## Independent Auditor's Report

### **Community Day School Retirement Savings Plan**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements**

We have performed the audit of the accompanying financial statements of the Community Day School Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of August 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended August 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Other Matters

### *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule of Assets (Held at End of Year) as of August 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# COMMUNITY DAY SCHOOL RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEAR ENDED AUGUST 31, 2023

---

### 1. Plan Description

Community Day School (School), a non-profit organization, occupies a unique position in Pittsburgh's educational landscape as Western Pennsylvania's only coed, independent Jewish day school serving students in preschool through eighth grade. At the School, children from a wide range of Jewish backgrounds come together to access world-class secular education while developing a meaningful connection to and understanding to Judaism.

Effective January 1, 1963, the Community Day School Retirement Savings Plan (Plan) was established for providing the employees of the School with a retirement savings program. The accompanying financial statements include only the activity and financial position of the Plan and are not intended to reflect the School as a whole.

This is the initial set of audited financial statements for the Plan (as of and for the year ended August 31, 2023).

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution retirement plan under Section 403(b) of the Internal Revenue Code (Code) covering all eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Eligibility and Contributions

The Plan allows for employer non-elective basic contributions. Employees become eligible for employer contributions upon attaining age of 19 and one year of service in which an employee completes at least 1,000 hours of service. Any teacher who is hired to work as a less than a 60% employee according to the teacher's offer letter or salary letter is not eligible to receive employer contributions. In 2023, the employer made contributions of 4% of a participant's eligible compensation.

# COMMUNITY DAY SCHOOL RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEAR ENDED AUGUST 31, 2023

---

Subsequent to year end, the Plan was amended effective January 1, 2024 to allow pre-tax elective deferrals by eligible employees. Additionally, the amendment revised the eligibility to no longer exclude the 60% employee teachers.

All employees that meet the eligibility requirements are notified a month prior to becoming eligible with information to enroll in the Plan. An employee is required to enroll online in order to participate in the plan.

Rollover contributions were not permitted by the Plan through the plan year ended August 31, 2023. The School amended the Plan effective January 1, 2024 to allow rollover contributions into the Plan.

### Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions in any of the investment options provided under the Plan.

### Participant Accounts

Individual accounts are maintained for each Plan participant, and they are credited with the School's contributions and the net investment income attributable to the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

### Vesting

Participants are immediately vested in all contributions and earnings of the Plan.

### Withdrawals and Payment of Benefits

A participant may elect to receive retirement benefits after there has been a severance from employment. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. Normal retirement age for the Plan is 65 years of age.

## NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEAR ENDED AUGUST 31, 2023

---

### Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to amend, otherwise modify, or terminate the Plan or to discontinue any further contributions or payments by resolutions of its Board of Directors. In the event of termination of the Plan or complete discontinuance of the Plan contributions, the School will notify all participants of the termination, and participants will remain fully vested in their individual account balances.

## **2. Summary of Significant Accounting Policies**

### Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

# COMMUNITY DAY SCHOOL RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEAR ENDED AUGUST 31, 2023

---

### Payment of Benefits

Benefits are recorded when paid by the Plan. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of August 31, 2023.

### Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the School and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

### Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

## **3. Income Tax Status**

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The Plan administrator believes that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain tax-exempt status for Plan participants under Section 403(b). The Plan annually files a Form 5500.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of August 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan.

## NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEAR ENDED AUGUST 31, 2023

### 4. Related Party and Party-in-Interest Transactions

Investments held by the Plan are held and managed by TIAA and CREF for the year ended August 31, 2023. TIAA and CREF are the custodians as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees for investment management services incurred by the Plan are included in net appreciation in fair value of the investment rather than a direct payment.

### 5. Information Certified by the Plan's Custodians

Certain information related to investments and notes receivable disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at August 31, 2023, and net (depreciation) appreciation in fair value of investments and dividends and interest for the year ended August 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA and CREF, the custodians of the Plan.

### 6. Fair Value Measurement

Fair values for Level 1 investments are determined by reference to quoted market prices and other relevant information generated by market transactions. Fair values for Level 2 investments are determined by reference to quoted prices for similar investments in active markets. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all. Fair values for Level 3 investments are determined by significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value:

#### TIAA and CREF

The CREF accounts and the pooled separate accounts are valued at net asset value per share as determined by investment managers under the so-called "practical expedient."

# **COMMUNITY DAY SCHOOL RETIREMENT SAVINGS PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**FOR THE PLAN YEAR ENDED AUGUST 31, 2023**

---

The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using the method are met.

The CREF accounts' objective is to provide a wide range of investment alternatives and each account has its own individual investment objective, policies, and special risks. Each of the accounts will provide its participants with at least 60 days' prior notice before making changes to its investment strategy. The accounts invest principally in equity securities, fixed-income instruments, and short-term investments. Account investments are valued at fair value, which is primarily derived from the market quotations or prices, obtained from independent pricing sources, of the underlying equity, fixed income, and short-term investments. Each account determines its unit value on a daily basis. In an effort to reduce market timing and excessive trading, shareholders are not permitted to make electronic transfers back into a specific account through a purchase or exchange for 90 calendar days, if a purchase or sale within that same account was made within a sixty-day period. There were no unfunded commitments as of August 31, 2023.

The TIAA Real Estate Account is a pooled separate account. Interest in the pooled separate account, which funds variable annuity contracts issued by TIAA, is valued at fair value, which is principally derived from the market value, as determined using external appraisals of the underlying real estate holdings and real estate related investments. Unit values are calculated on a daily basis. Transactions out of the account are limited to one per calendar quarter. There were no unfunded commitments as of August 31, 2023.

The TIAA Access Annuity is a variable annuity product that is funded through a pooled separate account. This pooled separate account invests in proprietary and nonproprietary mutual funds through various subaccounts. Subaccount unit values are calculated daily. The underlying investments are generally valued using market quotations obtained from independent pricing services. There were no unfunded commitments as of August 31, 2023.

The TIAA Traditional non-benefit-responsive investment contract is valued at fair value, which approximates the amount that would have been paid if the contract had been terminated as of the last day of the reporting period and represents accumulated cash contributions made under the contract, plus earnings, less withdrawals, and administrative expense.

## **7. Investment Contract with Insurance Company**

The TIAA Traditional Annuity is composed of fixed annuity contracts that are fully and unconditionally guaranteed by TIAA. The TIAA Traditional Annuity guarantees principal and a minimum interest rate, plus the opportunity for additional amounts in excess of the guaranteed rate. These additional amounts, when declared by the TIAA Board of Trustees, remain in effect for the “declaration year.” The declaration year begins each March 1. Interest credited to TIAA Traditional Annuity accumulations includes a guaranteed rate, plus additional amounts that are established on a year-by-year basis. The guaranteed annual interest rate is 3% for all premiums remitted since 1979. When a participant’s account in the TIAA Traditional Annuity is annuitized based on available options, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the Plan and does not represent an obligation of the Plan.

The TIAA Traditional Annuity is composed of non-fully benefit-responsive contracts and is included in the financial statements at fair value. The non-fully benefit-responsive contract does not allow lump-sum cash withdrawals from the TIAA Traditional Annuity and transfers must be spread over a period of ten annual installments. The fair value of the non-benefit-responsive investment contract at August 31, 2023 was \$918,026. The effective annual yield and crediting interest rate for the year ended August 31, 2023 was approximately 4.56%. Interest is compounded daily and is periodically adjusted by TIAA; however, the interest rate may not be less than 3.0%.

TIAA and CREF is responsible for maintaining the balances due to each of the eligible participants in the Plan. The net assets available for benefits include assets available to

### **8. Risks and Uncertainties**

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

### **9. Change in Recognition of Plan Participants**

Prior to the plan year ended August 31, 2023, plan management elected to exclude in its participant counts on the Form 5500 any inactive participants with annuity contracts issued prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin (FAB) No. 2009-02. Effective with the 2022 Form 5500 for the plan year ended August 31, 2023, these previously excluded participants are now included in the participant counts and their corresponding account activity and account balances, consistent with the Form 5500, are included in the financial statements presented (at, and for the year ending, August 31, 2023 and at August 31, 2022).
