INDEPENDENT AUDITORS' REPORT

After Hours Pediatrics 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of After Hours Pediatrics 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying 2023 and 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 and 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of After Hours Pediatrics 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about After Hours Pediatrics 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of After Hours Pediatrics 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about After Hours Pediatrics 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules

and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AFTER HOURS PEDIATRICS 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the After Hours Pediatrics, Inc., (the “Company”) 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is 401(k) profit-sharing plan covering employees who have three consecutive months of service and who are twenty one years of age or older. The Plan is a prototype plan designed by Ascensus Trust Company. A year of service is defined by the Plan as 1,000 hours of service in the calendar year or completion of a participant’s anniversary year. The Plan was formed in May 2006. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants contribute to the Plan based on their elective amounts. The Company has elected to operate this Plan as a safe harbor 401(k) plan. The match equals 3% of the employees’ compensation. Additional amounts may be contributed by the Company at its discretion.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Company’s matching contribution, and income from the participant’s elected investments. Allocations are determined by multiplying the investment income by the ratio of the part of the participant’s account invested in the respective investment to the total of the funds invested in the respective investment. Participant’s accounts also include the cash value of insurance coverage, if applicable. Participant’s accounts are reduced for distributions, forfeitures, and an allocation of expenses. Forfeitures of non- vested accounts are first used to pay expenses of the Plan and then used to reduce the Company’s future contributions.

Excess Contributions Payable

During the years ended December 31, 2023 and 2022, excess participant contributions in the amount of zero and zero, respectively, were refunded to certain participants to return excess deferral contributions in order to satisfy the relevant nondiscrimination provisions of the Plan.

Vesting

Participants are immediately vested in their contributions plus earnings there on. Vesting in the Company’s profit sharing contributions to their accounts plus earnings thereon is based on years of service.

AFTER HOURS PEDIATRICS 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting (continued)

A participant is vested as follows:

<u>Vesting Service</u>	<u>Vesting Percentage</u>
2	20
3	40
4	60
5	80
6	100

A year of vesting service is a twelve consecutive month period ending on the last day of each Plan year in which the participant is still employed.

Payment of Benefits

Benefits are payable in the event a participant retires, dies, or ceases to be an employee of the Company. Participants are also allowed to withdraw from their accounts in the event of undue financial hardship. Withdrawals for this reason are limited to the participant's contributions plus earnings thereon. The payment of benefits under the plan is governed by IRS Code Section 401(k) and the investment contract distribution restrictions.

Investing Options

Upon enrollment in the Plan, a participant may direct their account balance in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

Investments

Participants may direct contributions to be invested in various investments. All the investments are held at Ascensus Trust Company. The following is a description of the investments of this plan:

General Account – Provides a guaranteed interest rate for a specified period of time as determined, or allowed, by the Plan. The rate credited is the rate in effect on the day when each deposit is directed in the participant's accounts. All rates credited during the twelve-month deposit year are averaged into a single composite rate. The underlying assets in the General Account are invested mostly in private placement bonds, commercial mortgages, and residential mortgages.

Pooled Separate Accounts – Provides for a separate account for each electing participant. The value of the account is determined at the close of each business day based on market value. The value of the account is expressed in units. There are various types of separate accounts that invest in U.S. securities, money market instruments, real estate, intermediate-term fixed income loans, foreign stocks, and securities of companies listed in the Standard & Poor's 500 Stock Index.

AFTER HOURS PEDIATRICS 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan has adopted the Financial Accounting Standards Board (FASB) Codification (Codification or ASC). The Codification is the single source of authoritative generally accepted accounting principles in the United States (U.S. GAAP) recognized by the FASB to be applied by nongovernmental entities. All of the Codification's content carries the same level of authority.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

Investments are held by Ascensus Trust Company described in Note 5, investments are stated at the amounts certified to the Plan Administrator by Ascensus Trust Company at December 31, 2023, which represents fair value at the statement of net assets available for plan benefits date. Shares of pooled separate accounts are valued at net asset value of investments held at year end. Share of registered investment companies are valued at quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investment bought and sold as well as held during the year are allocated based on participants' balances. The amount ultimately realized by participants upon receipt of benefits may differ from the amounts reported in these financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Significant plan expenses are absorbed by the Company.

AFTER HOURS PEDIATRICS 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan in whole or in part at any time upon giving written notice to all parties concerned. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 4 - TAX STATUS

The Internal Revenue Service provided an opinion letter in June 2020 stating that the Acensus, Inc.'s Prototype Non-standard Profit Sharing Plan with CODA which was adopted by the Company was qualified under Section 401 of the Internal Revenue Code.

NOTE 5 - FAIR VALUE MEASUREMENTS

The fair value framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 Inputs – unadjusted quoted prices in active markets for identical assets or liabilities in active markets.

Level 2 Inputs – include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs – significant unobservable inputs which reflect assumptions about the assumptions market participants would use in pricing the asset or liability. Investment gains and losses (realized and unrealized) are included in the statement of changes in net assets available for benefits and are reported in net appreciation (depreciation) in fair value of investments.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 7 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 7, 2024, which is the date the financial statements were available to be issued.

NOTE 8 - ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES

The Plan Administrator believes that the Plan has been designed to comply with the requirements of the section 401(k) of the Internal Revenue Code and, therefore, believes the Plan is qualified and the related custodial accounts are tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. Plan administration has evaluated its tax positions taken for all open tax years. Currently, the 2021, 2022, and 2023 tax years are open and subject to examination by the Internal Revenue Service. However, the Plan is not currently under audit nor has Plan administration been contacted by any of these jurisdictions. Plan administration believes there are no uncertain tax positions related to Plan activities.

NOTE 9 - AMOUNTS DUE PARTICIPANTS WHO HAVE
TERMINATED EMPLOYMENT

Plan assets due to participants who have terminated employment with the Plan sponsor were \$1,344,717 in 2023 and \$1,177,231 in 2022. These participants are no longer eligible to benefit from future employer contributions.
