INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Management of
Chapman & Prime 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Chapman & Prime 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Chapman & Prime 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chapman & Prime 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chapman & Prime 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chapman & Prime 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chapman & Prime 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(i)-Schedule of Assets (Held at End of Year) as of December 31, 2021, and Schedule H, Line 4(a)-Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Trustee of
Chapman & Prime 401(k) Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying statement of net assets available for benefits of Chapman & Prime 401(k) Profit Sharing Plan as of December 31, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company, the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Trustee that the custodians hold the Plan's investment assets and executes investment transactions. The Trustee has obtained a certification from the custodians as of and for the year ended December 31, 2020 that the information provided to the Trustee by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Chapman & Prime 401(k) Profit Sharing Plan

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of Chapman & Prime 401(k) Profit Sharing Plan (the Plan) is provided for general purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The plan is a defined contribution plan established under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. The Plan covers substantially all full-time employees of Chapman Healthcare Center, Inc. (the "Company", "Sponsor", and "Employer") and its affiliates.

The Plan's Trustee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance. Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company, as the custodians, which invests contributions and Plan earnings, makes investment transactions as directed by the Trustee and provides certain recordkeeping services. Orenda Retirement, LLC currently acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

Coronavirus Aid, Relief, and Economic Security Act of 2020

The Coronavirus Aid Relief and Economic Security Act (the CARES Act) was passed by the U. S. Senate on March 26, 2020. Under certain provisions of the CARES Act, certain requirements for loans and benefit payments to participants were changed in response to the COVID-19 pandemic. The Plan adopted these provisions for the year ended December 31, 2020. The Plan was amended in 2020 to reflect these changes.

Eligibility

The Plan covers substantially all full time employees. The employees must also meet other requirements such as reaching twenty and one-half years old with six months of service. They then become eligible for participation in the Plan the first entry date following the required eligibility. Entry dates are the 1st day of the Plan year of the 1st day of the seventh month of the Plan year following the completion of the eligibility requirements.

Chapman & Prime 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF PLAN (Continued)

Contributions

Each year, participants may defer a percentage of pretax annual compensation up to a maximum permissible pursuant to the Internal Revenue Code (\$19,500 for 2021 and 2020), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (up to \$6,500). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor, under the terms of the Plan adoption agreement, has elected to make discretionary employer profit sharing contributions of 1% of compensation for the year ended December 31, 2021.

During the year ended December 31, 2021, the Company contributed \$74,448 in employer profit sharing contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

After the merger of the Prime Healthcare Inc. 401(k) Retirement Plan into the Chapman Healthcare Center, Inc. 401(k) Profit Sharing Plan, participants of Prime Healthcare, Inc. 401(k) Retirement Plan continued to receive matching contributions. These contributions, totaling \$3,033, have been determined to be ineligible and have been included in excess contributions payable. Excess contributions payable also contains contributions made by ineligible participants in the Plan as of December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's profit sharing contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is vested in these contributions as follows:

Years of Service	Vesting Percent
Less than 3	0%
3 or more	100%

A participant's account becomes fully vested upon the participant's death, total disability, or attaining normal retirement age.

Chapman & Prime 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF PLAN (Continued)

Receivables

Contributions receivable include those pursuant to formal commitments based on the Plan's adoption agreement. Evidence that a formal commitment existed was based on criteria that (a) the contribution is based on participant compensation that existed for the current plan year and (b) the plan terms require a contribution to be made for the current plan year.

Notes Receivable from Participants

Participants may have one loan outstanding at any time and the maximum amount available is \$50,000 or one-half of their vested balance, whichever is less. No loan in an amount less than \$1,000 will be made and a participant may only have one outstanding loan at a time. The loans are secured by the balance in the participant's account and bear interest at a rate that is commercially reasonable and determined by the Administrator by reviewing rates of similar types of loans by other lenders. Principal and interest is paid ratably through payroll deductions. Maximum repayment period shall not exceed 5 years, with the exception of loans that are used to acquire a principal residence.

Benefit Payments

The Plan provides retirement benefits for participants who reach normal retirement age of sixty-five. The amount of a retiree's benefit is limited to the individual's account balance, which is composed of the participant's contributions to the Plan, employer contributions, and allocated income of the Plan. The Plan also provides for complete distribution of the participant's account balance to the participant or designated beneficiary upon disability or death.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. These forfeited amounts are invested in a cash account until utilized to pay Plan expenses or offset employer contributions. Forfeited nonvested accounts can be applied to administrative expenses or used to reduce future employer contributions. There were forfeited nonvested accounts totaling \$922 and \$4,946 for the years ended December 31, 2021 and 2020, respectively. Also, in 2021 there were earnings of \$332 and forfeited nonvested accounts totaling \$5,018 were used to reduce administrative expenses, resulting in an accumulated forfeitures ending balance of \$3,694 and \$7,458 at December 31, 2021 and 2020, respectively.

Note 1: DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Plan Amendments

There were no significant plan amendments during the year.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally are reported at fair value, but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 and 5 for further discussion of fair value measurements, contract value, and NAV.

The Plan's Trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is reported on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and are included in benefits paid to participants and excess contributions payable. If excess contributions and any related earnings are refunded within 2 ½ months following the end of the plan year, the amounts should be included in the participants' gross income for the taxable year in which the excess contributions were remitted. The Plan reported excess contributions related to failed year end ADP/ACP compliance test for the year ended December 31, 2021 totaling \$6,094. These were not refunded to the applicable participants within 2 ½ months following the end of the plan year. The excess contributions related to failed year end ADP/ACP compliance test for the year ended December 31, 2018, totaling \$4,432, have not been properly refunded to the applicable participants. As previously noted, this payable also includes participants of Prime Healthcare, Inc. 401(k) Retirement Plan who continued to receive matching contributions after the Plan merger in the year ended December 31, 2017. These contributions, totaling \$3,033 have been determined to be ineligible and have been included in excess contributions payable.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan provides for administrative expenses to be paid from the Plan assets. Administrative expenses of the Plan may include fees paid to the third party consultants or administrators, the custodian or investment fees. Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. During the year ended December 31, 2021, expenses of \$70,861 were paid by the Plan and allocated to participant accounts.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan Trustee has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the custodians under such regulation:

- a) Total investments, at fair value and contract value, included in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- b) Investment income information included in the Statement of Changes in Net Assets Available for Benefits, for the year ended December 31, 2021.
- c) All amounts included in Note 4, *Fair Value Measurements (Unaudited)*.
- d) All amounts included in Note 5, *Investments Reported at Contract Value (Unaudited)*.
- e) All information included in the supplemental schedule, the Schedule of Assets (Held at End of Year) as of December 31, 2021.

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED)

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Chapman & Prime 401(k) Profit Sharing Plan Notes to Financial Statements

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value or net asset value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts ("PSA"): Assets of a pooled separate account are pooled with funds of other investors and invested in stocks or mutual funds. The underlying securities have observable level 1 quoted pricing inputs or the fair value of the underlying investment may be publicly traded with a quoted price. The pooled separate account is not publicly quoted but the net asset value of the account is available to current investors via the Plan website or when Plan participants access the account values. The value is the basis for current transactions and the PSA can be redeemed at net asset value as of the measurement date. Therefore the Plan investments in PSAs have been determined to have a "readily determinable fair value" as is valued as a Level 1 asset.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and valued as a Level 1 asset.

Chapman & Prime 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Common investment trusts ("CITs"): The Plan's CITs invest in a collective trust fund. The fair value of the collective investment trust does not have a publicly quoted pricing input, but is available to current investors via the Plan website or when Plan participants access their account values. The net asset value is the basis for current transactions and the CIT can be redeemed at net asset value as of the measurement date. Therefore, the Plan investments have been determined to have a "readily determinable fair value" as is valued as a Level 1 asset.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Collective investment trusts	\$ 3,882,547	\$ -	\$ -	\$ 3,882,547
Pooled separate accounts	11,318	-	-	11,318

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Collective investment trusts	\$ 3,305,188	\$ -	\$ -	\$ 3,305,188

Total investments in the fair value hierarchy	3,318,498	-	-	3,318,498
Total investments at fair value			\$	3,318,498

Note 5: INVESTMENTS REPORTED AT CONTRACT VALUE (UNAUDITED)

In 2020, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Trust Company totaling \$13,650 at December 31, 2020. Principal Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.55%. The crediting rate is reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Chapman & Prime 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 5: INVESTMENTS REPORTED AT CONTRACT VALUE (UNAUDITED) (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Note 6: TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan for which the IRS has determined and informed the prototype plan submitter, by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As of the years ended December 31, 2021 and 2020 Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company were the custodians of the Plan. The custodian of the Plan provides investment services to the Plan and also manages and invests contributions and other cash received as directed, records interest and dividend income, and makes distributions to participants. Orenda Retirement, LLC currently serves as third-party administrator for the Plan. Countryman & Smitherman, Inc. also provides consultant services for the Plan.

In general, the administrative expenses for the Plan are paid from the Plan's assets. From time to time certain expenses of the Plan, including legal and accounting fees, are paid by the Plan Sponsor. In addition, certain services to the Plan by the Plan Sponsor were performed at no charge.

Note 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9: PLAN COMPLIANCE

For the year ended December 31, 2021, it was determined that the Employer had delinquent participant contribution and loan remittances. These delinquent deposits have been paid into the Plan or still due to the Plan as included in the Schedule H, Line 4(a)-Schedule of Delinquent Participant Contributions. During the transfer of funds from Ohio National Life Insurance Company to the new Principal custodians, there were errors in allocation of funding source. The Plan failed 2018 and 2021 ACP/ADP testing, which is remedied by distribution of excess contributions. The proper compliance actions have not taken place for all transactions related to that testing as of date of December 31, 2021. The Plan did not consistently apply Plan documents for employer matching contributions after the Plan merger of additional affiliates in 2017, which led to additional impacts on participant accounts in 2018.

There are also other various compliance issues that have no significant impact on the financial statements. Plan management is in the process of reviewing these issues and making corrections.
