyzed the positions taken by the Plan, and had concluded that as of November 30, 2022 and December 31, 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan had recognized no interest or penalties related to uncertain tax positions. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods pending or in progress.

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments included shares of registered investment company funds and a common/collective trust fund managed by Empower Trust Company, LLC. Empower Trust Company, LLC was the trustee of the Plan.

Fees incurred by the Plan for investment management services were included in net (depreciation) in fair value of investments. These fees were paid to the individual investment fund manager, Empower Trust Company, LLC and its affiliates, other investment custodians and investment advisors.

Additionally, as noted in Note 1, certain administrative expenses related to participant related activities were paid directly to Empower Trust Company, LLC and its affiliates and were included in administrative expenses.

The Plan also allowed for the issuance of notes receivable to participants in accordance with the related regulations.

These transactions qualified as party-in-interest transactions for which there were statutory exemptions.

NOTE 8 - RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The differences between the Form 5500 reporting and the financial statement reporting are primarily due to the Form 5500 being prepared on a modified cash basis of accounting while the financial statements are prepared on the accrual basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

NOTE 9 - TRANSFER TO ANOTHER QUALIFIED PLAN

As mentioned in Note 1, effective November 30, 2022, the Plan was merged into Akumin 401(k) Plan. Total Plan assets of \$126,993,304 were transferred into the Akumin 401(k) Plan.

ALLIANCE HEALTHCARE SERVICES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 10 - PLAN OPERATIONAL AND COMPLIANCE ISSUE

The Plan experienced an operational and compliance issue during the period ended November 30, 2022. The Plan allowed employees of Akumin, Inc. to contribute to the Plan for the period from October 1, 2022 through November 30, 2022. However, there was no formal amendment to the Plan to allow Akumin, Inc. as a participating employer to the Plan for that period. This is considered a failure to follow the provisions of the Plan document. The Company has retroactively amended the Plan to allow Akumin, Inc. as a participating employer. The Company believes this qualifies under the Internal Revenue Service's self-correction program and does not believe that it will have a material impact on the Plan's financial statements or have any adverse effect on the Plan's tax status.

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through May 8, 2024 the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The Plan has retroactively amended the Plan effective April 22, 2024 to allow Akumin, Inc. to be a participating employer in the Plan for the period October 1, 2022 through November 30, 2022 (See Note 10).
