Independent Auditor's Report

To the Plan Administrator
IPS Enterprises, Inc. 403(b) Retirement Savings Plan

Opinion

We have audited the financial statements of IPS Enterprises, Inc. 403(b) Retirement Savings Plan(the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2023 and 2022, the related statement of changes in net assets available for the year ended July 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of July 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended July 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held at End of Year) as of July 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

IPS ENTERPRISES, INC. 403(b) RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the IPS Enterprises, Inc. 403(b) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of IPS Enterprises, Inc. (the Plan Sponsor). The Plan Sponsor, previously a governmental entity, was restructured to become a nonprofit 501(c)(3) entity. The Plan became subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, effective August 1, 2019.

Employees who are at least 18 years of age are automatically enrolled to make elective deferral contributions to the Plan equal to 4% of eligible wages, unless the employee elects an alternative deferral percentage or opts out of participation. Employees who normally work fewer than 20 hours per week or are classified as "students" are not eligible to participate.

Contributions

Each year, participants may contribute up to 100% of their eligible compensation to the Plan, up to the maximum allowable by the Internal Revenue Code (IRC). The Plan allows catch-up contributions for participants that attain the age of 50 up to the maximum allowable by the IRC. The Plan allows for Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The employer makes matching contributions to the Plan equal to 100% of the participants' elective deferrals, up to 4% of eligible compensation. The employer contributed \$1,589,958 of matching contributions for the year ended July 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's and employer's contributions, plan gains or losses, and applicable administrative expenses. Allocations of plan earnings and expenses are based on account balances. Participants are immediately vested in their elective deferrals and employer matching contributions, plus actual earnings thereon.

Risks and Uncertainties

The Plan's investments are comprised of various mutual funds. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

IPS ENTERPRISES, INC. 403(b) RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Payment of Benefits

On termination of service, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's account, or by any other option approved by the Plan Administrator. Additionally, under certain circumstances of financial hardship, a participant is allowed to withdraw funds from the Plan. Small account balances may be automatically paid out at the discretion of the Plan Sponsor.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000, or 50%, of their account balance. The loans are secured by the balance in the participant's account. Loans bear an interest rate equal to 2% above the Wall Street Journal's published prime rate. Principal and interest are paid directly to the Plan's third-party administrator.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time. In the event of termination, the net assets will be allocated to participants as prescribed by ERISA and regulations issued pursuant thereto.

Administrative Expenses

Administrative expenses of the Plan may be paid by the Plan Sponsor or the Plan as provided in the Plan Document.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

IPS ENTERPRISES, INC. 403(b) RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Certain expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 31, 2023 or 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Document.

Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017, stating that the form of the preapproved plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since adopting the preapproved plan document. However, The Plan Administrator believes the Plan is designed, and is being operated, in conformity with the applicable requirements of the IRC and therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by a plan in its tax returns that might be uncertain. The Plan Administrator believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Payment of Benefits

Benefits are recorded when paid.

Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

IPS ENTERPRISES, INC. 403(b) RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 3. Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than the quoted prices included within the Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2023 and 2022.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Security Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market - Valued at the quoted market prices on the available market.

IPS ENTERPRISES, INC. 403(b) RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 3. Fair Value Measurements (Continued)

The methods previously described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of July 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

July 31, 2023	Level 1	Level 2	Level 3	Total
Money Market	\$ 31,010	\$ -	\$ -	\$ 31,010
Mutual Funds	7,512,906	-	-	7,512,906
Total Investments, at Fair Value	\$ 7,543,916	\$ -	\$ -	\$ 7,543,916

July 31, 2022	Level 1	Level 2	Level 3	Total
Money Market	\$ 2,936	\$ -	\$ -	\$ 2,936
Mutual Funds	4,888,338	-	-	4,888,338
Total Investments, at Fair Value	\$ 4,891,274	\$ -	\$ -	\$ 4,891,274

Note 4. Subsequent Events

The Plan Administrator has evaluated subsequent events through the date that the financial statements were available to be issued, May 13, 2024, and determined that no events required disclosure. No further subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
