INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Horn Solutions 401(k) Plan
Sugarland, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Horn Solutions 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 (in liquidation), and the related statement of changes of net assets available for benefits for the period from January 1, 2023 to June 30, 2023 (in liquidation), and the statement of net assets available for benefits as of December 31, 2022 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Reliance Trust Company (a qualified institution) as of June 30, 2023 and December 31, 2022, and for the period from January 1, 2023 to June 30, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note E to the financial statements, the governing body of the Plan approved a plan of liquidation on March 1, 2023, and management determined liquidation to be imminent. As a result the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion on whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Acquired and Disposed within the Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
HORN SOLUTIONS 401(K) PLAN

NOTE A - DESCRIPTION OF PLAN

The following description of the Horn Solutions ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General. Effective January 1, 2010, the Company elected to begin the above-mentioned Plan. The Plan is a defined contribution Plan covering all of the Company's employees. Employees are automatically enrolled after six months of employment. It is subject to the provisions of the ERISA. On March 1, 2023, management approved to terminate the Plan. The Plan was liquidated in June 2023.
2. Contributions. Participants may elect to contribute a percentage of their compensation, as defined in the Plan, or a specific dollar amount. Participants may also contribute amounts representing distributions from other types of retirement plans (rollovers) subject to special rules. The Company matches 25% of the first 4% of the Participant's compensation, as defined by the provisions of the Plan document. Contributions are subject to certain limitations. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 4% of eligible compensation. Effective April 1, 2021, the Plan was amended to reduce the auto enrollment rate to 2%. Contributions are automatically invested in a designated balanced fund until changed by the participant. As a result of Plan termination, auto-enrollment ceased at March 31, 2023.
3. Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting. Plan participants are automatically 100 percent vested in their contributions, the Company's contributions, and the related actual earnings.
5. Investment Options. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their election options at any time during the year.
6. Participant Notes Receivable. Participants may borrow a minimum of \$500 up to a maximum equal to 50 percent of their nonforfeitable account balance from their fund accounts up to \$50,000. Loan terms extend to a maximum of 5 years. The loans are secured by the vested balance in the participant's account and bear interest at the then commercial rate for loans of a similar type. Principal and interest is paid ratably through biweekly payroll deductions. Due to Plan termination during 2023, remaining balances were offset against participant account balances and became taxable events.
7. Payment of Benefits. On termination of service due to death, disability, retirement, or Plan termination, a participant will receive an amount equal to the value of the participant's vested interest in his or her account. Distributions will be in the form a single lump sum payment directly to the individual, beneficiary, or direct rollover to an eligible account or plan as defined in the Plan document.

As a result of the enactment of the CARES ACT the Plan began allowing participants to take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's account balance) from their retirement plan without a 10% early withdrawal penalty. Eligible distributions could be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years. The plan administrator may rely on an employee's certification that the employee satisfies the conditions for a coronavirus-related distribution.

8. Forfeited Accounts. If a participant terminates service prior to becoming fully vested, the unvested portion of employer contributions and earnings is forfeited. The forfeited amount will be utilized by the Plan to offset employer contributions or pay administrative expenses.

The following table provides details of the forfeiture balance for the period from January 1, 2023 to June 30, 2023 and the year ending December 31, 2022:

Balance December 31, 2021	\$	10
Forfeitures		81
Used to reduce Plan expenses		<u>(81)</u>
Balance December 31, 2022		10
Forfeitures		-
Used to reduce fees		<u>10</u>
Balance June 30, 2023	\$	<u>-</u>

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The 2023 financial statements of the Plan are prepared under the liquidation method of accounting in all material respects. The 2022 statement of net assets available for benefits is prepared under the accrual method of accounting in all material respects.

NOTE B - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan invests in various mutual funds, which are valued at quoted market prices, and one common/collective trust ("CCT") fund, Putnam Stable Value, which is measured at contract value, which is fair value for this investment type.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in the fair value of the investments indicates the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions prior to June 30, 2023. There were excess contributions of \$42,582 for the year ended December 31, 2022.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the accrual basis; however, accrued but unpaid interest is not considered significant for accrual. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 or December 31, 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are reported as administrative expense in the Statement of Changes in Net Assets Available for Benefits. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Subsequent Events

Management evaluated its June 30, 2023 financial statements for subsequent events through the date of issuance, May 23, 2024.

NOTE C - FAIR VALUE MEASUREMENT (UNAUDITED)

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as follows:

- Level 1 - quoted prices in active markets for identical assets
- Level 2 - other significant observable inputs either directly or indirectly (including quoted prices for similar securities, interest rates, yield curves, credit risk, etc.)
- Level 3 - significant unobservable inputs

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 or December 31, 2022.

Common/Collective Trusts - The CCT held is a Stable Value investment measured at the contract value of the underlying investments. Contract value represents principal plus accrued interest earned thereon and equates fair value.

Mutual Funds - Valued using quoted prices in active markets for identical assets.

NOTE D - PLAN ADMINISTRATION

Certain administrative costs are paid for by the Plan sponsor and not reimbursed by the Plan. These include employee and other overhead expenses.

NOTE E - PLAN TERMINATION

The Company elected to terminate the Plan on March 1, 2023, and the Plan's assets were completely distributed as of June 30, 2023.

NOTE F - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company.

	JUNE 30, 2023	DECEMBER 31, 2022
Investments	\$ -	\$ 6 332 525
Notes receivable from participants	\$ -	\$ 105 142
	FOR THE YEAR ENDED JUNE 30, 2023	
Net appreciation (depreciation) (which includes both realized and unrealized gains and losses) in fair value of investments	\$ 430 022	
Interest and dividends	\$ 7 606	
Participant loan interest	\$ 2 025	

NOTE G - TAX STATUS

The Plan obtained its latest opinion letter on October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code. The Plan uses a non-standardized pre-approved plan developed by Automatic Data Processing, Inc. An adoption agreement is prepared to be employer specific; however, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, accordingly, is qualified and tax exempt. Employees are not taxed currently on certain contributions and related gains and losses until such amounts are withdrawn from the Plan and distributed.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - PARTY-IN-INTEREST

The Plan also allows for loans to participants, as described in Note A, which qualify as party-in-interest transactions. Since Plan participants are employees of the Plan sponsor, they are considered parties-in-interest. Loans to participants are an exception to the Prohibited Transaction Rules of ERISA, since the loans are adequately secured, bear a reasonable interest rates, and do not exceed certain limits.
