INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
M & M Transport Services, Inc. Retirement Savings Plan
West Bridgewater, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of M & M Transport Services, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets in liquidation available for benefits as of October 30, 2023, the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets in liquidation available for benefits for the period from August 1, 2023 to October 30, 2023, and the related statements of changes in net assets available for benefits from January 1, 2023 to July 31, 2023 and for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of October 30, 2023 and December 31, 2022, for the period from January 1, 2023 to October 30, 2023, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinion (continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 6 to the financial statements, the Board of Directors of M & M Transport Services, Inc. and Affiliates, the Plan's sponsor, voted on July 31, 2023 to terminate the Plan. As a result, the Plan has changed its basis of accounting from the going concern basis to the liquidation basis for the period after July 31, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

**INDEPENDENT AUDITOR'S REPORT
(continued)**

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

M & M TRANSPORT SERVICES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022

1 – DESCRIPTION OF THE PLAN

General

M & M Transport Services, Inc. Retirement Savings Plan (the "Plan") was a defined contribution retirement plan that was established on January 1, 2000 for the benefit of employees of M & M Transport Services, Inc. and its affiliates, Boston Trailer, LLC and Capital Driving Leasing, LLC (collectively the "Company"). The Plan was funded by contributions from its participants and the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following description of the Plan provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. As discussed in Note 6, the Plan was terminated and all assets of the Plan were distributed as of October 30, 2023. The following provisions were in effect prior to October 30, 2023.

Administration of the Plan

The Plan was administered by M & M Transport Services, Inc.

Eligibility for Participation

Employees were eligible to enter the Plan and begin making elective deferrals and receiving employer contributions after completing one month of service and attaining the age of 21. The Plan disallowed any further participants from becoming eligible effective July 31, 2023.

Employee Elective Deferred Contributions

Employees participating in the Plan could elect to defer a percentage of their annual earnings as their contribution to the Plan, subject to the limitations outlined in the Internal Revenue Code. Employee contributions in the form of rollovers and transfers from other qualified retirement plans were allowed as defined in the Plan document. The Plan was frozen as to receiving contributions effective July 31, 2023.

Employer Matching Contributions

The Company made matching contributions to the Plan for employees of M & M Transport Services, Inc. and Boston Trailer, LLC equal to 30% of the employee's elective deferral up to \$3,000. The Company could make a discretionary contribution to the Plan for employees of Capital Driving Leasing, LLC. There were no discretionary contributions received by Capital Driving Leasing, LLC employees during the period from January 1, 2023 to October 30, 2023. During the year ended December 31, 2022, Capital Driver Leasing, LLC employees received discretionary contributions totaling \$3,406.

Vesting

Participants were immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company matching contributions portion of their accounts plus earnings thereon is based on years of continuous service. Participants vested 20% after two years of service, 50% after three years of service, 80% after four years of service, and were 100% vested after five years of service with respect to Company matching contributions. Effective July 31, 2023, all participants became fully vested in their aggregate account balances.

Notes to Financial Statements

Period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022

1 – DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Accounts were maintained for each participant. Accounts were increased for contributions and for an allocation of investment income based on the relationship of each participant's account within each investment fund to the total fund. Accounts were decreased for withdrawals made by participants, administrative expenses and for an allocation of investment losses based upon the relationship of each participant's account within each investment fund to the total fund.

Investment Options

Upon enrollment into the Plan, a participant could direct contributions in whole number percentages into a variety of mutual funds and investment securities. These mutual funds and investment securities were maintained by John Hancock Life Insurance Company (USA) ("John Hancock"), the custodian, during the period from January 1, 2023 through October 30, 2023 and the year ended December 31, 2022.

Notes Receivable from Participants

A participant could borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term of a note receivable from a participant could not exceed five years and no participant could have more than one note receivable outstanding at any time. Notes receivable from participants were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing lending interest rates as determined by the Plan Administrator. Principal and interest were repaid ratably through payroll deductions. Effective July 31, 2023, the Plan was amended to no longer allow new participant loans.

In-service Withdrawals

In-service withdrawals could only be made under the following circumstances:

- Hardship as defined in the Internal Revenue Code or in the Plan document
- Attainment of age 59 ½
- Disability

Retirement Benefits

The normal retirement age under the Plan was age 65.

Payment of Benefits

Upon termination of service from the Company, a participant could elect to receive the vested portion of their account in the form of a single lump sum. Participants with an accumulated balance of less than \$1,000 would receive a lump sum distribution.

Timing of Distributions

Distributions described above were made as soon as reasonably practicable following the date the participant's application for distribution was received by the custodian.

As of October 30, 2023 and December 31, 2022, there were no distributions payable to participants.

Administrative Expenses

Certain administrative expenses incurred by the Plan were paid by the Company. However, certain administrative expenses were paid by the Plan.

Notes to Financial Statements

Period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022

1 – DESCRIPTION OF THE PLAN (continued)

Forfeited Accounts

Forfeitures could be used to pay administrative expenses as directed by the Plan Administrator. If the Plan Administrator did not direct that forfeitures be used for administrative expenses, the forfeitures were applied to reduce future Company contributions. There were no forfeitures included in Plan assets as of October 30, 2023 and December 31, 2022.

Participant-Directed Contributions, Withdrawals and Transfers

The election to allocate contributions between the investment funds, and any decision to change such allocation, was made by each participant as permitted by the custodian. Withdrawals and transfers were recorded at the time such transactions took place.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared utilizing the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan Administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments

Investments are reported at fair value as described in Note 4. Security transactions are accounted for as of the date the securities are purchased or sold (trade date). Interest income is recorded as earned and may include amortization of discount and premium. Dividend income is recorded on the ex-dividend date or, for certain foreign securities, as soon as the investment funds are informed of the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains (losses) on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of October 30, 2023 and December 31, 2022.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants’ account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

Period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events

The Plan Administrator evaluated events that occurred after October 30, 2023, the date of the Statement of Net Assets in Liquidation Available for Benefits, but before the date the financial statements were available to be issued, May 10, 2024, for potential recognition or disclosure in the financial statements. The Plan Administrator did not identify any subsequent events that had a material effect on the accompanying financial statements.

3 – INFORMATION CERTIFIED BY CUSTODIAN

Unaudited information included in the Plan's financial statements was prepared by the Plan's custodian and furnished to the Plan Administrator and includes all Plan assets (except for the effects of participant and employer contributions receivables, if any) and all investment transactions. The Plan Administrator has obtained certifications from the custodian that such information is complete and accurate.

4 – FAIR VALUE MEASUREMENTS

The Plan applies the provisions of GAAP regarding fair value measurement and disclosures. The provisions establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), a lower priority to significant other observable inputs (Level 2 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these provisions are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022

4 – FAIR VALUE MEASUREMENTS (continued)

Guaranteed Investment Contract:

The 10-Year Compound Account is reported at contract value. The contract value of the account equals the accumulated cash contributions and interest credited to the account, less any withdrawals. Contract value provides a reasonable approximation of fair value for the 10-Year Compound Account.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2022:

Description	Total 2022	Level 1	Level 2	Level 3
Mutual funds	\$ 7,270,369	\$ 7,270,369	\$ -	\$ -
Guaranteed investment contract	16,079	-	-	16,079
Total assets in the fair value hierarchy	7,286,448	7,270,369	-	16,079
Investments measured at net asset value	150,273	-	-	-
Investments at fair value	\$ 7,436,721	\$ 7,270,369	\$ -	\$ 16,079

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 asset for the period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022:

	2023 Guaranteed Investment Contract	2022 Guaranteed Investment Contract
Balance, beginning of year	\$ 16,079	\$ 22,019
Contributions	2,052	3,343
Investment earnings (losses)	(1,937)	(34)
Withdrawals and distributions	(17,857)	-
Transfers in (out), net	1,663	(9,249)
Balance, end of period or year	\$ -	\$ 16,079

Notes to Financial Statements

Period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022

4 – FAIR VALUE MEASUREMENTS (continued)

In accordance with GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
2022 John Hancock Stable Value Fund	\$ 150,273	None	Daily	12 Months

5 – NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants at December 31, 2022 consisted of the following:

	Participants	Due Dates Through	Interest Rate	Amount
2022	66	12/23/2027	3.25%-7.50%	\$ 362,993

6 – PLAN TERMINATION

The Company adopted a resolution to terminate the Plan effective July 31, 2023, at which time the Plan no longer accepted contributions or would issue new participant loans. Further, all participants became 100% vested in their aggregate account balances. During the period from August 1, 2023 to October 30, 2023, the Plan's assets were completely distributed. Participants with account balances had the option to rollover their balances to a new retirement plan, rollover their balances to an individual retirement account, or take a lump sum distribution. In accordance with GAAP, the Plan changed its basis of accounting used to value Plan assets from the going concern basis to the liquidation basis for the period after July 31, 2023.

7 – INCOME TAX STATUS

The Plan obtained its latest determination letter on September 27, 2002, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

M & M TRANSPORT SERVICES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022

8 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments consisted of shares of various accounts managed by John Hancock, which was the custodian of the Plan's assets and, therefore, these transactions qualify as party-in-interest.

The Plan paid administrative fees to John Hancock during the period from January 1, 2023 to October 30, 2023 and the year ended December 31, 2022.

The Company provided certain administrative services at no cost to the Plan. The Company also paid for certain administrative costs of the Plan.
