Together with Independent Auditors' Report**

**For the Years Ended December 31, 2022 and 2021**

## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the WorldVu Development LLC 401(k) Savings Plan and its Participants:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of the WorldVu Development LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the WorldVu Development LLC 401(k) Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the WorldVu Development LLC 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WorldVu Development LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WorldVu Development LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WorldVu Development LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and the schedule of delinquent participant contributions for the year ended December 31, 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participants may elect to defer up to 90% of their annual compensation, as defined in the Plan document, not to exceed the maximum allowable contributions under Section 402(g) of the Internal Revenue Code (the Code) limitations, which totaled \$20,500 and \$19,500 for the years ended December 31, 2022 and 2021, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the years ended December 31, 2022 and 2021. Participant salary deferrals may be traditional 401(k) (pretax) or Roth 401(k) (after-tax). Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts.

The Plan allows automatic enrollment of employees once the eligibility requirements have been met. Employees are automatically enrolled with pre-tax deferral contributions deducted from their pay at a rate of 3% of their compensation unless the employee opts out of Plan participation or elects a different percentage.

#### **Company Contributions**

Effective January 1, 2022, the Company provides a safe harbor matching contribution equal to 100% on the first 3% of the participant's eligible compensation and 50% on the next 2% of the participant's eligible compensation deferred into the Plan. All employees who are eligible to participate into the Plan are eligible to receive Company safe harbor matching contributions. Safe harbor matching contributions are calculated and remitted each pay period and a true up is required at year-end. Safe harbor matching contributions totaled \$857,680 for the year ended December 31, 2022.

### **1. DESCRIPTION OF THE PLAN – continued**

#### **Company Contributions – continued**

The Company may also make discretionary matching contributions allocated to each eligible participant's account as a percentage of the participant's elective deferrals as of the end of each Plan year. For the year ended December 31, 2022, the Company did not make a discretionary contribution. For the year ended December 31, 2021, the Company provided a discretionary matching contribution of 50% of participant contributions up to 3% of their eligible annual compensation deferred into the Plan plus 25% of participant contributions up to the next 2% of their eligible annual compensation deferred into the Plan, totaling \$272,249.

#### **Participant Accounts**

Each participant's account is participant-directed and is credited with the participant's contributions, Company contributions, and charged with benefit payments, transaction fees related to distributions, and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

#### **Vesting**

Participants are immediately vested in all salary deferrals, Company contributions, and rollovers.

#### **Notes Receivable from Participants**

Participants may borrow against the value of their account balance within the Plan, without regard to the intended use of the funds. The minimum note amount is \$1,000, and a participant may not have more than one note outstanding at a time. The total amount of borrowings cannot exceed the lesser of 50% of the participant's account balance or \$50,000 less the highest outstanding note balance for the previous twelve month period. Notes bear interest at a fixed rate based on the prime rate published in The Wall Street Journal on the first day of the month of note origination, plus 2%. Notes for reasons other than the purchase of a primary residence are to be repaid within 5 years. Notes for the purchase of a primary residence are to be repaid within 30 years.

### **1. DESCRIPTION OF THE PLAN – continued**

#### **Payment of Benefits**

Upon termination of service, retirement, disability, or death, a participant or beneficiary may elect to receive payment of their vested portion in one of several different forms. If a participant's account balance upon termination is less than \$5,000 and no distribution election is made by the participant, the balance will be distributed without participant consent. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, all amounts in a participant's account may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. In all cases, certain income taxes and penalties may apply to withdrawals or distributions prior to age 59½. There were no net assets of the Plan allocated to accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2022 and 2021.

#### **Plan Expenses**

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Expenses relating to specific participant transactions are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

The Company utilizes a revenue sharing account to offset recordkeeping fees due from the Company. Plan expenses are shown gross on the accompanying statements of changes in net assets available for benefits. Revenue sharing generated \$19,335 and \$17,781 during the years ended December 31, 2022 and 2021, respectively, which was used to offset recordkeeping fees. There was no balance in the revenue sharing account as of December 31, 2022 and 2021.

### **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes to net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

#### **Risks and Uncertainties**

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur in the near term and materially affect the amounts reported in the statements of net assets available for benefits.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Fair Value Measurement**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

## Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

---

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

#### Fair Value Measurement - continued

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Interests in registered investment companies:* Valued at the closing price reported in the active market in which the funds are traded.

*Interest in common/collective trust:* Valued at the net asset value (NAV), a practical expedient, determined by the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in methodologies used at December 31, 2022 and 2021.

#### Fair Value Measurement - continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

|                                                    | Level 1      | Level 2 | Level 3 | Total        |

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

<sup>(a)</sup> In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using the NAV per share (or its equivalent) as a practical expedient as of December 31,:

<sup>(b)</sup> The fund consists of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments.

#### Subsequent Events

The Plan has evaluated subsequent events through May 7, 2024, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

### 3. INVESTMENTS

All investment information contained in the accompanying financial statements and supplemental schedules, including assets held at December 31, 2022 and 2021, interest and dividend income and net realized and unrealized appreciation (depreciation) in fair value of investments for the years then ended, was obtained or derived from information supplied and certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan.

### 4. TAX STATUS

The Plan adopted a non-standardized pre-approved profit sharing plan which received an opinion letter dated October 6, 2020 from the Internal Revenue Service (IRS) as to the pre-approved plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan has been amended since the date of this opinion letter. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2022 and 2021.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

### 6. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows participants to take out notes against their vested account balances. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. Some fees incurred by the Plan are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

### **7. PROHIBITED TRANSACTIONS**

The Plan Sponsor discovered that during the year ended December 31, 2022, \$392,902 of participant contributions and loan repayments were not remitted to the Plan within the required timeframe as required by the DOL. As of December 31, 2022, management is in the process of correcting all of the late remittances by calculating lost earnings in accordance with DOL and IRS guidelines.

### **8. EXCESS CONTRIBUTIONS PAYABLE**

During the year ended December 31, 2022, the Plan failed to comply with certain non-discrimination rules. As a result, the Plan was required to record excess contributions payable of \$683 in the accompanying statements of net assets available for benefits. The Plan refunded these excess contributions to affected participants on February 14, 2023.

To the Management of  
The WorldVu Development LLC 401(k) Savings Plan:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of WorldVu Development LLC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered WorldVu Development LLC 401(k) Savings Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, LLC, the Trustee, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

This communication is intended solely for the information and use of management, those charged with governance and others within the Plan, and is not intended to be and should not be used by anyone other than these specified parties. We will review the status of these comments during our next audit engagement.

We especially wish to thank Karley Jones for her assistance during the audit. It has been a pleasure to serve WorldVu Development LLC.

Management Advisory Comments  
For the Plan year ended December 31, 2022**

**CURRENT YEAR COMMENT**

**Control Deficiency**

*Retention of Employee New Hire Documentation*

During census testing, we noted that there were 2 employees chosen for testing who did not have an I-9 on file. We recommend that a document retention process be implemented over the hiring process of employee's documentation to ensure proper employee documents are on file.

*Management Response:* Management is prepared to implement and follow any process adjustments noted above for the future

**PRIOR YEAR COMMENTS**

**Control Deficiency**

*Timeliness of Participant Contributions*

As stated by the Department of Labor (DOL), employers are required to remit participant contributions to qualified plans as soon as they can be reasonably segregated from the employers' general assets, but not later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. In addition, the DOL has stated that it also reviews trends in the timing of remittances. For example, if an employer normally remits participant contributions within 5 days after a payroll, however, during one month, takes 8 days to remit, the DOL could consider the contribution late. A prohibited transaction may occur if the employer fails to remit participant contributions in accordance with DOL regulations.

Based on our contribution timeliness testing, it appeared that there were several instances where contributions were not remitted for ten or more days. We recommend the client be aware of the DOL's stance of reviewing trends in the timing of remittances in order to prevent any possible future issues with the regulatory authorities. The Company should also ensure that they are submitting the participant allocations with the contributions in a timely manner so that the TPA can credit the funds in the proper investments within the participants' accounts.

Current year status: Not implemented- we noted three instances where contributions were not remitted for ten or more days.

*Review of Census Data*

During census testing, we noted that there were 18 employees who were not presented on the original census received. After further review, we noted that this did not cause issues with eligibility testing and they were properly included in the year-end discrimination testing.

We recommend that a review process be implemented over the census data to ensure it is complete and accurate. Such a review will ensure that participants become eligible to participate in the Plan during the proper times.

Current year status: Not implemented- we received revised versions of the census due to the employee deferrals not matching the contribution timeliness and certain participants being excluded.

*Timing of Automatic Enrollment and Salary Deferral*

During our eligibility testing, we noted three employees who should have been automatically enrolled upon hire. After discussion with HR, we discovered that these employees did not begin participating until approximately 90 days past their hire date.

We recommend the Company implement a procedure whereby the Plan Administrator reviews a list of new hires each pay period and verifies that each new employee eligible is registered to being participating on the proper participation date.

Current year status: Implemented

To the Plan Administrator, Board of Directors, 401(k) Committee, and Management of the WorldVu Development LLC 401(k) Savings Plan:

We have audited the financial statements of WorldVu Development LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2022, and we will issue our report thereon dated May 7, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 5, 2023. Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Matters

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the valuation of investments. We evaluated the key factors and assumptions used to develop the aforementioned estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of fair value measurements in Note 2 and 3 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

### *Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### *Difficulties Encountered in Performing the Audit*

During the current year audit there were significant delays in receiving census data and the employer match calculation from the Plan's fiduciary. We believe this was a result of turnover at the Company and Plan management reconciling participant data discrepancies within the census and the employer match calculation.

These issues delayed the final issuance of the audited financial statements until Plan management could provide a complete census and employer match calculation.

### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We are pleased to report that no misstatements were identified in performing and completing our audit.

### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated May 7, 2024.

### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### *Other Matters*

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Reportable Findings*

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgement is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified reportable findings during our procedure which are outlined in the attachment to the Management Letter.

This information is intended solely for the use of the Plan administrator, 401(k) Committee and management of WorldVu Development LLC 401(k) Savings Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

SC + H Attest Services, P.C.

## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the WorldVu Development LLC 401(k) Savings Plan and its Participants:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of the WorldVu Development LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the WorldVu Development LLC 401(k) Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the WorldVu Development LLC 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WorldVu Development LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WorldVu Development LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WorldVu Development LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and the schedule of delinquent participant contributions for the year ended December 31, 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
