## **Report of Independent Auditors**

The Investment Committee and Plan Administrator

The Neiman Marcus Group LLC Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of The Neiman Marcus Group LLC Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter**

#### *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2022, (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule,

other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**THE NEIMAN MARCUS GROUP LLC RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1. DESCRIPTION OF THE PLAN**

The following brief description of The Neiman Marcus Group LLC Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan.

**General**

The Plan is a defined-contribution plan established on January 1, 2008 for eligible employees of The Neiman Marcus Group LLC and each of its designated affiliates (collectively, the "Company"). Participation in the Plan permits eligible employees to defer a portion of their pretax compensation in order to promote savings on a tax-favored basis and to benefit from a matching Company contribution. A participant is also allowed to contribute after-tax dollars ("Roth contributions") to the participant's account. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The trustee of the Plan is Fidelity Management Trust Company (the "Trustee"), and the recordkeeper of the Plan is Fidelity Workplace Services LLC.

The Plan is administered by the Investment Committee (the "Committee"), which is currently composed of members of Company management who act in certain matters relating to the administration of the Plan.

**Eligibility**

An employee who is at least 21 years of age and is classified by the Company as either a full-time or part-time associate scheduled to work at least thirty hours each week is eligible to become a participant in the Plan immediately upon date of hire. Such employee is eligible to receive Company-matched contributions upon reaching six months of service.

A temporary or part-time employee scheduled to work less than thirty hours each week is eligible to become a participant in the Plan upon reaching 21 years of age and achieving one year of continuous employment from the date of hire, defined as completing at least 1,000 hours of service within the year. Such employee is eligible to receive Company-matched contributions upon participation in the Plan.

**Contributions**

Each participant can elect to defer from 2% to 50% of his or her eligible pay in each pay period subject to an annual limitation of \$20,500 for combined pretax and Roth contributions for the year ended December 31, 2022. Participants who attain age 50 before the close of each plan year become eligible to make catch-up salary deferral contributions in accordance with and limited by the Internal Revenue Code (the "Code"). The total deferral, including catch-up contributions, could therefore be up to 75% of eligible pay for individuals eligible to make catch-up contributions. The Company matches an amount equal to 100% of the first 3% of eligible pay and 50% of the next 3% of eligible pay. Participant catch-up contributions are not matched by the Company.

**Investment Options**

Participants can direct the investments of both their pretax and Roth contributions and the Company matching contribution to the mutual funds and common/collective trust options offered by the Plan. The Committee establishes and modifies the investment options available to participants.

**THE NEIMAN MARCUS GROUP LLC RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**Vesting**

The entire amount of each participant's interest in his or her employee contribution account shall at all times be fully vested and nonforfeitable. The Company-matched contribution is subject to the following vesting schedule:

| <u>Years of Service</u> | <u>Vested</u> |
|-------------------------|---------------|
| Less than 2             | 0%            |
| 2 or more               | 100%          |

Additionally, the Company-matched contributions become fully vested at (a) the date the participant attains the normal retirement age of 65, (b) the date of the participant's death or disability while employed by the Company, or (c) the discontinuance or termination of the Plan.

**Benefits**

The Plan provides for distributions in the event of retirement, death, disability, termination of employment, or attainment of age 59 1/2. In addition, under certain circumstances, withdrawals are permitted in the event of hardship as defined in the Plan document. Effective with the 2020 plan year, required minimum distributions commence at age 72. Effective January 1, 2023, required minimum distributions commence at age 73.

**Notes Receivable from Participants**

Participants may borrow an amount up to 50% of their vested account balances, not to exceed \$50,000. Notes bear interest at a fixed rate of prime plus 1% at inception of the note and are repayable through equal payroll deductions of principal and interest over the life of the note, ranging from one to five years. This time may be extended if the note is for the purchase of a principal residence or related to repayments under the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). Any unpaid note balance is withheld from the distribution of a participant's account balance upon the participant's withdrawal from the Plan.

**Forfeitures**

Forfeitures are used to reduce future Company contributions. At December 31, 2022 and 2021, forfeitures of \$195,086 and \$521,713, respectively, were available to reduce future Company contributions.

**Administrative Expenses**

The Plan pays for management fees associated with its investments, which are recorded by the Trustee as a decrease to the net investment income. Certain other expenses are borne by the Company. For the year ended December 31, 2022, Plan expenses paid by the Company were approximately \$223,175.

**Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, all amounts that have been allocated to participants in accordance with the Plan become fully vested and are to be distributed. If the Company is dissolved, the Plan will terminate as of the date of dissolution.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results may differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Committee deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

**Valuation of Investments**

The Plan's investments are stated at fair value. Pursuant to fair value measurement and disclosure requirements of generally accepted accounting principles, fair value is defined as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. Assets and liabilities are classified using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value as follows:

- Level 1 – Unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 – Observable market-based inputs or unobservable inputs corroborated by market data.
- Level 3 – Unobservable inputs reflecting management's estimates and assumptions.

Investments in mutual funds are valued based on published market prices at year-end (Level 1 determination of fair value).

Investments in common/collective trusts are valued based on net asset values on the last business day of the Plan's year end as determined by the sponsors of such trusts.

Plan investments are overseen by the Investment Committee which is responsible for approving the Plan's investment policy statement and analyzing information provided by the investment custodians. The Investment Committee meets on a quarterly basis and is currently comprised of members of Company management. The Investment Committee reports to the Audit Committee of the Company.

The investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**THE NEIMAN MARCUS GROUP LLC RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy tables. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.
- (b) Lifecycle funds are target date allocation funds that hold a mix of broad-market stock and bond index funds designed for participants who expect to retire in or close to the target year stated in the fund's name. Over time, the mix of the funds will gradually shift to become more conservative as the target year approaches. Participant-directed redemptions have no restrictions.
- (c) This category includes a common/collective trust fund that holds equity securities of small and medium capitalization companies and seeks long-term capital appreciation by investing in companies where growth is robust, sustainable, and not fully recognized by the market. Participant-directed redemptions have no restrictions.
- (d) This category includes common/collective trusts that seek capital appreciation. These funds are primarily invested in common stocks of domestic and foreign issuers with the potential for above-average growth. Participant-directed redemptions have no restrictions.
- (e) This category includes a common/collective trust fund that is designed to deliver safety and stability by preserving principal and accumulating earnings. This fund is primarily invested in guaranteed investment contracts and synthetic investment contracts. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.
- (f) This category includes collective investment trusts that seek investment results that correspond generally to the price and yield performance, before fees and expenses, of a particular index. These funds are primarily invested in portfolios of debt or international equity securities. Participant-directed redemptions have no restrictions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Benefits to Participants**

Benefit payments to participants are recorded when paid.

**NOTE 3. INVESTMENTS**

All investment information disclosed in the accompanying financial statements, notes and the supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, interest income on notes receivable from participants, net appreciation (depreciation) on the fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained and derived from information supplied to the Plan and certified as complete and accurate by the Trustee.

**NOTE 4. INCOME TAX STATUS**

The Plan has received a determination letter from the Internal Revenue Service ("IRS") dated March 4, 2016, stating that the Plan is qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. Subsequent to receiving this determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

**THE NEIMAN MARCUS GROUP LLC RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Committee has analyzed the tax positions taken by the Plan, and has concluded there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTION**

Certain of the Plan's investments in the mutual funds and common/collective trusts are managed by the Trustee; therefore, these transactions with the Trustee qualify as party-in-interest transactions. All of these transactions are exempt from the prohibited transaction rules under ERISA.

**NOTE 6. SUBSEQUENT EVENTS**

On March 22, 2023, the Plan added a self-directed brokerage window as an available investment option to participants. Through the self-directed brokerage window, participants may elect to invest in a variety of eligible registered mutual funds or other investments beyond the direct investment options established by the Committee. Fees incurred in connection with the self-directed brokerage window are charged directly to the participant and are not borne by the Plan. Participants may elect to invest up to 95% of their balance in the Plan through the self-directed brokerage window.

Plan management has evaluated subsequent events through May 15, 2023, the date the financial statements were available to be issued.
