INDEPENDENT AUDITOR'S REPORT

To the Trustee, Plan Administrator and Participants of
A&T Systems, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of A&T Systems, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustee, Plan Administrator and Participants of
A&T Systems, Inc. 401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedules Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A&T SYSTEMS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan of A&T Systems, Inc. (Company) and was established on December 31, 1989. The Plan is subject to the provisions of ERISA.

Effective January 1, 2022, the Plan adopted the CCH Incorporated dba ftwilliam.com pre-approved plan document, which was amended and restated effective June 30, 2020 in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). There were no significant changes to plan provisions as a result of this amendment and restatement. In conjunction with the amended and restated Adoption Agreement, the Plan executed a new Trust Agreement.

On August 1, 2022, Empower Annuity Insurance Company of America (Empower Annuity) announced that it was changing the names of various companies within its corporate group to align the names with the Empower brand. These financial statements reflect the rebranding to Empower Annuity (formerly known as Great-West Life & Annuity Insurance Company) and Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) (collectively, Empower and Great-West, respectively), as applicable.

Eligibility - Employees who are nonresident aliens or covered by a collective bargaining agreement are not eligible to participate in the Plan. Employees are eligible to participate for deferral purposes once they have attained one month of service and are age twenty-one or older. Employees may enter the Plan for deferral contributions on the first day of the plan quarter coinciding with or next following the date upon which the eligibility requirements are met. Employees age twenty-one or older are eligible to receive Company matching and profit sharing contributions upon completion of one year of service, consisting of 1,000 hours. Employees may enter the Plan for matching contributions immediately, and for profit sharing contributions, on the first day of the plan quarter coinciding with or next following the date upon which the eligibility requirements are met. Employees hired to work on Service Contract Act contracts awarded on or after August 1, 2009 are not eligible to participate in the employer matching contribution portion of the Plan.

Contributions - Each year, participants may elect to contribute up to 100% of their eligible compensation (as defined), up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions are made as pre-tax deferral contributions. Under the Plan's eligible automatic contribution arrangement, a contribution of 3% of eligible compensation will automatically be elected, unless otherwise directed by the employee. The initial automatic deferral percentage shall increase by 1% of compensation (up to 6% of compensation) annually on the anniversary of the participant's initial automatic enrollment. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Eligible employees may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company contributes on a pay period basis, a matching contribution equal to 50% of a participant's salary deferral contributions (including catch-up contributions) not exceeding 6% of the participant's eligible compensation. The Company matching contribution totaled \$81,671 for 2022.

A&T SYSTEMS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Contributions - continued - The Company may contribute a discretionary profit sharing contribution determined by the Company and to be allocated in the ratio that each qualifying participant's eligible compensation for the plan year bears to the total eligible compensation. In order to share in the allocation of the discretionary profit sharing contribution, a participant must complete 500 hours of service during the plan year. Participants not actively employed at the end of the plan year will not share in the discretionary profit sharing contribution, regardless of service. No discretionary profit sharing contribution was made for 2022.

The Company may also make Qualified Nonelective Contributions (QNECs), as defined in the Plan. For 2022, the Company's QNECs plus lost earnings totaled \$22,291 and are included in the employer corrective contribution receivable on the Statement of Net Assets Available for Benefits as of December 31, 2022.

Participant Accounts - Each participant's account is credited with the participant's contributions and the Company contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and the Company contributions into a group annuity contract offered by the Plan, containing various registered investment companies (mutual funds) and a fixed account. For those participants who do not make an investment selection, their contributions and the Company's contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in their contributions and QNECs, plus earnings thereon. Vesting in the Company's matching and discretionary profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service. Regardless of the vesting schedule, participants will become fully vested upon reaching the normal retirement age (as defined), death, disability, or upon reaching the early retirement age and service (as defined).

Notes Receivable from Participants - Participants may borrow from their fund accounts. The minimum note amount is \$1,000; however, no note to any participant shall be made in an amount which exceeds 50% of their vested account balance. The maximum aggregate dollar amount outstanding to any participant may not exceed \$50,000, minus the difference between the highest outstanding note balance during the past twelve months and the outstanding note balance from the Plan on the date the note is made. The notes are secured by the balance in the participant's account, bear interest at prime + 1% and can only exceed a repayment period of five years for the purchase of a principal residence. Only two notes may be outstanding at a time. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - Benefit payments may be in the form of lump sums or under a continuous right of withdrawal as elected by the participant and are payable upon termination of employment, death, or early or normal retirement. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Hardship withdrawals are also permitted, subject to provisions defined in the plan document.

A&T SYSTEMS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Forfeitures - Forfeitures of the Company contribution portion of participants' accounts (due to participants' termination prior to full vesting) are to be used to reduce the Company's contributions or pay administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$11,089 and \$26,835, respectively. During 2022, forfeitures of \$22,558 were used to fund employer corrective contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in the Key Guaranteed Portfolio Fund, which is considered to be fully benefit-responsive. The Statements of Net Assets Available for Benefits present the contract value of the fully benefit-responsive investment contract.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment, as they are paid through revenue sharing. Third party investment advisor and third party administrator fees are paid through the Plan Expense Account (PEA).

A&T SYSTEMS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Expenses - continued - A variable asset charge, quarterly contract charge and fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. As of December 31, 2022 and 2021, the Plan's assets at fair value are invested in registered investment companies and are classified as Level 1 within the fair value hierarchy.

A&T SYSTEMS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 - INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTIONS

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest income on notes receivable from participants, and dividend and interest income for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the qualified institutions.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a Group Annuity Contract (Contract) with Empower Annuity. The Contract offers the Key Guaranteed Portfolio Fund (KGPF), a fixed account that is part of the general account of Empower Annuity. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value represents contributions made under the Contract, plus earnings and transfers in, less any participant-directed withdrawals, transfers out and fees and charges. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value. Participant transfers may be restricted for up to 30 days in the event of excessive participant trading. However, should the plan sponsor terminate the Contract and decide to cease contributions to the KGPF, Empower Annuity reserves the right to defer payment of this amount to a date no longer than 12 months after the contract termination date or apply a market value adjustment.

Interest earned on the KGPF value is compounded daily at the effective annual interest rate. The interest rate to be credited to the KGPF will be determined and reset quarterly by Empower Annuity. The minimum interest crediting rate will never be less than 0%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include premature termination of the contract by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers and early retirement incentives. The Plan does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 6 - TAX STATUS

The IRS has determined and informed CCH Incorporated dba ftwilliam.com, by a letter dated June 30, 2020, that the prototype plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

A&T SYSTEMS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 6 - TAX STATUS - CONTINUED

Prior to January 1, 2022, the IRS had determined and informed CCH Incorporated dba ftwilliam.com, by a letter dated March 31, 2014, that the volume submitter plan adopted by the Plan effective January 1, 2015 was designed in accordance with applicable sections of the IRC. Although the Plan had been amended since it received the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments consist of registered investment companies and the KGPF managed by Empower, and therefore, these transactions qualify as party in interest transactions.

Empower provides certain administrative services to the Plan pursuant to the Recordkeeping and Administrative Responsibilities Agreement (the Agreement) between the Company and Empower. In conjunction with the Agreement, Empower receives a variable asset charge, a quarterly contract charge and transactional fees relative to notes receivable and distributions. In addition, Empower receives, as additional compensation, revenue sharing from one or more of the Plan's investment funds, or from affiliates or agents of such investment funds, for services provided by Empower with respect to such investment funds. A portion of these fees is paid back to the Plan and deposited in the PEA which is used to offset third party investment advisor and third party administrator fees. Any remaining third party fees, after the PEA offsets, are billed to the Plan. At December 31, 2022 and 2021, the PEA balance in the Plan totaled \$0. The Plan or Company may make payments to Empower for administrative expenses not covered by revenue sharing. Fees paid by the Plan to Empower amounted to \$10,635 for the year ended December 31, 2022.

NOTE 8 - DELINQUENT CONTRIBUTIONS

DOL regulations require employee contributions be remitted as soon as they can be segregated from the plan sponsor's assets, but in no instance later than the fifteenth business day of the month following the month of the contribution. The Company has determined that \$106 and \$93 of employee contributions were not remitted timely during 2021 and 2020. Lost earnings on the late contributions will be calculated and remitted to the Plan.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

A&T SYSTEMS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2022 and 2021, 17% and 21%, respectively, of net assets available for benefits is invested in the American Funds Target Date Funds; however, by their nature, these funds are a diversified mix of equities and fixed income that rebalance over time.

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through May 24, 2024, the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan was amended to clarify top heavy allocation provisions.

Effective July 1, 2023, there was a change in the trustee of the Plan.

Effective January 1, 2024, in compliance with the SECURE 2.0 Act, the Plan was amended to allow Roth deferral contributions into the Plan.
