INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
RP Construction Services, Inc. 401(k) Plan
Monterey, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RP Construction Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 31, 2023, (liquidation basis) and December 31, 2022, and the related statements of changes in net assets available for benefits for the period and year then ended, respectively, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RP Construction Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended July 31, 2023, (liquidation basis) and year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
RP Construction Services, Inc. 401(k) Plan
Monterey, California

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RP Construction Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination

As discussed in Note 1 to the financial statements, effective January 9, 2023, the Plan termination was approved by the Plan Sponsor's board of directors. Accordingly, contributions, loan payments, and new loans were not allowed into or out of the Plan. All Plan assets were distributed to participants as of July 31, 2023.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RP Construction Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator
RP Construction Services, Inc. 401(k) Plan
Monterey, California

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RP Construction Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RP Construction Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

RP CONSTRUCTION SERVICES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 (LIQUIDATION BASIS) AND DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the RP Construction Services, Inc. 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a) General

The Plan was a defined contribution and profit sharing plan covering all full-time employees of the Company who have completed one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Collective bargaining employees, lease employees, and nonresident aliens are not eligible to participate unless eligibility is specifically provided for by such agreement. Participants are eligible for an elective matching contribution based on Plan compensation and a profit sharing contribution if they complete at least one hour of service during the Plan Year. The Board of Trustees is responsible for oversight of the Plan. The Plan Sponsor determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

b) Plan Termination

On January 9, 2023, the Board of Directors of RP Construction Services, Inc, the Plan Sponsor, approved termination of the Plan. Subsequent to January 9, 2023, no contributions, loan payments, or new loans were allowed into or out of the Plan. Participant balances were distributed to participant IRA accounts or the participant's current employer's plan. All balances were distributed as of July 31, 2023.

c) Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a safe-harbor matching contribution equal to 3% of eligible compensation. In addition, the Company may elect to make an elective matching contribution or a discretionary profit sharing contribution to the Plan. Participants direct the investment of matching Company and profit sharing contributions. During the period ended July 31, 2023, and year ended December 31, 2022, the Company made no profit sharing contributions into the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 (LIQUIDATION BASIS) AND DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

d) Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested immediately in the Company's safe-harbor matching contribution plus actual earnings thereon. Vesting in the Company's employer discretionary match and profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six continuous years of credited service. Employer vesting schedule for Plan participants is as follows:

<u>End of Year</u>	<u>Percentage</u>
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

At the date of plan termination approval on January 9, 2023, all participants became 100% vested in their employer discretionary match and profit sharing contribution portion of their accounts plus actual earnings thereon.

f) Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Payment terms of the loan are a maximum of 5 years. However, if used to purchase the participant's principal residence, the Plan administrator may permit a longer repayment term, not to exceed 15 years. The loan interest rate, determined on the date the loan is approved, is set at 1.00% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

RP CONSTRUCTION SERVICES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 (LIQUIDATION BASIS) AND DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

g) Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10 year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan distributed the Plan assets to the participants and there were no Plan assets at July 31, 2023.

h) Forfeited accounts

At July 31, 2023, and December 31, 2022, forfeited nonvested accounts totaled \$- and \$1,642, respectively. These accounts will be used to first pay administrative expenses then reduce non-elective or employer matching contributions. Also, for the period ended July 31, 2023, and December 31, 2022, employer contributions were reduced by \$11,929 and \$6,119, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting.

b) Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of July 31, 2023 and December 31, 2022.

e) Payment of benefits

Benefits are recorded when paid.

f) Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

g) Subsequent events

The Plan has evaluated subsequent events through May 1, 2024, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

See Independent Auditor's Report

RP CONSTRUCTION SERVICES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 (LIQUIDATION BASIS) AND DECEMBER 31, 2022

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of July 31, 2023, and December 31, 2022.

NOTE 4 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by American Funds. American Funds, a division of Capital Bank and Trust Company, is the qualifying institution as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 5 - PLAN TERMINATION

Effective January 9, 2023, the Company elected to discontinue contributions into the Plan and to terminate the Plan under the provisions of ERISA. As a result of the Plan termination, participants will be 100% vested in their employer contributions. All Plan assets were distributed from the Plan and the Plan was terminated as of July 31, 2023.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS/FTB. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

During the first half of 2022, the stock market has had its worst start for stocks in nearly half a century, contributing to its decline of nearly 20% in the S&P 500 with continued volatility through present. The extent to which this market volatility has impacted and will continue to impact the financial markets may depend on future developments that are uncertain and may not be predicted. Plan management will continue to monitor the impact market volatility has on the Plan and will reflect the consequences as appropriate in the Plan's financial records.

NOTE 8 - CERTIFIED INVESTMENTS

Certain information related to investments from participants disclosed in the accompanying financial statements, including investments held at July 31, 2023, and December 31, 2022, and net appreciation in fair value of investments, interest, and dividends for the period ended July 31, 2023, and year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by American Funds, a division of Capital Bank and Trust Company (the qualifying institution of the Plan).

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The July 31, 2023, Form 5500 was prepared under the accrual basis of accounting and, thus, the asset and liability amounts reported on Form 5500, as well as the net changes in Plan assets, are in agreement in total with the amounts included in the accompanying financial statements.

The December 31, 2022, Form 5500 was prepared under the accrual basis of accounting and, thus, the asset and liability amounts reported on Form 5500 are in agreement in total with the amounts included in the accompanying financial statements.
