INDEPENDENT AUDITORS' REPORT

Members of the Retirement Committee, Plan Administrator and Participants of Pace Academy, Inc. Tax-Sheltered Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Pace Academy, Inc. Tax-Sheltered Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PACE ACADEMY, INC. TAX-SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pace Academy, Inc. (the "School") Tax-Sheltered Annuity Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all eligible employees, as defined in the Plan document, of the Plan Sponsor. Eligible employees may enroll on their hire date in accordance with the universal availability requirement. Plan entry dates are the first payroll period following completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may make contributions in the form of pre-tax, Roth, and after-tax deferrals up to 100% of their eligible compensation to the Plan, subject to certain limitations prescribed by the Internal Revenue Code ("IRC"). The School may make discretionary employer matching contributions. Eligible employees must reach the age of 21 in order to participate in the School match. During 2023, the School matched 200 percent of a qualifying participant's contribution to the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Percentage of Compensation Matched</u>
0 through 4	2.5%
5 through 9	3%
10 through 14	3.5%
15+	4%

Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan also allows for special catch-up contributions based on the terms described in the Plan document.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, the School's matching contributions, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PACE ACADEMY, INC. TAX-SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(d) Vesting

Participants are immediately vested in their voluntary contributions, School's matching contributions, any rollover contributions and actual earnings thereon.

(e) Investment Options

The Plan provides participants with options to invest in separate accounts and guaranteed accounts with Teachers Insurance and Annuity Association of America and College Retirement Equities Fund ("TIAA-CREF").

(f) Forfeitures

Forfeitures are unallocated funds that can be later used to pay administrative expenses or to reduce the future matching contributions of the School. There were no forfeitures used during 2023. There was no forfeiture balance at December 31, 2023 and 2022.

(g) Notes Receivable from Participants

Participants are allowed to borrow directly from their account balance, a minimum of \$1,000 up to the lesser of \$50,000 or 50 percent of the nonforfeitable account balance. This is reflected as a reduction in the participant's account balance and recording of notes receivable from participants on the Statements of Net Assets Available for Benefits. The notes receivable bear interest at the Prime rate plus 1%. Interest rates ranged from 4.25% to 9.50% for all notes receivable outstanding at December 31, 2023. Principal and interest repayments are made directly to TIAA-CREF over a period not to exceed five years, unless the notes receivable from participants were used to purchase a primary residence in which case the notes receivable terms may exceed five years.

(h) Payment of Benefits

Upon termination of service due to severance of employment, death, disability, retirement or reaching age 59 ½, elective deferrals or the participant account balance becomes available for distribution. Participants may elect a lump sum payment, partial payment, installment payment or annuity payment of the vested interest in the participant's account.

(i) Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the School and are excluded from these financial statements. Certain administrative expenses charged by TIAA-CREF and investment related expenses are included on the Statement of Changes in Net Assets Available for Benefits in net appreciation of fair value of investments.

PACE ACADEMY, INC. TAX-SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

(b) Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The investments of the Plan, other than investments in fully benefit-responsive investment contracts, are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

The Plan has a group annuity contract that holds investment contracts as a part of its underlying assets. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The contract value of the fully benefit-responsive investment contract represents contributions plus earnings, less participant withdrawals and administrative expenses. The Statements of Net Assets Available for Benefits present the investment contract at contract value at December 31, 2023 and 2022.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2023 and 2022, two investments comprised approximately 26% and 32% of total investments at fair value, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 3 - INVESTMENTS (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF has provided certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2023 and 2022 and for the year ended December 31, 2023 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022 and for the year ended December 31, 2023 is covered by such certifications and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Basis of Fair Value Measurement

The three levels of the fair value hierarchy under GAAP are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investments

Mutual Funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing Net Asset Value ("NAV") as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Other Registered Investments: These separate accounts are registered investments that invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. Units held in the registered investments are valued at NAV. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The NAV is measured based on the fair value of the underlying investments held by the fund less its liabilities. The fair value of the underlying investments are determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. Money market account holdings are generally valued at amortized cost. On a daily basis, units in the registered investments are revalued to reflect performance of the underlying investments minus fees and charges. There are no unfunded commitments as of December 31, 2023 and 2022.

Fixed Annuity Contract

The non-fully benefit responsive ("NFB") fixed annuity contract, composed of the TIAA Traditional Annuity Contract, is reported at contract value, which approximates fair value. Fair value is determined using a discounted cash flow model. The contract value equals the accumulated cash contributions and interest credited to the Plans contract, less withdrawals. The TIAA Traditional Annuity Contract is not available for sale or transfer on any securities exchange. The fixed annuity contract is subject to various restrictions. See Note 5.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Account

Units held in the pooled separate account ("PSA") are valued at the NAV based on the fair market value of the underlying investments of the account less its liabilities. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The PSA holds between 15% and 25% of its net assets in investments other than real estate and real estate related investments, comprised of publicly traded, liquid investments. Determination of fair value of the real estate assets involves significant judgement. Valuation of the PSA's real estate properties are based on real estate appraisals, which are estimates of property values based on a professional's opinion and may not be an accurate predictor of the amount the PSA would actually receive if it sold a property. Appraisals can be subjective in certain respects and rely on a variety of assumptions (including comparable property sales and historic pricing) and conditions at that property or in the market in which the property is located, which may change materially after the appraisal is conducted. Among other things, market prices for comparable real estate may be volatile, in particular if there has been a lack of recent transaction activity in such market.

As the PSA generally obtains appraisals on a quarterly basis, there may be circumstances in the period between appraisals or interim valuation adjustments in which the true realizable value of a property is not reflected in the PSA's daily NAV calculation or in the PSA's periodic financial statements. This disparity may be more apparent which the commercial and/or residential real estate markets experience an overall and possibly dramatic decline (or increase) in property values in a relatively short period of time between appraisals.

The PSA is a separate account of the TIAA Traditional Annuity Contract discussed further in Note 5. The PSA provides participants with a liquidity guarantee enabling the account to have funds available to meet participant redemption, transfer or cash withdrawals. TIAA-CREF guarantees that participants can redeem their accumulation unit value determined after their transfer or cash withdrawal request is received in good order. This guarantee qualifies the PSA for inclusion the Plan's investment options.

TIAA-CREF limits the availability of participants to transfer funds into the TIAA Real Estate Account. Specifically, individual participants are limited from making internal transfers into their account if, after giving effect to such transfer, the total value of such participant's account (under all contracts issued to such participant) would exceed \$150,000. A participant is not required to reduce his or her contract balance to a level at or below the \$150,000 if the participant's account totals more than \$150,000.

Total Plan investment assets at fair value classified within Level 3 were \$10,998,738 and \$10,241,994 as of December 31, 2023 and 2022, respectively, which consists of the Fixed Annuity Contracts. Such amounts were approximately 20% and 22% of total investments as of December 31, 2023 and 2022, respectively.

Quantitative Information Regarding Level 3 Fair Value Measurements

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the ASC 820 fair value hierarchy at December 31, 2023:

NOTE 5 - INVESTMENTS AT CONTRACT VALUE

TIAA Traditional Annuity Contracts

Fixed annuity contracts consist of the TIAA Traditional Annuity Contracts ("Annuity"). Annuity contracts are established between the participants and TIAA, an insurance company registered in the state of New York. The Annuity is offered in a variety of formats, including Retirement Annuities ("RA"), Group Retirement Annuities ("GRA"), Supplemental Retirement Annuities ("SRA"), Group Supplemental Retirement Annuities ("GSRA"), Retirement Choice ("RC") and Retirement Choice Plus Annuities ("RCP"). These formats can be either benefit responsive or non-benefit responsive dependent upon the participant's election. The Plan held the RC contract at December 31, 2023. The return of Annuity contributions plus interest to participants is subject to TIAA's claims-paying ability.

Annuity accounts are credited with a guaranteed minimum rate of interest that is determined annually. Participants may also earn interest in addition to the guaranteed rate at the discretion of TIAA. Such discretionary interest, if any, is declared by TIAA on a year-by-year basis and remains in effect for the subsequent twelve-month "declaration year".

Contributions to the Annuity accounts are grouped by TIAA into "vintages" comprised of premiums received over defined time periods of one or more contiguous calendar months. The interest crediting rate for each vintage is determined, in part, by the net investment earnings rate of the TIAA assets supporting that vintage, minus a charge for administrative expenses and an amount set aside for contingency reserves. Crediting rates are also determined by the performance of investments contained in TIAA's general account.

NOTE 5 - INVESTMENTS AT CONTRACT VALUE (Continued)

TIAA Traditional Annuity Contracts (Continued)

During the year ended December 31, 2023, the crediting rates of the annuity contracts were as follows:

% Range

RC

6.50 - 7.00%

TIAA Stable Value

This fixed-rate annuity contract provides a guaranteed minimum rate of interest of between 1% and 3% (before deductions for contract fees), with the potential for crediting of additional interest above the guaranteed minimum if approved by the TIAA Board of Trustees. Contributions are deposited into a non-unitized separate account. The TIAA Stable Value is immediately liquid to a participant for withdrawals and transfers and does not have withdrawal restrictions (except that immediate transfers cannot be made to competing investment options pursuant to the contract's equity wash provisions, as defined). Transfers may be made to a competing fund following a 90-day waiting period after being transferred to a non-competing fund. In addition, transfers into TIAA Stable Value may not be made for 30 days following a transfer out. A plan's investment in TIAA Stable Value is reported at contract value in all plan and participant reporting. Contract value equals the accumulated cash contributions, interest credited, and transfers, if any, less any withdrawals and transfers. Plan sponsors choosing to terminate a plan's investment in the TIAA Stable Value contract will receive contract value in, at most, two years. If the two-year payout applies, a discontinuance fee will be assessed.

NOTE 6 - TAX STATUS

The Plan adopted the ERISA 403(b) Volume Submitter Plan sponsored by TIAA-CREF, which received a favorable determination letter from the Internal Revenue Service ("IRS") on August 7, 2017, stating the Prototype Plan was designed in accordance with the provisions of the IRC. Accordingly, the trust's net investment income is exempt from income taxes. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

NOTE 7 - PLAN TERMINATION

Although it has not expressed an intention to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

PACE ACADEMY, INC. TAX-SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory and recordkeeping services.

All Plan investments are managed by TIAA-CREF. TIAA-CREF is the contract holder and recordkeeper of the Plan and therefore these transactions qualify as party-in-interest. Notes receivable are also defined by ERISA as party-in-interest transactions.

NOTE 9 - SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through May 13, 2024, the date the financial statements were available to be issued.
