Independent Auditors' Report

Trustees and Management
Child-Parent Centers, Inc. Retirement Plan
Tucson, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Child-Parent Centers, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended August 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Child-Parent Centers, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 31, 2023 and 2022 and for the year ended August 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Child-Parent Centers, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Child-Parent Centers, Inc. Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Child-Parent Centers, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Child-Parent Centers, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of August 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Child-Parent Centers, Inc. Retirement Plan

Notes to Financial Statements

Year Ended August 31, 2023

1. Description of plan:

The following description of the Child-Parent Centers, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan was established in September 1988, and has been amended several times since that date.

General:

The sponsor of the Plan is Child-Parent Centers Inc. (Sponsor). The Plan is a defined contribution retirement plan with 401(k) provisions consisting of a salary reduction arrangement. The Plan covers all employees of the Sponsor who have completed 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant contributions:

Participants may elect to defer up to 90% of their pretax compensation, subject to current statutory limits determined annually and prescribed by the Internal Revenue Service (IRS). Upon satisfying eligibility requirements, participants who do not affirmatively elect otherwise are automatically enrolled at a rate of 1%.

Employer contributions:

Employer contributions are at the Sponsor's discretion. The discretionary nonelective contribution is allocated to all eligible participants, as defined, based on the participant's pro-rata share of total compensation. Employer contributions are invested in the same funds and increments as directed by the participants for the participant's contributions. During 2023, the Sponsor elected to make a discretionary nonelective contribution equal to 11.97% of eligible compensation.

Participants' accounts:

Each participant's account is credited with the participant's elective deferral, allocations of the employer's contributions, actual earnings thereon, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their elective deferral and discretionary nonelective contributions, plus actual earnings thereon.

Investment options:

Upon enrollment in the Plan, a participant may direct contributions in any increment into any of several investment options. Participants may change their investment options at any time.

1. Description of plan (continued):

Payments of benefits:

On termination of service due to death, disability, retirement or other reasons, a participant whose vested account balance exceeds \$5,000 may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his/her account, or installments under a systematic withdrawal plan. Participants with account balances less than \$5,000 must take a lump sum distribution as soon as practicable following termination. The Plan requires distributions under the Plan of greater than \$1,000 be automatically rolled over to an IRA established on behalf of participants who do not affirmatively consent to receive their distribution.

Hardship withdrawals:

If approved by the Plan Administrator, a participant may withdraw their elective deferral account balance to satisfy any of the following immediate and heavy financial needs: unreimbursed medical expenses for qualified persons, purchase of a principal residence, to prevent eviction from or foreclosure on a principal residence, to pay for post-secondary education expenses for qualified persons, burial and funeral expenses for deceased family members or expenses that qualify as a casualty deduction under the Internal Revenue Code (IRC).

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net appreciation in fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Child-Parent Centers, Inc. Retirement Plan

Notes to Financial Statements (continued)

Year Ended August 31, 2023

2. Summary of significant accounting policies (continued):

Payments of benefits:

Benefits paid to participants are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid for by the Sponsor. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:

Management has evaluated the events that have occurred subsequent to August 31, 2023 through May 30, 2024, the date that the financial statements were available to be issued. Management has no responsibility to update these financial statements for events and circumstances occurring after this date.

3. Federal income tax status:

The Sponsor has adopted a prototype non-standardized profit sharing plan published by Great-West Trust Company, LLC who obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. The Plan Administrator and the Sponsor believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Child-Parent Centers, Inc. Retirement Plan

Notes to Financial Statements (continued)

Year Ended August 31, 2023

4. Fair value measurements (continued):

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets or active markets that the Plan does not have access to;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

At August 31, 2023, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments in the fair value hierarchy:				
Registered investment companies	\$ 33,232,347	\$ 33,232,347	\$ -	\$ -

Child-Parent Centers, Inc. Retirement Plan

Notes to Financial Statements (continued)

Year Ended August 31, 2023

4. Fair value measurements (continued):

At August 31, 2022, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments in the fair value hierarchy:				
Registered investment companies	\$ 29,172,265	\$ 29,172,265	\$ -	\$ -
Investments measured at net asset value ^(a) :				
Common/collective trust	<u>286,781</u>	<u>-</u>	<u>-</u>	<u>-</u>
	<u>\$ 29,459,046</u>	<u>\$ 29,172,265</u>	<u>\$ -</u>	<u>\$ -</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The assets in the preceding tables were measured primarily using the market approach. The following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies: Valued at the closing price reported in the active market in which the individual securities are traded.

Common/collective trust: The Plan held an investment in the Putnam Stable Value Fund. The fund is valued at the net asset value of units of the trust. The net asset value is used as a practical expedient to estimate fair value. The net asset value of the fund's shares is determined daily and includes adjustments for investment fees. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months written notification in order to ensure that securities liquidations will be carried out in an orderly business manner and could result in the investments being placed into an investment only account for up to 12 months; however, such withdrawals may occur before the expiration of the 12 month period. The Plan may redeem units at any time at that day's unit value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Fair value measurements (continued):

Investments measured using the NAV per share practical expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of August 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>August 31, 2023</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Putnam Stable Value Fund	\$ 426,821	\$ -	Daily	12 months
<u>August 31, 2022</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Putnam Stable Value Fund	\$ 286,781	\$ -	Daily	12 months

5. Investments:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at August 31, 2023 and 2022, net appreciation in fair value of investments and dividends for the year ended August 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Empower Trust Company, LLC (formerly Great-West Trust Company, LLC).

6. Related party and party in interest transactions:

Exempt party in interest transactions:

Certain Plan investments are managed by Empower Retirement, LLC, the recordkeeper of the Plan. The Plan paid certain expenses to Empower Retirement, LLC and other service providers during 2023 related to the plan administration and investment activity. These transactions qualify as exempt party in interest transactions under ERISA.

Related party transactions:

Expenses that are paid directly by the Sponsor are excluded from these financial statements. Employees of the Sponsor perform certain accounting and administrative functions for the Plan, however, no employee receives compensation from the Plan.

Child-Parent Centers, Inc. Retirement Plan

Notes to Financial Statements (continued)

Year Ended August 31, 2023

6. Related party and party in interest transactions (continued):

Revenue sharing program:

The Plan provides for a revenue credit account funded by Empower Trust Company, LLC, who will contribute approximately 0.18% of average net assets available for benefits. The account is funded quarterly and can be used to offset administrative expenses of the Plan. Any amounts funded for the Plan year in excess of expenses will be used in the following plan year. For the year ended August 31, 2023, \$56,227 was used to offset administrative expenses.

7. Plan termination:

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

8. Risks and uncertainties:

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at August 31, 2023:

Net assets available for benefits per the financial statements	\$ 36,512,086
Less: Employer contributions receivable	<u>(2,852,918)</u>
Net assets available for benefits per the Form 5500	<u>\$ 33,659,168</u>

The following is a reconciliation of employer contributions per the financial statements to Form 5500 for the year ended August 31, 2023:

Employer contributions per the financial statements	\$ 2,852,918
Less: Current year employer contributions receivable	<u>(2,852,918)</u>
Employer contributions per Form 5500	<u>\$ -</u>
