Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **UHY LLP**

(2) EIN: **20-0694403**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		750000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Participants and Board of Trustees
Russell Sage College Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Russell Sage College Defined Contribution Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Russell Sage College Defined Contribution Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Russell Sage College Defined Contribution Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Russell Sage College Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Russell Sage College Defined Contribution Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Russell Sage College Defined Contribution Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RUSSELL SAGE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the Russell Sage College Defined Contribution Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General Information and Plan Amendments

The Plan, which was adopted by Russell Sage College (formerly The Sage Colleges) (the “College”) in 1941, is a defined contribution deferred compensation 403(b) plan covering substantially all employees of the College. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Teachers Insurance and Annuity Association (TIAA) is the Plan’s record keeper, and together with College Retirement Equities Fund (CREF) (collectively “TIAA”) is the insurance company issuer of the annuity contracts to the Plan.

Eligibility

Eligibility is immediate upon employment commencement date for all employees other than student employees. Employees who work a minimum of one year and at least 1,000 hours or more per year and are at least twenty-one (21) years of age are eligible for matching contributions. Temporary employees are not eligible for matching contributions.

Contributions

The Plan permits participants to contribute a portion of their compensation as a pre-tax deferral, a Roth deferral, up to the maximum limits on employee contributions set forth by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions as well as qualified organization catch up contributions for participants who have completed at least fifteen years of service with the College. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The employer match provides dollar-for-dollar matching contributions of 2%-5% provided the participant completes one consecutive year of service with the Colleges and contributes at least 2% as a pre-tax deferral.

Participant Accounts

Each participant’s account is credited with the participant’s contributions (including rollovers) and the participant’s allocable share (if any) of (a) the College’s pro rata contribution and (b) Plan earnings, losses and administrative expenses. Allocations of the investment earnings are based upon each participant’s holdings in each of the Plan’s investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in all contributions and accumulated earnings thereon.

December 31, 2023 and 2022

NOTE 1 — DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Participants have the option of requesting a distribution in lump sum, partial payments, installment payments, annuity contracts (if assets are held in a custodial account), or an income option (if assets are held in an annuity contract).

If participants request a distribution from the Plan prior to reaching the age of 59½, a 10% early distribution penalty will apply to the taxable portion of the payout. There are certain exceptions to the 10% penalty which are detailed within the Plan document.

Participants may request a distribution of their deferrals any time after they reach the age of 59½, upon termination of employment, or if they have a financial hardship. Hardship is defined by the Plan as withdrawals relating to the purchase of a principal residence; payment of unreimbursed medical expenses incurred by the participant, spouse or dependents; payment of tuition and related expenses for post-secondary education of immediate family; payments for burial or funeral expenses for deceased immediate family members; certain expenses to repair damage to a principal residence; and payment to prevent eviction from a principal residence or foreclosure on the mortgage of a principal residence.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0 and \$53,015, respectively. These accounts will be used to reduce future employer contributions. Forfeitures totaling \$53,333 were used to reduce employer contributions during the year ended December 31, 2023.

Loans to Participants – Plan Loans

Plan loans are available to participants through TIAA, subject to certain limitations. Plan loans are issued directly from funds owned by TIAA and loan proceeds are not removed from a participant's account balance. However, a portion of the participant's TIAA Traditional Annuity account balance is reserved, or held as collateral, to cover the outstanding loan amount for the period of time the loan is outstanding. For active loans, investments equal to 110% of the outstanding loan amount are reflected in the statements of net assets available for benefits and serve as collateral for the loan. Investments underlying defaulted loan balances are reflected in the statements of net assets, available for benefits until a distribution event occurs.

At December 31, 2023 and 2022, participants had outstanding Plan loan balances due to TIAA of approximately \$56,000 and \$55,000, respectively. There were no outstanding Plan loans due to TIAA in default status as of December 31, 2023 and 2022.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the present value of the participant's vested accrued benefit, or 45% of the TIAA and CREF employee accumulations. The interest rate will be fixed for the duration of the loan. A one-time origination fee will be charged at the time of the loan and an annual maintenance fee will be charged each year the loan is outstanding. These loans generally have repayment terms not to exceed five years and participants can have a maximum of three outstanding loans at one time. Loan amounts are deducted from Plan accumulation and reflected in the statements of net assets available for benefits as notes receivable from participants. Loan payments are credited to participant accounts as received.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net appreciation or depreciation in the fair value of investments includes the realized gains and losses on investments bought and sold as well as unrealized gains and losses on investments held during the year. Purchases and sales of securities are reported on a trade date basis. Interest earned on investments is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

TIAA Traditional Annuity (TIAA Traditional) is an unallocated fixed annuity contract that is fully and unconditionally guaranteed by TIAA. TIAA Traditional Annuity within liquid contracts are benefit responsive. TIAA Traditional Annuity within illiquid contracts are non-benefit responsive. TIAA Traditional provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3% but in some contracts between 1% and 3%) and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. Contributions to a participant's account purchases a guaranteed amount of lifetime annuity income. The subsequent stream of annuity payments occurs outside of the plan and does not represent an obligation of the plan.

TIAA Traditional Benefit Responsive Annuity is valued at contract value. Because the annuity is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the annuity.

The fair value of the pooled separate account and registered investment companies are equal to the net asset value reported by the funds of the shares or units held.

Payment of Benefits

Benefits are recorded as deductions from net assets available for benefits when paid.

Administrative Expenses

The College is the Plan sponsor and is responsible for enrolling participants, sending contributions, and performing other required duties. Administrative expenses are paid by the College and not reimbursed by the Plan. Administrative expenses for accounting, reporting, contract issuance and other services are paid from investment earnings.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

The Plan has evaluated subsequent events through May 28, 2024, the date the financial statements were available to be issued.

NOTE 3 — INFORMATION CERTIFIED BY TIAA AND CREF

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Teachers Insurance and Annuity Association of America ("TIAA") and College Retirement Equity Fund ("CREF"), have furnished certain financial information to the Plan administrator and certified as to its completeness and accuracy. These certifications are as of December 31, 2023 and 2022 and for the year ended December 31, 2023, and include investment information related to accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the Schedule of Assets Held (At End of Year) as of December 31, 2023 and , and the related investment activity reflected in the statements of changes in net assets available for benefits for the year ended December 31, 2023.

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- **Registered Investment Companies:** Registered investment companies investments are valued daily at the net asset value of the shares or units held.
 - CREF Funds is a Delaware statutory trust and is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. It is also registered as an insurance company in several states. Current offerings include domestic and international equities, fixed income, real estate securities, asset allocation and money market funds. The funds invest principally in equity securities, fixed income instruments, other mutual funds and short-term instruments in accordance with each fund's investment objectives. Fund holdings are generally valued using market quotations or prices obtained from independent pricing services, except those held by the CREF Money Market Fund, whose holdings are valued at amortized cost. Each fund determines its unit or net asset value daily. Units in the CREF accounts are available for transactions daily at the closing net asset value. The CREF Accounts, as investment options available and permitted under the governing plan, fund variable annuity contracts issued by CREF.
 - TIAA-CREF Funds is a Delaware statutory trust and is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. Current offerings include domestic and international equities, fixed income, real estate securities, asset allocation and money market funds. The funds invest principally in equity securities, fixed-income instruments, other mutual funds and short-term instruments in accordance with each fund's investment objectives. Fund holdings are generally valued using market quotations or prices obtained from independent pricing services. Each fund determines its share price or net asset value daily.
 - Other mutual funds are funds valued at daily closing net asset value as reported by the fund on nationally recognized exchanges.
- **Pooled Separate Account:** The pooled separate account investments are valued daily at the net asset value of the units held, and is comprised of investments in the TIAA Real Estate Account (REA), an insurance company separate account, of TIAA investing mainly in real estate and real estate-related investments. This is a variable annuity. The REA's value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. The REA sometimes holds securities as well. These are generally priced using values obtained from independent pricing sources. The TIAA general account provides the REA with a liquidity guarantee. Units in the REA are available for transactions daily at the closing net asset value. Transfers out of the REA are limited to one per calendar quarter.

DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

- **Insurance Company General Contracts, non-benefit responsive:** Fixed annuity contracts, non-benefit responsive, are reported at contract value which approximates fair value. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan's contracts, and transfers, less any withdrawals and transfers. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange, accordingly, transactions in similar investment instruments are not observable.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following represents the valuation of the Plan's financial instruments under the fair value hierarchy levels as of December 31:

December 31, 2023

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

The following table represents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the fair value hierarchy at December 31, 2022:

Type	Fair value	Valuation technique	Significant unobservable inputs	Range
TIAA Traditional Annuity Non Benefit Responsive	\$28,841,045	Discounted cash flow Theoretical transfer (exit value)	Risk-adjusted discount rate applied	RA: 3.70% - 6.25% SRA: 3.00% - 5.50% GSRA: 3.00% - 5.50%

Realized and unrealized gains are included in net appreciation in the fair value of investments on the statement of changes in net assets available for benefits. Earnings are included in interest and dividends on the statement of changes in net assets available for benefits. Inter-fund transfers represent participant elections to move invested balances from one investment option to another.

In accordance with the fair value measurements and disclosures guidance, the Plan investments which are estimated using NAV must disclose redemption frequency, and redemption notice periods.

At December 31, 2023, CREF Annuity Accounts have a daily redemption frequency (if correctly eligible) and a daily redemption notice period. At December 31, 2023, the TIAA Real Estate Account has a quarterly redemption frequency (if correctly eligible) and a daily redemption notice period.

NOTE 5 — INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed TIAA by a letter dated August 1, 2017 that the volume submitter plan adopted by the Plan effective January 1, 2019, as then designed, is in compliance with the applicable sections of the Internal Revenue Code (IRC).

Generally Accepted Accounting Principles requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE 6 — PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by TIAA. TIAA is the Plan's record keeper and insurance company which holds plan assets and executes investment transactions and is the issuer of the annuity contracts of the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities and investment contracts. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 — SUBSEQUENT EVENTS

Effective January 1, 2024, newly eligible participants will be subject to an automatic enrollment provision. The fixed percentage will begin at 3% and increase automatically each year to a maximum of 10%.
