Independent Auditor's Report

To the Plan Administrator
Lexington Eye Associates, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lexington Eye Associates, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended July 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 31, 2023 and 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Delinquent Participant Contributions for the year ended July 31, 2023 and Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of July 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note A – Description of Plan

The following description of the Lexington Eye Associates, Inc. Retirement Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of Lexington Eye Associates, Inc. (the “Company”, “Plan Administrator”, or “Employer”). The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment options and monitors investment performance. Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the date the eligibility requirements have been met. An employee becomes eligible to participate in the Plan following one year of service, as defined in the Plan, and attained the age of eighteen. Effective The Plan was adopted by the Company on July 1, 1974. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective August 1, 2022, the Plan was amended to allow the years of service with Dedham Ophthalmic Consultants and Surgeons, P.C. to be recognized for the purposes of eligibility, vesting and allocations.

Coronavirus Aid, Relief and Economic Security Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was signed into law. The CARES Act provided relief provisions for retirement plan sponsors and their participants. As permitted by the CARES Act, the Plan implemented the following provisions:

- Coronavirus-related distribution: Qualified individuals were permitted to take a penalty free distribution in an amount up to \$100,000 and may be repaid within three years.
- Participant loans: The Plan permitted loans to qualified participants in the amount of the lesser of \$100,000 or 100% of the participant’s vested account balance from March 27, 2020 through September 22, 2021. This provision also allowed for suspension of loan payments due from March 27, 2020 through December 31, 2020.
- Required minimum distributions: Required minimum distributions were temporarily suspended in 2020.

The provisions of the CARES Act were effective and operational immediately prior to amending the Plan document. Plan management is in the process of amending the Plan for the above provisions which will be in accordance with Internal Revenue Service (“IRS”) regulations.

Contributions

Each year, participants may make pre-tax elective contributions and Roth 401(k) contributions equal to a percentage of the contributing participant’s eligible compensation. Each participant may contribute up to 100% of their compensation into the Plan each year subject to certain IRS limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make annual “catch-up” contributions. Participants may also rollover amounts distributed or transferred from other eligible retirement plans. Participants direct the investment of deferrals, rollovers, and Company contributions into various investment options offered by the Plan.

Note A – Description of Plan (continued)

Contributions (continued)

On behalf of each Participant who is eligible to share in matching contributions for the Plan year, the Employer may make a discretionary matching contribution equal to a uniform percentage (to be determined each year by the Employer) of each participant's elective deferrals. No employer discretionary matching contributions were made for the year ended July 31, 2023. The Employer may make a discretionary matching and/or profit sharing contribution to Plan participants who have completed a year of service during the Plan year and were employed on the last day of the Plan year. These conditions are waived for participants who have terminated during the Plan year due to death, disability, or who have attained the normal retirement age. Such contribution will be allocated to the account of each eligible participant in the proportion that each individual participant's compensation bears to the total compensation of all participants.

The Employer may make a safe harbor nonelective contribution equal to 3% of each participant's compensation for a Plan year. Nonelective safe harbor contributions are 100% vested.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, if any, Plan earnings (losses) from investments and is charged for specific administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in their contributions and safe harbor contributions plus earnings thereon. Vesting in the employer profit sharing and employer matching contributions made to their accounts plus actual earnings thereon is based on years of credited service. A participant is 100% vested after three years of credited service.

A participant who attains normal retirement age or who becomes disabled or dies will be considered 100% vested.

Payment of Benefits

Upon retirement, death, disability, or other termination of service, participants will be entitled to receive a lump sum, partial payment, or installment payments for required minimum distributions. The Plan may automatically make distributions to terminated participants, without their consent, if the value of their vested account balances is \$1,000 or less, and the amount will be paid in a lump sum distribution. With vested account balances between \$1,000 and \$5,000, such amount will be rolled over to an individual retirement account designated by the Plan Administrator. If the participant is married on the date the benefits are to begin, the participant will automatically receive a joint and 50% survivor annuity, unless an alternative form of payment is elected. A participant may elect a joint and 75%, or 100% survivor annuity instead of the standard joint and 50% survivor annuity. If the participant is not married on the date the benefits are to begin, the participant will automatically receive a life annuity, unless an alternative form of payment is elected.

Active participants may take a distribution from the vested portion of their account if they are at least age 59½.

Note A – Description of Plan (continued)

Forfeitures

As of July 31, 2023 and 2022, the balance of forfeited non-vested accounts totaled \$6,430 and \$3,889, respectively. The forfeitures of unvested account balances are used to reduce Plan administrative expenses.

Notes Receivable from Participants

Except as described above under the CARES Act, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account and bear interest at a rate dependent on the prime rate plus 1%. Principal and interest are paid ratably through bi-weekly after-tax payroll deductions. Interest rates are fixed for the duration of the loan. Such loans are scheduled to mature within 5 years, unless loan proceeds are used to acquire a principal residence, in which case, at the discretion of the Plan Administrator, maturity may be for a longer period.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and the disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for insurance contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of mutual fund shares are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and capital gain distributions from the investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, then the participant loan balance is reduced and a benefit payment is recorded.

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note B – Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Evaluation of Subsequent Events

The Plan Administrator has evaluated the effect which subsequent events may have on these financial statements. The Plan Administrator's evaluation was completed on May 15, 2024, the date the financial statements were available to be issued.

Note C – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. *Level 1* inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access, *Level 2* inputs in general consist of quoted prices for similar assets in active markets and *Level 3* inputs are unobservable and significant to the fair value measurement priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of each year end.

	July 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 32,143,588</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 32,143,588</u>

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 29,139,676</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,139,676</u>

There were no transfers between levels for the years ended July 31, 2023 and 2022.

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note D – Cash Value of Life Insurance Policies

The Plan holds life insurance policies issued by Metropolitan Life Insurance Company for three participant beneficiaries of the Plan. As of July 31, 2023 and 2022, the life insurance policies contract value totaled \$116,316. The policies' contract value was determined using their total cash values.

Note E – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note F – Tax Status

The Plan adopted a non-standardized pre-approved profit sharing 401(k) plan. The non-standardized preapproved profit plan received a favorable opinion letter from the IRS on June 30, 2020 which stated that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since the non-standardized pre-approved profit plan received the favorable opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest expense or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note G - Information Certified by Custodian (Unaudited)

For the years ended July 31, 2023 and 2022, the Capital Bank and Trust Company ("Custodian") held the Plan's investments as custodian. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

Note H – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note I – Related Party Transactions and Parties-In-Interest Transactions

Certain operating expenses of maintaining the Plan are paid by the Company. Additionally, employees of the Company perform certain routine administrative services for the Plan without charge.

Certain Plan investments include shares of mutual funds that are managed by affiliates of the Custodian. Notes receivable from participants are also considered party-in-interest transactions.

Note J – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500 at July 31:

	2023	2022
Net assets available for benefits per the financial statements	\$ 32,905,266	\$30,006,158
Deemed loan activity	(2,608)	-
Net assets per Form 5500	<u>\$ 32,902,658</u>	<u>\$30,006,158</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended July 31, 2023 to net income per Schedule H of Form 5500:

Net increase per the financial statements	\$ 2,899,108
Deemed loan activity	(2,608)
Net income per Form 5500	<u>\$ 2,896,500</u>

Note K – Delinquent Participation Contributions

Plan related salary deferrals and loan repayments withheld from employees' paychecks must be deposited into the Plan as soon as reasonably possible. When this regulation is not satisfied, the Plan sponsor has engaged in a prohibited transaction. During the year ended July 31, 2023, \$47,203 of participant contributions were not remitted within the required time period. Management calculated the lost earnings were funded into the Plan in 2024.
