Town & Country Financial Corporation Savings Investment Plan

Financial Statements

Years Ended December 31, 2023 and 2022

WIPFLI

Independent Auditor's Report

To the Plan Administrator
Town & Country Financial Corporation Savings Investment Plan
Springfield, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Town & Country Financial Corporation Savings Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 (in liquidation) and 2022 (ongoing basis), the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Town & Country Financial Corporation Savings Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Town & Country Financial Corporation Savings Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 2 of the financial statements, the governing body of Town & Country Financial Corporation Savings Investment Plan approved a plan of liquidation on January 26, 2023, and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Town & Country Financial Corporation Savings Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Town & Country Financial Corporation Savings Investment Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Town & Country Financial Corporation Savings Investment Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provision.

General

The Town & Country Financial Corporation (the "Plan Sponsor") established the Town & Country Financial Corporation Savings Investment Plan (Plan) effective as of January 1, 1987 and as restated January 1, 2016. The Plan is a defined contribution plan covering all employees of the Plan Sponsor who have at least three months of service and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Account of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan.

Plan Termination

On February 1, 2023, HBT Financial acquired 100% of the issued and outstanding common stock of Town and Country Financial Corporation ("Town and Country"), the holding company for Town and Country Bank, pursuant to an Agreement and Plan of Merger dated August 23, 2022. Under the Agreement and Plan of Merger, Town and Country merged with and into HBT Financial, with HBT Financial as the surviving entity, immediately followed by the merger of Town and Country Bank with and into Heartland Bank, with Heartland Bank as the surviving entity.

Contributions

Participants may contribute up to the maximum allowed by law of pretax or post tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

For the Plan year ended December 31, 2022, the Plan Sponsor elected to contribute the safe harbor matching contribution to the Town & Country Financial Corporation Employee Stock Ownership Plan. For the Plan year ended December 31, 2023, the Plan Sponsor elected to contribute the safe harbor matching contribution to the Town & Country Financial Corporation Savings Investment Plan. The Company matches 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributes to this Plan. The maximum Company match is 4% if the employee contributes 5% of their compensation to this Plan.

Additional profit sharing amounts may be contributed at the option of the Plan Sponsor's board of directors and are invested in the participant's accounts. During the year ended December 31, 2023 and 2022, there were no profit sharing contributions made to the Plan. Contributions are subject to certain limitations.

Vesting

Participants are immediately vested in their contributions and the Plan Sponsor's matching plus actual earnings there on. Vesting in the Plan Sponsor's non-elective contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in the Plan Sponsor's non-elective contribution after three years of credited service.

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Plan Sponsor's contributions and plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions and the Plan Sponsor's contributions to selected investment options as offered by the Plan. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account, but not less than \$1,000 and no greater than \$50,000. Loan terms range from 1-5 years or greater than 5 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The interest rate is set on the date of loan issuance and is 1% above the prime interest rate on that date. The Plan Administrator will determine whether the interest rate is commercially reasonable at the time the loan is approved. Principal and interest is paid ratably through semimonthly payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship and in-service distributions are allowed by the plan.

Forfeitures

All forfeited non-vested Plan Sponsor contributions are used to reduce Plan Sponsor contributions. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0 and \$68, respectively. No forfeitures were used during 2023 and 2022 to reduce Plan Sponsor contributions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

As discussed in Note 1, the Plan terminated effective January 26, 2023. In accordance with GAAP, the Plan changed its basis of accounting used to value the plan assets from the ongoing plan basis to the liquidation basis for the year-ended December 31, 2023. The Plan's assets have been distributed to its participants or transferred to other qualifying plans during the year-ended December 31, 2023.

Note 2: Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in the net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through May 24, 2024, which is the date the financial statements were available to be issued

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and 3 inputs for the periods presented. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at \$1 per share which approximates fair value.

Common collective funds: Valued at NAV as determined by using estimated fair values of the underlying assets held in the fund at year-end. The objective of the common collective fund is to provide preservation of principal with stability and consistency of returns. It invests in primarily synthetic guaranteed investment contracts. Investments in the common collective fund can be purchased or sold continuously. A notice of redemption is not required. The Plan has no obligation to buy additional units.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market values.

There were no assets to report as of December 31, 2023. The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,552,696	\$ -	\$ -	\$ 15,552,696
Money market fund	-	1,332	-	1,332
Self-directed brokerage accounts	7,816	-	-	7,816
Total investment assets in the fair value hierarchy	\$ 15,560,512	\$ 1,332	\$ -	15,561,844
Investments measured at NAV (a)				2,253,090
Total investment assets at fair value				\$ 17,814,934

Note 3: Fair Value Measurements (Continued)

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4: Information Prepared and Certified by the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Bank, the Custodian of the Plan.

Note 5: Plan Termination

The Plan Sponsor has the right under the plan document to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. On January 26, 2023, the governing body of Town & Country Financial Corporation Savings Investment Plan approved a resolution to take all actions necessary and proper to amend and terminate the Plan. The final distribution of the Plan was made on October 5, 2023.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Tax Status

The Plan adopted the Alliance Benefit Group of Illinois Volume Submitter 401(K) Profit Sharing Plan document as of January 1, 2014. The Employer is relying on an advisory letter issued by the Internal Revenue Service as evidence that the Plan is qualified and the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7: Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8: Related-Party Transactions and Party-in-Interest Transactions

EPIC Retirement Plan Services (third party administrator) and Charles Schwab Bank (Custodian) qualify as parties-in-interest. Fees paid directly to EPIC Retirement Plan Services and Charles Schwab Bank totaled \$17,771 and \$79,394 during the year ended December 31, 2023 and 2022, respectively.

EPIC Retirement Plan Services provides certain administrative services to the Plan pursuant to an agreement between the Plan Sponsor and EPIC Retirement Plan Services. EPIC Retirement Plan Services receives revenue from mutual fund service providers for services EPIC Retirement Plan Services provides to the funds. This revenue is used to offset certain amounts owed to EPIC Retirement Plan Services for its administrative services to the Plan.

If the revenue received by EPIC Retirement Plan Services from such mutual funds exceeds the amount owed under the agreement, EPIC Retirement Plan Services applies the excess revenue to pay Plan administrative expenses. During the years ended December 31, 2023 and 2022, revenue sharing credits of \$1,439 and \$5,723 were used to offset plan expenses, respectively. The Plan makes payments to EPIC Retirement Plan Services for administrative expenses not covered by revenue sharing.

The Company provides certain accounting and administrative services to the Plan for which it receives no compensation.
