INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Buffalo Bill Historical Center 403(b) DC Plan
Cody, Wyoming

Report on the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Buffalo Bill Historical Center 403(b) DC Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain other internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets held at end of year and are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Buffalo Bill Historical Center 403(b) DC Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 19, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The accompanying financial statements and our independent auditors' report are for the use of the Plan's administrators and Plan management, which have been specifically communicated to Ketel Thorstenson, LLP by the Plan, and should not be used or relied upon for any other party for any purpose. Additional users of these financial statements and independent auditors' report are hereby advised that the liability of Ketel Thorstenson, LLP to third party users who use or rely on this information may be limited pursuant to 1995 Wyo. Sess. Laws, Chapter 155 creating Wyo. Stat. Sec. 33-3-201.

Notes to the Financial Statements

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Buffalo Bill Historical Center 403(b) DC Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement and any amendments thereto for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) volume submitter plan adopted by the Buffalo Bill Memorial Association (the Organization) on September 1, 1990 and restated effective January 1, 2018. The Plan covers all employees of the Organization as defined by the Plan, who have elected to participate in the Plan.

Eligibility

Employees become eligible to participate in elective deferrals on their first day of employment with the employer. Employees are eligible for Employer matching contributions after one year of service.

Contributions

Each year, participants may contribute a percentage or amount of their pre-tax salary, as defined by the Plan, subject to the Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds, pooled separate accounts, common collective funds, a guaranteed fixed annuity contract, and a non-benefit-responsive investment as investment options for participants.

The Organization will make matching contributions to the Plan of a percentage of the elective deferral, up to a maximum contribution equal to 4% of eligible participant compensation as defined by the Plan. Employees are eligible to receive matching contributions in the Plan on the first day of the next month following the completion of one year of employment, in which the employee has been credited with 1,000 hours of service for such period.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Organization's matching contributions, and Plan earnings or losses and charged with the participant's distributions and fees. Substantially all administrative expenses are paid by the Organization. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in all contributions to their account plus actual earnings thereon.

Participant Loans

The Plan does not allow for participant loans.

Benefits Paid to Participants

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum, installments, annuity, or ad-hoc distribution in an amount equal to the value of the participant's vested interest in their account. For termination of service for other reasons, distribution of the value of the participant's vested interest in their account will begin as soon as possible after the participant's request. As defined in the Plan Agreement, hardship distributions are not permitted.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment-related expenses are included in the appreciation (depreciation) of fair value of investments. Certain administration functions are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles with the exception of benefits, which are recorded when paid.

Investments held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. The Plan held no fully benefit-responsive contracts for the years ended December 31, 2021 and 2020.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determines the Plan's valuation policies utilizing information from the investment advisers, custodians, and insurance company. See Note 7 for a discussion of fair value measurements. The Company did not hold any fully benefit-responsive investments at December 31, 2021 and 2020.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2021 and 2020, there were no benefit payments requested and not yet disbursed.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

Buffalo Bill Historical Center 403(b) DC Plan
Notes to the Financial Statements
December 31, 2021 and 2020

NOTE 4 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC (Code). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for the Plan participants under Section 403(b).

The Plan has not filed audited financial statements with Forms 5500 for the Plan years ended December 31, 2019 through December 31, 2022. As of the date of these financial statements, the Plan has filed a corrective action plan, which has been formally approved by the Department of Labor. Any cost incurred through the corrective action plan will be paid by the Plan Sponsor.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations prior to 2018.

NOTE 5 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Amounts reflected on Form 5500 agree to the amounts in the financial statements, thus reconciling items need not be reported.

NOTE 6 - INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor to not perform any auditing procedures with respect to the following information certified by TIAA and CREF, the custodians, as of and for the years ended December 31, 2021 and 2020, except for comparing such information certified by the custodians to information included in the Plan's financial statements and supplemental schedule.

	<u>2021</u>	<u>2020</u>
Mutual Funds	\$ 5,828,814	\$ 5,665,754
Guaranteed Fixed Annuity Contract	2,291,862	1,985,412
Common Collective Funds	1,357,939	1,095,506
Pooled Separate Account	456,307	344,586
	<u>\$ 9,934,922</u>	<u>\$ 9,091,258</u>

TIAA AND CREF also certified the completeness and accuracy of investment income related to the aforementioned investments as follows for the year ended December 31, 2021:

Investment Activity:	
Net Appreciation in Fair Value of Investments	\$ 1,167,776
Interest and Dividends	8,543
	<u>\$ 1,176,319</u>

NOTE 7 - FAIR VALUE MEASUREMENTS

Fair Value Measurements

The fair value measurement accounting literature established a fair value hierarchy that prioritizes the inputs to the valuation technique used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence for fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used in Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the period presented.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The fair value of the Guaranteed Fixed Annuity Contract is the amount the Plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination, or retirement. The fair value represents contract value adjusted to reflect current market rates only to the extent such market rates exceed crediting rates. The Guaranteed Fixed Annuity Contract will provide information about redemption frequency and notice periods if applicable. There are no unfunded commitments.

Fair Value Measurements at Net Asset Value

Pooled separate accounts and common collective funds are valued on a daily basis, based on the shares owned on that day and the net asset value (NAV) for that day.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at the End Of the Reporting Period Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)
	Fair Value		
<u>December 31, 2021</u>			
Investments Measured at Fair Market Value:			
Mutual Funds	\$ 5,828,814	\$ 5,828,814	\$ -
Guaranteed Fixed Annuity Contract	2,291,862	-	2,291,862
Investments Measured at Net Asset Value:			
Common Collective Funds	1,357,939	-	-
Pooled Separate Account	456,307	-	-
Total Assets in Fair Market Value	<u>\$ 9,934,922</u>	<u>\$ 5,828,814</u>	<u>\$ 2,291,862</u>
<u>December 31, 2020</u>			
Investments Measured at Fair Market Value:			
Mutual Funds	\$ 5,665,754	\$ 5,665,754	\$ -
Guaranteed Fixed Annuity Contract	1,985,412	-	1,985,412
Investments Measured at Net Asset Value			
Common Collective Funds	344,586	-	-
Pooled Separate Account	1,095,506	-	-
Total Assets in Fair Market Value	<u>\$ 9,091,258</u>	<u>\$ 5,665,754</u>	<u>\$ 1,985,412</u>

Gains and losses included in the changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in the fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 or transfers into or out of Level 3.

Notes to the Financial Statements
December 31, 2021 and 2020

NOTE 8 - GUARANTEED FIXED ANNUITY CONTRACT

The TIAA Traditional Annuity is an unallocated fixed annuity contract that is fully and unconditionally guaranteed by TIAA. TIAA Traditional provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts between 1% and 3%), and the potential for additional interest if declared by TIAA. Additional interest when declared, remains in effect for the “declaration year” which begins each March 1. Additional interest is not guaranteed for future years. Contributions to a participant’s account purchase a guaranteed amount if TIAA traditional is annuitized based on available options, the present value of the stream of annuity payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the plan and does not represent an obligation of the Plan.

NOTE 9- RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities, in general, are exposed to various market risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10 - ASSETS HELD FOR INVESTMENT PURPOSES

Plan investments are held by the custodians under agreement with the Plan. The Trustees are responsible for oversight of the Plan. The Trustees determine the appropriateness of the Plan’s investment offerings and monitor investment performance. The Plan currently offers mutual funds, pooled separate accounts, and a non-benefit-responsive investment contract as investment options for participants. Participants direct the investment of their contributions and the Organization’s matching contributions.

NOTE 11 - PARTIES-IN-INTEREST TRANSACTIONS

Plan investments include mutual funds, shares of pooled separate accounts, common collective funds, and guaranteed fixed annuity contracts that are held by TIAA and CREF. TIAA manages and certifies the investments. These transactions are party-in-interest transactions. Investment management fees are paid by the Plan participants as part of the investment purchase price pursuant to the contract.

NOTE 12 - SUBSEQUENT EVENTS

As of the date of this report, the Plan has not filed audited financial statements with Forms 5500 for the Plan years ended December 31, 2019 through 2022 as required by the Internal Revenue Service. See Note 4.

The Plan administrator has evaluated subsequent events through the date of the independent auditor’s report, which is the date the financial statements were available to be issued.
