Independent Auditor's Report

To the Plan Administrator of the
Bay Photo, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Bay Photo, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of August 14, 2023 (Plan Merger Date) and December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 through August 14, 2023 (Plan Merger Date), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of August 14, 2023 (Plan Merger Date) and December 31, 2022, and for the period from January 1, 2023 through August 14, 2023 (Plan Merger Date), stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As further discussed in Note 1 to the financial statements, the Plan was merged into the Circle Graphics 401(k) Plan effective August 14, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Bay Photo, Inc. 401(k) Plan

Notes to Financial Statements

August 14, 2023 (Plan Merger Date) and December 31, 2022

Note 1 – Description of the Plan

The following description of the Bay Photo, Inc. (the “Company,” “Plan Administrator,” or “Plan Sponsor”) 401(k) Plan (the “Plan”) provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan, which went into effect September 1, 1994, that is generally available to all employees of the Company and Black River Imaging, LLC, (collectively, the “Employer”), who have completed six months of eligibility service and are age 18 or older. Once satisfying the eligibility requirements, employees may enter the Plan on the first of the month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Benefits under the Plan are not guaranteed by the Pension Benefit Guaranty Corporation.

Plan Amendments. On September 15, 2020, Circle Graphics, Inc. announced the acquisition of Bay Photo, Inc. In connection with the acquisition, the following:

- Effective February 8, 2021, the Plan was amended to freeze the Plan, permanently discontinue contributions under the Plan, and 100% vest participants in their account balances. Additionally, effective February 8, 2021, future contributions (including loan repayments) and investment changes into the Fidelity MIP CL I investment option were restricted.
- Effective February 10, 2021, the Circle Graphics 401(k) Plan (“Circle Graphics Plan”) was amended to add Bay Photo, LLC and Black River Imaging, LLC as Participating Employers in the Circle Graphics Plan. Additionally, employees of Bay Photo, LLC and Black River Imaging, LLC who became employees of Circle Graphics, Inc. on February 10, 2021, were granted prior service credit in the Circle Graphics Plan for purposes of eligibility, vesting, and contribution allocation.
- Effective May 6, 2021, the Plan was amended to no longer permit participant loans.
- Effective June 21, 2021, the Plan was amended to change the Plan’s cash out limit from \$1,000 to \$5,000 and to provide that any distribution greater than \$1,000 that is made to a participant without the participant’s consent before the participant’s normal retirement age will be rolled over to an individual retirement plan designated by the Plan Administrator.

Plan Merger. Effective August 14, 2023, the Plan Sponsor resolved to merge the Plan into the Circle Graphics Plan. All assets and liabilities of the Plan became the assets and liabilities of the Circle Graphics Plan as of the effective date of the merger. In connection with the merger, Plan net assets of approximately \$3.35 million were transferred from the Plan into the Circle Graphics Plan.

Contributions. The following types of contributions are allowable under the Plan:

- Salary Deferral Contributions – Prior to February 8, 2021, participants had the option to contribute up to 90% of their annual compensation, as defined in the Plan document, and had the option to designate it as either a pre-tax contribution or an after-tax Roth contribution, subject to limitations.

Bay Photo, Inc. 401(k) Plan

Notes to Financial Statements

August 14, 2023 (Plan Merger Date) and December 31, 2022

Note 1 – Description of the Plan (continued)

- Discretionary Employer Matching Contributions – Prior to February 8, 2021, the Employer had the option to make matching contributions each payroll period to eligible participants.
- Discretionary Employer Non-Elective Contributions – Prior to February 8, 2021, the Employer had the option to make a discretionary non-elective contribution each Plan year to those eligible participants who had completed 501 hours of service during the Plan year or were actively employed as of the last day of the Plan year. This contribution was allocated to each eligible participant's account in the ratio that each participant's compensation bore to the compensation of all eligible participants.
- Rollover Contributions – Prior to February 8, 2021, certain amounts distributed to participants from other qualified employee benefit plans were able to be rolled into the Plan.

All contributions were allocated to the Plan's investment funds at the direction of the participants.

Participant Accounts. Each participant's account is credited with the participant's contributions (salary deferral and rollovers, if any) and an allocation of (a) the Employer's discretionary contributions (matching and non-elective), if any, (b) fund earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting. Participants are immediately vested in their salary deferral contributions, rollover contributions, and related earnings thereon. Furthermore, effective February 8, 2021, participants became 100% vested in their Employer contribution portion of their accounts.

Prior to February 8, 2021, vesting in the Employer's contribution portion of their accounts was based on years of service, as defined in the Plan document, as follows:

<u>Years of Service</u>	<u>Vested %</u>
0	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Furthermore, prior to February 8, 2021, employed participants became 100% vested in their Employer contribution portion of their accounts upon the following events:

- Attainment of normal retirement age, as defined;
- Participant's death;
- Participant becomes disabled as defined under the Plan; or
- Plan termination or partial Plan termination.

Notes to Financial Statements

August 14, 2023 (Plan Merger Date) and December 31, 2022

Note 1 – Description of the Plan (continued)

Forfeitures. When certain terminations of Plan participation occur, the non-vested portion represents a forfeiture. Forfeitures are used to pay administrative expenses of the Plan or are used to reduce future Employer contributions. During 2023, forfeitures of \$100 were used to pay administrative expenses of the Plan. As of August 14, 2023 and December 31, 2022, the balance in the forfeitures account was \$0 and \$1,053, respectively.

Investment Options. Prior to the Plan merger effective August 14, 2023 (see Note 1), participants had the option to direct their investments into various mutual funds and a money market fund.

Notes Receivable from Participants. Prior to May 6, 2021, participants had the option to borrow from their fund accounts a minimum of \$1,000 and a maximum equal to the lesser of (i) \$50,000 or (ii) 50% of their vested account balance. Loan terms ranged up to a maximum of 5 years (a longer term up to 10 years was available if used for the purchase of a principal residence). The loans were secured by the balance in the participant's account and bore a reasonable rate of interest commensurate with local prevailing rates at the date the loan was granted as determined by the Plan Administrator. Principal and interest payments are generally paid ratably through payroll deductions.

Payment of Benefits. Benefits to participants or beneficiaries generally are payable as a lump sum or installments equal to the value of their vested account balance upon retirement, disability, death or termination of the participant. Additionally, participants may request in-service withdrawals of their rollover contributions account as well as certain portions of their accounts upon attainment of age 59½ or upon incurring a financial hardship, as defined in the Plan document, if certain criteria are met.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates. The financial statements of the Plan are prepared using the accrual method of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 – Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of August 14, 2023 or December 31, 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments. Benefits are recorded when paid.

Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Included in administrative expenses are recordkeeping charges, account maintenance fees, and other administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

Note 3 – Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 3 – Fair Value Measurements (continued)

There have been no changes in the methodologies used at August 14, 2023 and December 31, 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds and the money market fund are valued at the quoted net asset value (“NAV”) of shares held by the Plan at period or year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022:

	Fair Value Measurements at December 31, 2022			
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual Funds	\$ 3,277,179	\$ -	\$ -	\$ 3,277,179
Money Market Fund	134,591	-	-	134,591
Total Assets at Fair Value	\$ 3,411,770	\$ -	\$ -	\$ 3,411,770

Note 4 – Certified Information

The following information disclosed in the accompanying financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan:

Note 5 – Tax Status

The Plan Sponsor has adopted an FMR LLC Non-Standardized Pre-Approved Profit Sharing Plan (“pre-approved plan”). The pre-approved plan received an opinion letter from the IRS on June 30, 2020, which stated that the pre-approved plan is qualified under the applicable sections of the Internal Revenue Code (“IRC”). Although the pre-approved plan and the Plan have been amended since receiving the IRS opinion letter, the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan sponsor believes that the Plan is qualified under Section 401(a) of the IRC and the related Trust is tax exempt as of August 14, 2023 and December 31, 2022. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

In March 2022, the Plan Sponsor submitted a Voluntary Correction Program (“VCP”) filing with the Internal Revenue Service (“IRS”) to fix certain operational failures that occurred during the Plan years 2017 through 2021. On April 25, 2023, the Plan Sponsor received a Compliance Statement from the IRS. In connection with the VCP filing and IRS Compliance Statement, on May 16, 2023 the Plan's provisions regarding bonus contributions were retroactively amended effective October 15, 2017.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of August 14, 2023 and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Party-In-Interest Transactions

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Certain Plan investments were shares / units of mutual funds and a money market fund offered by Fidelity. As Fidelity Management Trust Company is the trustee of the Plan, these transactions qualify as party-in-interest transactions. Additionally, the Plan maintained notes receivable from participants. Fees paid for services rendered by parties-in-interest were based on customary and reasonable rates for such services.

Note 7 – Concentrations

As of December 31, 2022, there were three investments which individually represented more than 10% of net assets available for Plan benefits.

Note 8 – Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through May 10, 2024, which is the date the financial statements were available to be issued.
