Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

In regard to the non-attest services performed by you, including drafting of the financial statements of the Plan in accordance with U.S. GAAP, including preparation of supplemental schedules, development of suggested journal entries to record conversion to U.S. GAAP basis, and preparation of any corrective measures as a result of audit findings, including preparation of any necessary tax forms, as applicable, we have:

- a) Assumed all management responsibilities.
- b) Designated an individual within senior management with suitable skill, knowledge, and/or experience to oversee the services.
- c) Evaluated the adequacy and results of the services performed.
- d) Accepted responsibility for the results of the services.

- e) Ensured that the Plan's data and records are complete and received sufficient information to oversee the services.

We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

- a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- c) The certification meets the 29 CFR 2520.103-5 requirements.
- d) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.

We confirm, to the best of our knowledge and belief as of the date noted in the signature record below, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 17, 2024, including our responsibility for the preparation and fair presentation of the financial statements.

The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
6. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable. The measurement processes we used in determining accounting estimates were appropriate and consistent. The assumptions appropriately reflect our intent and ability to carry out specific courses of action. The disclosures related to accounting estimates are complete and appropriate. No subsequent event has occurred that would require adjustment to the accounting estimates or disclosures included in the financial statements.

7. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.

We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

13. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
14. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
15. The supplemental schedule or financial statements disclose the following if applicable:
 - a) All non-exempt party-in-interest transactions as defined in ERISA section 3(14) and regulations under that section.
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions as defined in ERISA section 103(b)(3)(H) and regulations under that section.
16. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the date of the Statements of Net Assets Available for Benefits and have been reduced to their estimated net realizable value.
17. Administrative expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.
18. We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.

19. We have obtained the service auditor's report from our service organization ADP Retirement Services. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended June 30, 2023.

Information Provided

20. We have provided you with:

- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters, including all minutes of all relevant boards and committees or summaries of actions of recent meetings for which minutes were not yet prepared, and any communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- b) A substantially complete draft of Form 5500.
- c) Additional information that you have requested from us for the purpose of the audit.
- d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
- e) Current Plan instruments, trust agreements, insurance contracts or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

21. All material transactions have been recorded in the accounting records and are reflected in the financial statements.

22. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

23. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

- a) Management
- b) Employees who have significant roles in internal control, or
- c) Others where the fraud could have a material effect on the financial statements.

24. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

25. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL and Internal Revenue Service ("IRS") regulations) whose effects should be considered when preparing financial statements.

26. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.

27. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
28. We have no -
- a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b) Intentions to terminate the Plan.
29. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
30. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
31. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are described in Note 4 to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
32. All required amendments to and filing of plan documents with the appropriate agencies have been made.
33. As described in Note 7 to the financial statements, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
34. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status.
35. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
36. The Plan has complied with the fidelity bonding requirements of ERISA.
37. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
38. We believe the form and content of the Schedule of Assets (Held at End of Year) is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
39. We have evaluated whether there are conditions or events that, in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern within one year from the date that the financial statements were available to be issued, and have concluded that no such conditions exist.
40. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
