## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of the  
Sellers Auto Group 401(k) Plan  
Farmington Hills, Michigan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Sellers Auto Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of July 31, 2023, (in liquidation), December 31, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the seven months ended July 31, 2023 (in liquidation) and for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Sellers Auto Group 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 31, 2023 and the seven months then ended, as of December 31, 2022 and the year then ended, and as of December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sellers Auto Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting**

As further discussed in Note 8 to the financial statements, the Plan Administrator of Sellers Auto Group 401(k) Plan approved a plan of liquidation on March 31, 2023, and all assets of the Plan were liquidated as of July 31, 2023. As a result, Sellers Auto Group 401(k) Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2022 and 2021 financial statements to the liquidation basis of accounting used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sellers Auto Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## SELLERS AUTO GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS  
July 31, 2023, December 31, 2022 and 2021

---

### NOTE 1 - Description of the Plan

The following summary description of Sellers Auto Group 401(k) Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General - All employees of Sellers Auto Group, Inc. (the Company), as defined in the Plan Agreement, meeting the service requirements, are eligible to become participants in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company was sold in 2023 and effective March 2023 the plan was terminated. All participant accounts were distributed during 2023 in accordance with Plan provisions.

Eligibility - Full time employees of the Company, as defined in the Plan Agreement, who have completed three months of service are eligible to defer a portion of their salary and to receive Company matching contributions as described below.

Contributions - Participants may elect to contribute 100% of their earnings to the 401(k) Plan. They may choose to do this as either a pre-tax deferral, a Roth deferral, or a combination of both. The Plan has adopted an automatic enrollment feature by which eligible employees defer 2% of their salary. The Plan allows the employee to elect to opt out of the automatic salary deferral. The maximum annual addition which may be credited to an individual participant's account is determined by wage limits set by the Internal Revenue Service. Participants designate how their contributions will be invested in the investment funds selected by the Plan Administrator.

The Plan provides for a Company matching contribution of 100% of salary deferrals, excluding catch-up contributions, up to 2% of total compensation. Participants' contributions and the Company's matching contribution to certain highly compensated participants may be limited based on contribution non-discrimination testing described in Internal Revenue Code ("IRC") Sections 401(k) and 401(m).

The Company may elect to make a discretionary profit sharing contribution. The Company elected to not make a profit sharing contribution for the seven months ended July 31, 2023, and for the year ended December 31, 2022.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's matching and profit sharing contributions, if applicable, and Plan earnings. Allocations are based upon provisions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### NOTE 1 - Description of the Plan (Continued)

Investment Options - Upon enrollment in the Plan, a participant may direct employee and employer contributions in one percent increments in any of the 26 investment options. The options consist of professionally managed mutual funds and common collective trusts, which vary in their respective strategies, risks and goals.

Vesting - Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100 percent vested after three years of credited services. Effective March 2023, all participants were fully vested due to termination of the plan.

<u>Years of Service</u>	<u>Percentage</u>
Less than 3 years	0 %
3	100 %

Notes Receivable from Participants - Participants may request a loan from the Plan of up to 50% of their vested balance or \$50,000, whichever is lower. The loan term is limited to five years unless it is for the purchase of a principal residence. The loan is secured by the participant's account and bears interest at prevailing rates as determined by the plan administrator. Principal and interest are paid through payroll deductions.

Participants' Withdrawals - Upon a participant's retirement date or upon a participant's death or total and permanent disability, all amounts credited to his or her account shall become fully vested. The participant is allowed to withdraw funds from the Plan upon attainment of age 59½. Distributions are payable in the form of a lump sum equal to the vested balance of the participant's account. Upon termination, the non-vested portion of a participant's account shall be forfeited.

Distribution of the vested portion of a participant's account shall be made upon termination of employment. If the vested portion of the account is less than \$5,000, the Administrator has the option of a distribution without the participant's consent. If the vested portion of the participant's account exceeds \$5,000, a distribution before normal retirement age can only be made with the participant's consent. The non-vested portion of a participant's account shall be forfeited and used to reduce future Company matching contributions.

Participants may request that all or a portion of their account be distributed in the case of severe hardship, as defined in the Plan document. The Company must approve any such hardship withdrawals.

#### **NOTE 1 - Description of the Plan (Continued)**

Forfeited Accounts – At July 31, 2023, December 31, 2022 and 2021, the value of forfeited non-vested accounts totaled \$0, \$15,654 and \$0, respectively. The forfeitures of non-vested Company matching contributions from terminated participant accounts may be used to reduce the Company's matching contributions or pay plan expenses. Forfeitures were used to reduce fees in the amount of \$18,009 for the seven months ended July 31, 2023. No forfeitures were used for fees or matching contributions for the year ended December 31, 2022.

SECURE Act and CARES Act - The Plan has implemented certain provisions of the SECURE Act, which was effective January 1, 2020, and the CARES Act, which was signed into law in March 2020. The Plan was amended October 7, 2022, to adopt these provisions.

#### **NOTE 2 - Significant Accounting Policies**

Basis of Accounting - The financial statements were prepared on the accrual basis of accounting. As of and for the seven months ended July 31, 2023, the financial statements were prepared using the liquidation basis.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at current fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

### NOTE 2 - Significant Accounting Policies (Continued)

Funding Policies - The Company deposits contributions based on voluntary withholdings from the paychecks of eligible participants along with the Company's matching contributions.

Administrative Expenses - Various administrative costs are paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in the net appreciation of the fair value of investments.

Subsequent Events - Management has evaluated events and transactions through May 31, 2024, the date the financial statements were available to be issued.

### NOTE 3 - Fair Value Measurements

As of July 31, 2023, no assets remain in the Plan.

The following table sets forth by level within the fair value hierarchy the Plan's assets as of:

	<u>December 31, 2022</u>	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds	<u>\$ 2,509,474</u>	\$ 2,509,474
Investments Measured at Net Asset Value		<u>2,429,995</u>
Total Investments at Fair Value		<u>\$ 4,939,469</u>

	<u>December 31, 2021</u>	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds	<u>\$ 3,261,517</u>	\$ 3,261,517
Investment Measured at Net Asset Value		<u>2,704,419</u>
Total Investments at Fair Value		<u>\$ 5,965,936</u>

The Plan's investments are reported at fair value in the statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### **NOTE 3 - Fair Value Measurements (Continued)**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels which are described below.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

In accordance with Subtopic 820-10, the Galliard Stable Return Fund E, a common collective trust sponsored by Wells Fargo Bank, and the various age targeted funds offered by T. Rowe Price, have been measured at net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

##### Level 1 Fair Value Measurements

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

##### Level 2 Fair Value Measurements

Level 2 inputs consist of quoted prices for similar assets in active and inactive markets and other observable corroborated market data. Level 2 inputs are only used when Level 1 inputs are not available. This includes, but is not limited to, quoted prices for similar assets or liabilities in markets that are not active. There were no Level 2 assets.

##### Level 3 Fair Value Measurements

Level 3 inputs have the lowest priority. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There were no level 3 assets.

#### **NOTE 4 - Investments Measured Using the Net Asset Value Per Share Practical Expedient**

The Plan's investments include the Galliard Stable Return Fund E, a common collective trust issued and managed by Galliard Capital Management, LLC, along with various age targeted funds, with a net asset value of \$0, \$2,429,995 and \$2,704,419 at July 31, 2023, December 31, 2022 and 2021, respectively.

### NOTE 5 - Net Change in Fair Value of Investments

The net change in fair value by type of investments is as follows:

	<u>7/31/2023</u>	<u>12/31/2022</u>
Mutual Funds	\$ 311,360	\$ (724,626)
Common Collective Trust Funds	<u>226,659</u>	<u>(483,246)</u>
Total	<u>\$ 538,019</u>	<u>\$ (1,207,872)</u>

### NOTE 6 - Information Certified by Custodian

The financial statements, accompanying notes and supplemental schedule were prepared in part from information certified by Charles Schwab Trust Bank as of July 31, 2023 and the seven months then ended, as of December 31, 2022 and the year then ended, and as of December 31, 2021, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The information certified includes cash, investments and investment income.

### NOTE 7 - Related Party and Party-in-Interest Transactions

Charles Schwab Trust Bank is the custodian of the Plan. Sentinel Benefits & Financial Group provides recordkeeping services to the Plan. Therefore, these are considered as party-in-interest transactions. The Company participates in the Plan and is considered a party-in-interest. The administrative expenses paid by the Plan include plan administration and investment advisory services, and the service providers are considered parties-in-interest.

### NOTE 8 - Plan Termination

Effective March 2023, the Plan was amended to discontinue all contributions. The Plan was terminated, and its assets were liquidated. The participants could receive distributions, roll their funds to another plan, or roll their funds to an individual retirement account (IRA). All assets were distributed to the participants based on their respective account balances.

As of July 31, 2023, no assets remained in the Plan.

### **NOTE 9 - Tax Status**

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated November 30, 2020. The plan has not individually sought its own determination letter.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has concluded that as of July 31, 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.
