INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Aspire Living & Learning, Inc. 403(b) Plan
Barre, Vermont

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Aspire Living & Learning, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aspire Living & Learning, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aspire Living & Learning, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aspire Living & Learning, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Aspire Living & Learning, Inc. 403(b) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(1) DESCRIPTION OF THE PLAN

The following description of Aspire Living & Learning, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan’s provisions.

- (a) General – The Plan is a defined contribution plan covering all employees of Aspire Living & Learning, Inc. (the “Organization”) who are not classified by the Organization as independent contractors. Covered employees shall be eligible to participate in salary reduction contributions on their date of employment with the Organization. Participants are eligible to receive discretionary and matching contributions immediately. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- (b) Employee Contributions – Each year, participants may contribute up to 100% of pre-tax eligible compensation ("elective deferral"), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are subject to certain statutory limitations. Participants may also contribute amounts representing distributions from other eligible retirement plans. Participants direct the investment of the contributions into various investment options offered by the Plan.

Participants were automatically enrolled at a deferral rate of 2%, unless opted out or elected different percentage. The Plan was amended effective February 2023 to remove the automatic enrollment feature.

- (c) Employer 401(k) Matching Contribution – The Organization makes a matching contribution each payroll period for each employee who enters into a salary reduction agreement. The match was 100% up to the first 2% deferred during the years ended December 31, 2023 and 2022.
- (d) Employer Discretionary Contributions – The Organization may contribute a discretionary contribution for each employee as defined by the Plan, without regard to current or accumulated net profits of the Organization. The Organization has never made such a contribution.
- (e) Participant Accounts – Each participant’s account is credited with the participant’s contributions, the Organization’s matching contribution and allocation of (a) the Organization’s discretionary contribution, (b) Plan earnings (losses), and (c) administrative expenses. Allocations are based on participants’ eligible compensation or the value of the account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- (f) Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization’s contribution portion of the participant’s account is based on years of credited service. A participant is 100% vested in the Organization’s contribution after two years of credited service. An employee must complete 1,000 hours of service to receive credit for one year of service.
- (g) Payments of Benefits – On termination of service due to death, disability, or attainment of the normal retirement age of 65, a participant will become 100% vested in their account balance and will receive, depending on their marital status, a joint survivor or life annuity unless they elect to receive an alternative form of payment such as a single lump sum amount, installments over a period of not more than the participant's life expectancy (or the life expectancy of the participant and the participant's beneficiary), or a direct rollover to an eligible retirement plan.

Notes to Financial Statements

December 31, 2023 and 2022

DESCRIPTION OF THE PLAN (continued)

However, if a participant's vested benefit is less than \$5,000 and more than \$1,000, it will be automatically rolled over to an Individual Retirement Account or Annuity ("IRA").

If it does not exceed \$1,000, it will be distributed in a single lump sum. For termination of service due to reasons other than the above, the same benefit payment options apply.

Hardship withdrawals from a participant's vested contributions are also allowed.

- (h) Forfeited Accounts – Forfeitures represent amounts which could not be paid to terminated participants due to failure to meet vesting requirements. Forfeitures are used to reduce the Organization's contributions or used to pay plan expenses. Forfeitures used during 2023 and 2022 were \$163,045 and \$39,483, respectively. Forfeitures available at December 31, 2023 and 2022 were \$45,968 and \$34,634, respectively.
- (i) Notes Receivable – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest fixed at 2% above the USA Today published prime rate. Principal and interest are paid ratably through bi-weekly payroll deductions. In the event of a default, foreclosure on the promissory note and attachment of security will not occur until an event occurs that would allow or require a distribution of a participant's account balance. At that time, a deemed distribution will be declared in the amount of the outstanding loan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- (a) Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting.
- (b) Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- (c) Notes Receivable – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan Adoption Agreement.
- (d) Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- (e) Administrative Expenses – In general, all plan expenses, except certain record-keeping fees, are paid for by the Organization.
- (f) Benefit Payments – Benefits are recorded when paid.
- (g) Subsequent Events – The Plan has evaluated subsequent events through May 22, 2024 which is the date that the financial statements were available to be issued.

(3) PLAN AMENDMENT AND TERMINATION

Although it has not expressed any intention to do so, the Organization has the right under the Plan to discontinue contributions or terminate the Plan at any time, subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Additionally, the Organization may amend the Plan at any time without the consent of any participant or any beneficiary, provided that no amendment deprives any participant of the participant's non-forfeitable accrued benefit.

(4) TAX STATUS

The Plan is based on a prototype plan that received a favorable tax determination letter from the Internal Revenue Service ("IRS") dated June 30, 2020, indicating that the prototype plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"), and was, therefore, exempt from federal income taxes. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

(5) WITHDRAWING PARTICIPANTS

There were no participant distributions requested in 2023, but not paid until 2024.

(6) RELATED PARTY TRANSACTIONS

The Plan has a number of service providers. Such parties are considered parties-in-interest under ERISA.

(7) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2023 and 2022, the schedule of assets held for investment purposes as of December 31, 2023, and the related investment activity reflected in the statements of changes in net assets available for plan benefits for the years ended December 31, 2023 and 2022.

(8) FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued daily based on quoted prices in active market for identical assets.

Fixed Annuities: Valued daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Assets at Fair Value as of December 31, 2023</u>
