Independent Auditor's Report

Plan Administrator and Plan Management
The Retirement and Savings Plan
Santa Fe Springs, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Retirement and Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Retirement and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be

independent of The Retirement and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Retirement and Saving Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of The Retirement and Savings Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator. The effective date of the Plan is December 1, 2015.

General

The Plan is a defined-contribution plan sponsored by Ralco Holdings, Inc. The Plan is for the benefit of all employees who have 90 days of service. Related employers who participate in the Plan is Ed Tucker Distributor, Inc. (Tucker Rocky including DFR Acquisition, LLC, effective February 1, 2020); Motorsport Aftermarket Group, Inc. and its subsidiaries Kuryakyn Holdings, LLC; Mustang Motorcycle Products, LLC; Performance Machine, LLC, and V & H Performance, LLC dba Vance & Hines. Collectively, these participating employers are referred to as the Companies. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). John Hancock Trust Company, LLC (John Hancock) is the trustee of the Plan.

During 2016, the MAG Retail and Media Group 401(k) Retirement Savings Plan, the MAG, Inc. 401(k) Plan, the Kuryakyn Holding, LLC 401(k) Plan, the Performance Machine, LLC 401(k) Profit-Sharing Plan, the Mustang Motorcycle Products, LLC 401(k) Profit-Sharing Plan, and the Vance & Hines 401(k) Plan merged into the Plan, collectively known as the "MAG plans".

During March 2022, Mustang Motorcycle Products, LLC was sold and these employees are no longer participants of the Plan and is no longer a participating employer effective March 31, 2022. During June 2022, \$2,728,906 transferred out to the Mustang Motorcycle Products, LLC 401(k) Plan.

During 2022 Kuryakyn Holdings, LLC became a subsidiary of Ed Tucker Distributor, Inc.

Contributions

All new employees must wait 90 days before they become eligible to participate in the Plan. However, such employees are not eligible for employer discretionary contributions until they have completed at least 1,000 hours of service and are also employed on the last day of the Plan year.

Participants can elect to contribute up to 75% of compensation as pre-tax or Roth contributions and up to 18% of their post-tax eligible compensation. Participant rollover contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan is a safe harbor plan. Participants receive 100% of their voluntary contributions on the first 3% of eligible compensation and 50% of their voluntary contributions on the next 2% of eligible compensation.

Companies' profit-sharing contributions are discretionary as determined by the Companies' Board of Directors. Contributions are subject to certain federal limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his contributions as well as the Companies' contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Companies' contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and Companies' safe harbor matching contributions plus earnings thereon. Vesting in the Companies' discretionary contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after five years of continuous service, retirement age, death, or total permanent disability.

Companies' matching contributions, and Companies' profit-sharing contributions included in the Plan as a result of the merger of the MAG plans, as described in Note 1, are 100% vested after six years of continuous service.

The nonvested balance is forfeited upon termination of service. Forfeitures are used to reduce the Companies' contributions or pay administrative expenses.

Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his account or defer payment if the balance is greater than \$5,000. In-service withdrawals are also available under certain circumstances provided by the Plan.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$32,191 and \$30,652, respectively. There were no forfeitures used to offset employer contributions during 2022. During 2021, forfeitures were used to offset employer contributions of \$26,767. There were no forfeitures used to pay Plan administrative expenses during 2022 and 2021.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. Only two loans may be outstanding at any time and only one loan can be applied for in a Plan year. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is prime rate plus 1%.

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as benefit payments based upon the terms of the Plan Document.

Plan Termination

Although it has not expressed an intention to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end.

Prior to December 10, 2021, the Plan's interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end. The investment objective is long-term return in excess of the S&P MidCap 400 Index by investing principally in Wellington Trust CIF II Mid Cap Opportunities Portfolio. There are no restrictions and redemptions are allowed daily.

Effective December 10, 2021, the Plan's interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end. The investment objective is invest the portfolio in common stocks of mid cap companies that offer above-average growth potential by investing principally in the Ivy Mid Cap Growth CIT Class C Fund. There are no restrictions and redemptions are allowed daily.

The New York Life Insurance Company Anchor Account IV is valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses. The objective of this fund is to provide investors stable returns and competitive rates over the long term. Redemption is at the discretion of the participants.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

The Plan operates under a non-standardized adoption agreement in connection with a prototype profit-sharing plan and trust/custodial document sponsored by John Hancock Retirement Plan Services, LLC. This prototype plan document has been filed with the appropriate agency. The Plan had obtained an individual determination letter on March 8, 2017. The Plan was amended subsequent to the date of the determination letter, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Companies or the Plan, at the Companies' discretion. The Plan receives service credits from John Hancock, which are used to pay the majority of administrative and professional fees of the Plan. Service credits received were \$2224,615 and \$254,783 during 2022 and 2021, respectively. Service credits were used to offset expenses. At December 31, 2022 and 2021, there were credits available for use of \$72,995 and \$63,834. Participant fee expense represents loan fees which are paid by the participant, as applicable.

Note 3. Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2022 and 2021
- Investment (loss) income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Disclosures About Fair Value of Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

The Retirement and Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. The Plan holds no Level 2 securities. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. The Plan holds no Level 3 securities.

The Retirement and Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021:

2022				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 57,162,992	\$ 57,162,992	\$ -	\$ -
Total assets in the fair value hierarchy	57,162,992	<u>\$ 57,162,992</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>3,022,513</u>			
Investments at fair value	<u>\$ 60,185,505</u>			

2021				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 77,878,570	\$ 77,878,570	\$ -	\$ -
Total assets in the fair value hierarchy	77,878,570	<u>\$ 77,878,570</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>4,718,194</u>			
Investments at fair value	<u>\$ 82,596,764</u>			

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 5. Contract With Insurance Company

The Plan entered into a fully benefit-responsive investment contract with John Hancock, a New Hampshire Trust company. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal that is guaranteed to the Plan. John Hancock also guarantees the interest rate to be no less than 0%.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures of spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the *Employee Retirement Income Security Act of 1974*.

The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. All is a traditional investment contract.

Note 6. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan invests in certain funds managed by the Plan trustee or custodian. The Plan paid investment advisor fees to Sageview Advisory Group of \$60,000 during 2022 and 2021, respectively. The Plan and participants paid \$149,843 and \$174,075 of administrative, professional and loan fees to John Hancock during 2022 and 2021, respectively. The Plan paid other professional fees of \$15,600 and \$24,960 during 2022 and 2021.

Fee amounts above are net of service credits received of \$224,615 and \$254,783 during 2022 and 2021, respectively.

The Company provides certain administrative services at no cost to the Plan.

Note 7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	<u>2022</u>	<u>2021</u>

Less: participant contributions receivable at end of year	<u>(30,438)</u>	<u>(6,672)</u>
Participant contributions per Form 5500	<u><u>\$ 2,033,825</u></u>	<u><u>\$ 2,695,248</u></u>

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Nonexempt Transactions

Defined-contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions and loan repayments to the Plan, contributions of \$2,740 and loan repayments of \$482 were not remitted within the required time period for the year ended December 31, 2020 but were remitted during 2021.

Note 10. Subsequent Events

During October 2023, Ed Tucker Distributor, Inc. was sold and those employees terminated in November 2023 and their accounts will be distributed out of the Plan as requested by the participant. This sale will create a partial plan termination of the Plan because this participating employer accounted for greater than 20% of the Plan's eligible workforce..

Subsequent events have been evaluated through May 17, 2024, which is the date the financial statements were available to be issued.
