REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee
Mueller Die Cut Solutions, Inc, 401K and Profit Sharing Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Mueller Die Cut Solutions, Inc. 401K and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 17, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

MUELLER DIE CUT SOLUTIONS, INC. 401K AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Mueller Die Cut Solutions, Inc. 401K and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the Mueller Die Cut Solutions, Inc. (the "Company"), except non-resident aliens, who have completed six months or more of service as defined in the plan document. An employee may enter the Plan and begin making elective deferrals on the first day of the month after meeting the Plan's eligibility requirements of six months of service as defined in the plan document. An employee is eligible to receive non-elective employer contributions beginning on the first day of the month after meeting the Plan's eligibility requirements of six months of service as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Termination of the Plan and Transfers from Plan

On November 15, 2022, the Company merged the Plan into the Sur-Seal 401(k) Retirement Savings Plan. In October of 2022, the Plan communicated to participants that the Plan is being terminated effective November 15, 2022.

Management communicated with participants that a Blackout Period was expected to begin on November 7, 2022 and end on or before December 17, 2022. The majority of participant balances were transferred during 2022 to the Sur-Seal 401(k) Retirement Savings Plan.

Contributions

The participants may elect to contribute a portion of their pretax annual compensation for the contribution period, not exceeding certain limits which are set forth in the Plan and the Internal Revenue Code (IRC). Transfers from qualified plans are allowed under provisions of the Plan. The Plan allows eligible participants to make catch-up contributions in accordance with Internal Revenue Service (IRS) regulations. Each year, the Company historically has elected to provide a discretionary contribution of 40% of the first 7% of the participant's eligible compensation. The Company may also make a discretionary employer profit sharing contribution which is allocated annually. The eligibility for the profit sharing contribution is employment on the last day of the allocation period, unless termination of employment is due to death, disability, or retirement. For the years ended December 31, 2022 and 2021, the Company elected not to make a discretionary profit sharing contribution. The Plan includes an auto-enrollment provision whereby all newly

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution, the Company's contribution (including any forfeitures which are treated as employer contributions), and an allocation of plan earnings. Allocation of plan earnings is based on participant account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. Any participant contribution accounts resulting from transfers or rollovers are fully vested and non-forfeitable at all times.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, a minimum of \$1,000 up to a maximum of \$50,000. The loans are secured by the balance in the participant's account and bear interest at 2% above the prime rate, as defined. Principal and interest are repaid through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reason, a participant may elect to receive their distribution in the form of a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in the form of a rollover into another qualified plan. The Plan has included a provision for employees to make withdrawals from their account under certain "hardship" circumstances.

Forfeited Accounts

The non-vested portion of the employer contribution account of a participant whose employment with the employer is terminated other than on account of total and permanent disability, and prior to the earlier of their death or normal retirement date, is forfeited as of the date of such termination. Any forfeitures will be used to reduce future employer matching

contributions or plan expenses. For the years ended December 31, 2022 and 2021, \$12,289 and \$12,000 of forfeited participant accounts were allocated to the remaining participants as a part of the Company's contribution. The balance of forfeitures at December 31, 2022 and 2021, were \$0 and \$2,000 respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends and capital gain distributions are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

MUELLER DIE CUT SOLUTIONS, INC. 401K AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses and costs of administering the Plan are paid for by the Plan and the Company. Administrative expenses include the preparation of the Form 5500, compliance testing, consulting, recordkeeping, document and updates.

Subsequent Events

The Plan has evaluated subsequent events through February 26, 2024, which is the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual)

MUELLER DIE CUT SOLUTIONS, INC. 401K AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Common collective trusts.* Valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund registered with the U.S. Securities and Exchange Commission (SEC). The fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.
- *Mutual funds.* Valued at the daily closing price as reported by the funds. The mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish its daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2022 and 2021 are as follows:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 94	\$ -	\$ -	\$ 94
Investments at fair value	\$ 94	\$ -	\$ -	\$ 94

- (a) In accordance with Subtopic 820-10, certain investment that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. There were no investments for which fair value was measured using the net asset value per share practical expedient as of December 31, 2022.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Common/collective trusts				
-blended investments	\$ 4,034,613	None	Daily	12 months

5. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. As of December 31, 2022 and 2021, certain investments were sponsored by Principal Trust Company, the trustee of the Plan, and, therefore, these investments qualify as party-in-interest investments. During 2022, the Plan paid administrative fees to Principal Trust Company which also qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions. Blue & Co., LLC is the independent auditor for the Plan. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. TAX STATUS

The Plan is based on a Non-Standardized Pre-Approved Profit Sharing Plan with Cash or Deferred Arrangement which has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the plan is granted favorable treatment as being in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

MUELLER DIE CUT SOLUTIONS, INC. 401K AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
