INDEPENDENT AUDITOR'S REPORT

April 19, 2024

Gateway Printing & Office Supply 401(k) P/S Plan
San Antonio, Texas

Opinion

We have audited the accompanying financial statements of Gateway Printing & Office Supply 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the seven months then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2022 (ongoing), and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of Gateway Printing & Office Supply 401(k) P/S Plan as of July 31, 2023 (in liquidation) and December 31, 2022 (ongoing), and the changes in its net assets available for benefits for the seven months ended July 31, 2023 (in liquidation), in accordance with accounting principles accepted in the United States of America.

Management has obtained certifications from a qualified institution as of July 31, 2023 and December 31, 2022, and for the seven months ended July 31, 2023 and the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gateway Printing & Office Supply 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 7 to the financial statements, the governing body of Gateway Printing & Office Supply 401(k) P/S Plan approved a plan of liquidation on January 30, 2023, and management distributed all of the plan assets as of July 25, 2023. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gateway Printing & Office Supply 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules as listed in the accompanying index as of or for the seven months ended July 31, 2023 and the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

NOTES TO FINANCIAL STATEMENTS

JULY 31, 2023 AND DECEMBER 31, 2022

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Gateway Printing & Office Supply, Inc. (the “Company”) Profit-Sharing Plan (the “Plan”) have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) as applied to employee retirement plans and in accordance with the terms of the trust agreement. The Plan is designed to hold and invest Plan assets for retirement benefits of the Plan Participants.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with GAAP.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Investment related expenses paid through revenue sharing arrangements are included in Investment Income.

Investment Valuation and Income Recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan’s trustee determines the Plan’s valuation policies utilizing information provided by the investment advisors, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments include the Plan’s gains and losses on investments bought and sold as well as held during the year.

Gains and losses on the sale of investments in registered investment company funds are computed using the weighted average cost method.

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continuation)

Payment of Benefits

Benefits are paid upon termination, retirement, or request. Normal retirement age under the Plan is fifty-nine and a half. Benefits are normally paid in a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants may withdraw money for financial hardship if they satisfy certain conditions.

Date of Management's Review

The Plan has evaluated subsequent events through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Note 2 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Gateway Printing & Office Supply and its affiliates who have attained the age of 21 and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides for discretionary matching and profit-sharing contributions. During the years ended July 31, 2023 and December 31, 2022, the employer did not make a contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Note 2 – DESCRIPTION OF PLAN – (Continuation)

Payment of Benefits

On termination of service due to death, disability or retirement, or other reasons, the funds will remain in the Plan until the participant elects to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. Distributions will be made as soon as administratively feasible following the termination of service. At July 31, 2023 and December 31, 2022 all balances are fully vested.

Forfeited Accounts

Forfeitures are applied to offset administrative expenses of the Plan. If forfeitures exceed these expenses, they are applied to reduce the employer’s discretionary matching contribution to the Plan. At July 31, 2023 and December 31, 2022 the balance was \$0.

Note 3 – INFORMATION CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Trustee, Fidelity:

Note 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Note 4 – FAIR VALUE MEASUREMENTS (Continuation)

Level 3 inputs to the valuation methodology are inputs that are unobservable and significant to the fair value measurement.

Valuation Methodology

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

The fair value of the money market and mutual funds is based on quoted net asset values of the shares held by the Plan at the end of the year. There have been no changes in the methodologies used at July 31, 2023 and December 31, 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan’s assets at fair value by level within the fair value hierarchy at July 31, 2023 and December 31, 2022:

| | FAIR VALUE MEASUREMENTS USING QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1) | |
|-------------------------------------|---|----------------------|
| | JULY 31, 2023 | DECEMBER 31, 2022 |
| | <u> </u> | <u> </u> |
| Money Market Funds | -- | 239,518 |
| Mutual Funds | -- | 1,849,680 |
| | <u> </u> | <u> </u> |
| TOTAL INVESTMENTS, AT FAIR VALUE | -- | 2,089,198 |
| | <u> </u> | <u> </u> |

Note 5 – INVESTMENT PROGRAMS

All investments of the Plan are participant-directed. The Plan sponsors three basic investment alternatives (Bond-based mutual funds, Equity-based mutual funds, and Balanced mutual funds) from which participants can make investment directives. Each of the investment alternatives offers several mutual funds from which the trustee is authorized to execute investment transactions on behalf of the participants. Participants are allowed to change their investment elections quarterly.

Note 6 – TRANSACTIONS WITH RELATED PARTIES AND PARTIES-IN-INTEREST

Certain plan investments are shares of a mutual fund managed by a subsidiary of Fidelity Workplace Services, LLC. Fidelity Workplace Services LLC used Fidelity Management Trust Company as custodial trustee and record keepers, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in investment income, as they are paid through revenue sharing rather than direct payment. Fidelity Management Trust Company is the custodial trustee for the Plan and therefore qualifies as a related party. Fees paid by the Plan during the years ended July 31, 2023 and December 31, 2022 of \$386 and \$474, respectively.

Note 7 – PLAN TERMINATION

On January 30, 2023, Gateway, the Plan Sponsor was purchased by Office Depot Products. As a result of the acquisition the Plan was terminated. All Participant accounts became 100% vested as of the date of termination. All assets were dispersed to Participants by July 25, 2023.

Note 8 – TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Plan continues to qualify and to operate as designated and, accordingly, the Plan's net investment income is exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's evaluation was performed for the tax periods ended December 31, 2021 and through July 31, 2023, the tax years which principally remain subject to examination by major tax jurisdictions as of July 31, 2023.

Note 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
