Members of the Retirement Committee, Plan Administrator, and Participants of Landmark Christian School 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Landmark Christian School 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the year ended July 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of July 31, 2023 and 2022, and for the year ended July 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").¹
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of July 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

LANDMARK CHRISTIAN SCHOOL 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Landmark Christian School (the “School”) 403(b) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan was established on August 1, 2003, and is administered by the School. The Plan was most recently amended and restated effective August 1, 2022. The Plan is a defined contribution plan covering all full-time employees of the School. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

(b) Contributions

Participants may contribute a portion of their eligible compensation, as defined in the Plan document, subject to certain limitations as to the amount under the provisions of the Internal Revenue Code (“IRC”). Participant contributions must be pre-tax contributions.

Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan also allows for special catch-up contributions based on the terms described in the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to certain Internal Revenue Service (“IRS”) limitations. Newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect to not participate in the Plan. Automatically enrolled participants have their deferral set at 5% of eligible compensation.

The School may make a discretionary matching contribution and non-elective employer contribution to the Plan for those employees who have reached the age of 21. During 2023, the School made matching contributions equal to 100% of the first 5% of the participant's salary deferral contributions and 50% for every additional contribution up to 7%, for a maximum matching contribution of 6%. During 2023, the School did not elect to make a non-elective employer contribution.

(c) Participant Accounts

Each participant's account is credited with the participant contributions and allocations of (a) the School's contribution and (b) Plan earnings. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their voluntary contributions, the School's contributions, any rollover contributions and actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

(e) Investment Options

Upon enrollment in the Plan, a participant may direct contributions in various investment options offered by the Plan. The Plan currently offers pooled separate accounts and a guaranteed interest account as investment options. Participants may change their investment options as they deem necessary.

(f) Payment of Benefits

Upon termination of employment, death, disability, proof of hardship, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

(g) Plan Expenses

Some of the expenses incurred in the administration of the Plan have been paid by the School and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

(h) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate equal to prime rate plus 2%. Interest rates range from 5.25% to 10.25% for all notes receivable outstanding at July 31, 2023. Principal and interest repayments are made ratably through payroll deductions over a period not to exceed five years, unless the notes receivable from participants were used to purchase a primary residence in which case the notes receivable terms may exceed five years.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Plan were prepared using the accrual method basis of accounting. The Plan follows accounting standards set up the Financial Standard Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America "(GAAP)".

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

LANDMARK CHRISTIAN SCHOOL 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a default, the participant loan is reduced and a benefit payment is recorded.

(e) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At July 31, 2023, five investments comprised approximately 78% of total investments at fair value. At July 31, 2022, two investments comprised approximately 27% of total investments at fair value.

(f) Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTMENTS (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, American United Life Insurance Company ("AUL") and Matrix Trust Company have provided certifications as of July 31, 2023 and 2022 and for the year ended July 31, 2023, that the financial information included in the financial statements and supplemental schedule provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of July 31, 2023 and 2022 and for the year ended July 31, 2023, is covered by such certifications and has not been audited by independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2023 and 2022.

Pooled Separate Accounts

The Plan invests in pooled separate accounts that do not file as direct filing entities. Each pooled separate account contains several sub-accounts, which are separate accounts funded by variable annuity contracts. The participants select from these separate accounts. Each separate account is primarily invested in a mutual fund, but may hold short term money market instruments, cash or cash equivalents from time to time.

At July 31, 2023 and 2022, pooled separate accounts classified at Level 2 within the fair value hierarchy were \$8,484,947 and \$7,595,776, respectively.

NOTE 5 – PLAN TERMINATION

Although it has not expressed an intention to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
JULY 31, 2023 AND 2022

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory and recordkeeping services.

Certain Plan investments are managed by Matrix Trust Company, the certifying entity of the Plan and therefore, these transactions qualify as party-in-interest. The Plan invests in shares of pooled separate accounts currently managed by AUL. AUL is the former certifying entity for investments in the Plan, and therefore, these transactions would qualify as party-in-interest transactions. The financial advisor for the Plan is a related party.

Notes receivable from participants are also defined by ERISA as party-in-interest transactions.

NOTE 7 – TAX STATUS

The Plan is based on the Volume Submitter 403(b) Plan of FIS Business Systems LLC which received a favorable opinion letter from the IRS, dated March 31, 2017, stating the Plan was designed in accordance with provisions of the IRC. The Plan has been amended since receiving their opinion letter; however, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

NOTE 8 – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's financial statements.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through May 14, 2024, which is the date the financial statements were available to be issued.
