INDEPENDENT AUDITOR'S REPORT

To the Trustee and Participants of
Best Sanitizers, Inc. 401(k) P/S Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Best Sanitizers, Inc. 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Best Sanitizers, Inc. 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Best Sanitizers, Inc. 401(k) P/S Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Sanitizers, Inc. 401(k) P/S Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Best Sanitizers, Inc. 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Sanitizers, Inc. 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

General

The following description of Best Sanitizers, Inc. 401(k) P/S Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan, established on June 1, 2011, in accordance with the provisions of Internal Revenue Code (“IRC”) Section 401. The Plan was restated as of November 13, 2021 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan administrator is responsible for the oversight of the Plan. Plan management determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s owners.

Administration of the Plan

Best Sanitizers, Inc. (the “Company” or “Plan Administrator”) is responsible for providing the participants and their beneficiaries with information about their rights and benefits under the Plan.

Eligibility

All employees of the Company, other than nonresident aliens and union employees, are eligible to participate in the Plan. All eligible employees employed on or before June 1, 2011, shall become eligible to participate in the Plan as of the date of hire. Eligible employees must have worked for 3 consecutive months to be eligible for employer contributions and 1,000 of service hours in a year for employer contributions. Participants are eligible to enroll once they have reached their service requirement on the first day of each Plan quarter.

Contributions

Participants are allowed to make pre-tax and Roth contributions up to a percentage of their compensation up to the limitation contained in the IRC in effect for each taxable year. In 2022, participants were permitted to contribute up to a maximum of \$20,500 with an additional \$6,500 catch-up contribution for employees over 50 years old.

The Company has the option to contribute discretionary matching contributions and/or discretionary non-elective contributions. Participants must be employed on the last day of the Plan year to be eligible to receive discretionary non-elective contributions. The Company did not make any discretionary non-elective contributions during the year ended December 31, 2022.

Participant Accounts

Each participant directs participant and Company contributions, if any, to the investment options offered by the Plan. Each participant’s account is credited with the participant’s contribution, Company contributions, if any, and the Plan’s earnings (losses), participant withdrawals, and administration expenses, if applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Best Sanitizers, Inc. 401(k) P/S Plan
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

Participants are 100% vested in their voluntary contributions plus actual earnings thereon. Participants are 100% vested in their employer matching and discretionary contributions upon normal retirement age, disability, or death. Upon termination for any other reason, participants are entitled to a portion of their employer contributions in accordance with the following vesting schedule:

<u>Year of Service</u>	<u>Vested Percentage</u>
Less than 2 years	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Forfeitures

Non-vested amounts forfeited by participants are retained in the Plan and may be used to reduce future employer contributions. The balance of non-vested unallocated forfeitures as of December 31, 2022 and 2021 was \$35,940 and \$22,525, respectively.

Notes Receivable from Participants

Participants are allowed to borrow from their accounts an amount equal to no less than \$500 and no greater than \$50,000 or 50% of the participant's vested balance. The loans are secured by the balance in the participant's account. The loans bear interest at 5.25% per annum. Loans are repayable in substantially equal installments over a term of up to five years unless the purpose of the loan is to acquire a primary residence in which case the term may be up to 30 years. Participant loans are recorded at their unpaid principal balance plus accrued interest.

Payment of Benefits

In the event of retirement, disability, or termination of employment, participants may elect a lump-sum distribution equal to the value of the participant's vested balance. Participants may also request in-service distributions upon attaining age 59 ½, or due to certain hardships. The Plan will make a mandatory distribution following severance from employment if a participant's vested balance is less than \$1,000.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in compliance with the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

Payment of Benefits

Benefit payments are recorded when paid.

Best Sanitizers, Inc. 401(k) P/S Plan
Notes to Financial Statements
December 31, 2022 and 2021

Notes Receivable From Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for uncollectible balances is deemed necessary. Loans are considered in default if any missed payments are not repaid by the end of the calendar quarter following the calendar quarter in which the missed payment was due. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Investment Valuation and Income Recognition

Investments in registered investment companies are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 Fair Value Measurements for further disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis and dividends are recorded on the ex-dividend date. Realized gains and losses are calculated as the difference between the proceeds from sales and the related investment's fair market value at the beginning of the Plan year, or acquisition cost if acquired during the year. Unrealized appreciation and depreciation are calculated as the difference between the fair value of investments at the end of the year less their fair values at the beginning of the year, or acquisition cost, if acquired during the year. Capital gain distributions are included in dividend income. Certain investment related expenses are reflected in net appreciation and are not readily determinable.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through June 4, 2024, the date which the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred, other than the matter described below, which require adjustment to or disclosure in the financial statements.

Effective September 20, 2023, the directors of the Company approved and adopted the resolution to merge Plan assets with LPE/Best Sanitizers Inc 401(k) Plan, a pooled employer plan ("PEP"). As of September 30, 2023, \$3,380,827 were transferred to the PEP.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by Capital Bank and Trust Company, the Plan custodian, except for comparing such information with the information reported in the financial statements. Based on the information provided and certified by the custodian, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021. Accordingly, the custodian of the Plan assets has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, as well as the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022.
- Net depreciation in fair value of investments, dividend income and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described below:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021:

Registered Investments Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements
December 31, 2022 and 2021

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 3,096,925</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,096,925</u>

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 3,697,815</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,697,815</u>

5. PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivables from participants are managed by Capital Bank and Trust Company, the Plan custodian and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$1,860 for the year ended December 31, 2022 and are included in administrative expense. Investment transaction and other fees incurred by the custodian is absorbed in investment income and are not readily determinable.

6. TAX STATUS

The Plan adopted a prototype profit sharing 401(k) plan which obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Furthermore, no provision for income taxes has been included in the Plan's financial statements.

Accounting standards require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the DOL. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties for the periods presented in these financial statements.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all employer contributions.

8. RISKS AND UNCERTAINTIES

The Plan provides participants with various investment options. All investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PROHIBITED TRANSACTIONS

During 2022, the Company inadvertently failed to deposit \$10,191 of participant deferrals and \$53 of participant loan repayments within the required timeframe as stated by the United States Department of Labor. The DOL considers late deposits to be prohibited transactions. The Plan sponsor contributed the lost earnings on the 2022 late contributions in accordance with the DOL's Voluntary Correction Program to the Pooled Employer Plan in 2023.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statement as of December 31, 2022 and 2021, to Form 5500:
