Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Anderson Center for Autism Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

ANDERSON CENTER FOR AUTISM RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description:

The following description of the Anderson Center for Autism Retirement Plan (the "Plan") is provided for general information only. The Plan's effective date was January 1, 2004.

General

The Plan is a defined contribution plan covering all employees of the Anderson Center for Autism, Inc. (the "Organization") except collective bargaining employees described in Section 1410(b)(9) of the Internal Revenue Code ("IRC"). The Plan has semi-annual entry dates of January 1 and July 1. Employees are eligible to enroll and contribute to the Plan on the first entry date after commencing employment with the employer. An eligible employee is required to have 1 year of service to be eligible for employer matching and discretionary contributions. For employer matching contributions, any eligible employee who is 21 years of age must have 1 year of service (at least 1,000 hours in a twelve-month consecutive period). For employer discretionary contributions, any eligible employee who is 21 years of age must have 1 year of service (at least 1,000 hours in a twelve-month consecutive period) and must be employed on the last day of the Plan year unless a participant incurs a severance from employment on account of or following death, disability, or attainment of normal retirement age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Contributions

A participant may elect in writing to defer a portion of their compensation in accordance with a salary reduction agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Participant accounts are credited with the participant's contributions and an allocation of the Organization's contributions and Plan earnings/(losses). Allocations are based on each participant's earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Notes Receivable from Participants

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. Loan terms range from one to five years, with the exception of loans for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent per annum. Principal and interest are paid ratably through payroll deductions.

Loans are also available to participants through TIAA and CREF, subject to certain limitations. Plan loans are issued directly from the funds owned by TIAA and CREF and loan proceeds are not removed from a participant's account balance. However, a portion of a participant's TIAA Traditional Annuity account balance is reserved, or held in collateral, to cover the outstanding loan amount for the period of time the loan is outstanding.

At December 31, 2023 and 2022, respectively, participants had outstanding Plan loan balances due to TIAA and CREF of \$70,199 and \$80,710, respectively.

Vesting

Participant contributions are 100% vested at all times. New participants will not be fully vested for matching and nonelective contributions until reaching six or more years of service.

ANDERSON CENTER FOR AUTISM RETIREMENT PLAN

1. Plan Description (continued):

Years of Vesting Service	Vested Percentage
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Thereafter	100%

Distributions

Upon retirement, death, disability or termination of service due to other reasons, a participant receives an amount equal to the value of his or her account. The form of payment is subject to the terms and conditions of the relevant funding vehicles.

Forfeitures

Forfeitures can be used to pay any administrative expense or reduce employer contributions of the Plan. During 2023, \$32,392 was used to reduce Company contributions. There were no forfeitures used to pay administrative fees or reduce employer contributions during 2022. Forfeiture balances amounted to \$115,548 and \$72,863 as of December 31, 2023 and 2022, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Administration

The Plan is administered by the Organization, which is the Plan sponsor. Nationwide Financial Services, Inc. ("Nationwide"), Fidelity Management Trust Company ("Fidelity") and TIAA and CREF are the custodians of the Plan. The recordkeeper is Rimkus, Marciano, & Associates, Inc.

2. Summary of Significant Accounting Policies:

Basis of Accounting

The Plan uses the accrual method of accounting which recognizes income when it is earned and expenses as they are incurred.

Pervasiveness of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments sold during the year and held at year-end.

Payment of Benefits

Benefits are recorded when paid. Excess contributions payable generally represent the distribution of certain assets to employees in order for the Plan to comply with ERISA nondiscrimination rules.

Administrative Expenses

All general administrative expenses of maintaining the Plan are paid by the Plan if not paid by the Organization. Distribution fees are deducted from the proceeds paid to the initiating participants.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

ANDERSON CENTER FOR AUTISM RETIREMENT PLAN

2. Summary of Significant Accounting Policies (continued):

The Plan's investments are not insured or protected by the Plan's custodians. Accordingly, the Plan is subject to the normal investment risks associated with money market funds, mutual funds, stocks, bonds and other similar types of investments.

Income Taxes

Effective March 31, 2017, the Plan adopted a Volume Submitter 403(b) Plan sponsored by FIS Business Systems LLC. The Plan has received an opinion letter from the Internal Revenue Service ("IRS") as to the Plan's qualified status. The profit sharing plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Subsequent Events

The date to which events occurring after December 31, 2023, the date of the most recent statement of net assets available for benefits, have been evaluated for possible adjustment to the financial statements or disclosures is May 22, 2024, which is the date on which the financial statements were available to be issued.

3. Information Certified by Custodians:

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and the supplemental schedule, that was prepared by or derived from information provided by the custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity, TIAA and CREF, and Nationwide, the custodians, that information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of the assets in the Plan certified by the custodians.

As of December 31	2023	2022
Mutual Funds	\$ 40,938,050	\$ 32,998,129
Pooled Separate Account	360,505	479,148
Annuity Contract	2,486,241	2,494,191
Fully Benefit-Responsive Investment Contracts at Contract Value	1,652,808	1,654,151
Total Certified Plan Investments	\$ 45,437,604	\$ 37,625,619

The custodians also certified to the completeness and accuracy of \$6,129,830 and \$(6,021,766) of net appreciation/(depreciation) in fair value of investments and \$1,953 and \$7,330 of interest and dividends related to the aforementioned Plan Assets for the years ended December 31, 2023 and 2022, respectively.

4. Fair Value Measurements:

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

ANDERSON CENTER FOR AUTISM RETIREMENT PLAN

4. Fair Value Measurements (continued):

Level 2: Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Annuity Contract: The TIAA Traditional Annuity is reported at contract value, which approximates fair value. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers, if any, less withdrawals and transfers, if any.

Investments Measured at Net Asset Value:

- The fair values of accumulation units held by the Plan in TIAA and CREF accounts (registered investment companies) are based on each account's daily NAV, which is considered by Plan management to be the best approximation of fair value. Data for NAVs is available daily to Plan Administrators and client investors on TIAA's website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in these accounts.
- The fair value of the Plan's interest in the TIAA Real Estate Account (a pooled separate account) is based on the fund's daily NAV. The unit value of the fund is calculated daily and available to the Plan Administrator and client investors on TIAA's website. Underlying holdings are primarily valued using independent appraisals or independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in this account.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of the future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ANDERSON CENTER FOR AUTISM RETIREMENT PLAN

4. Fair Value Measurements (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2023					
	Total	Level 1	Level 2	Level 3	
Mutual Funds	\$ 35,750,886	\$ 35,750,886	\$ -	\$ -	
Annuity Contract	2,486,241	-	-	2,486,241	
Total	38,237,127	\$ -	\$ -	\$ 2,486,241	
Investments Measured at Net Asset Value	5,547,669				
	\$ 43,784,796				

December 31, 2022					
	Total	Level 1	Level 2	Level 3	
Mutual Funds	\$ 28,181,620	\$ 28,181,620	\$ -	\$ -	
Annuity Contract	2,494,191	-	-	2,494,191	
Total	30,675,811	\$ 28,181,620	\$ -	\$ 2,494,191	
Investments Measured at Net Asset Value	5,295,657				
	\$ 35,971,468				

In accordance with the fair value measurement and disclosures guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period for the Plan investments, the fair values of which are estimated using the NAV per share as of December 31:

	2023 Fair Value	2022 Fair Value	Redemption Frequency	Redemption Notice Period
CREF Variable Annuity Accounts:				
Equity Funds (a)	\$ 2,337,624	\$ 2,241,273	Daily	Daily
Fixed Income Funds (b)	426,461	465,038	Daily	Daily
Multi-Asset Fund (c)	1,321,092	1,007,547	Daily	Daily
Money Market Fund (d)	1,101,987	1,102,651	Daily	Daily
Total CREF Variable Annuity Accounts	5,187,164	4,816,509		
TIAA Real Estate Account (e)	360,505	479,148	Quarterly	Quarterly
Total	\$ 5,547,669	\$ 5,295,657		

- (a) Funds in this category invest in a diversified portfolio of domestic and/or foreign stocks to achieve a long-term rate of return.
- (b) Funds in this category invest in various types of debt securities to achieve a long-term rate of return while preserving capital. These funds invest heavily in U.S. Government Bonds.
- (c) Funds in this category invest in domestic and foreign equities and in fixed income securities to achieve a long-term rate of return while giving special consideration to certain social criteria.
- (d) This fund invests in high quality, short-term instruments to achieve high current income and capital preservation. This account primarily invests in commercial paper, bank obligations, and U.S. Government issued securities that are classified as first-tier securities.
- (e) This fund invests in real estate properties, other real estate related investments, and securities. Underlying real estate holdings are valued principally using external appraisals. Underlying securities are generally priced using values obtained from independent pricing sources.

Level 3

Management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to the total net assets available for benefits. During 2023 and 2022, net purchases and issuances amounted to \$49,677 and \$48,515, respectively, and net transfers out/(in) amounted to \$57,627 and \$(352,787), respectively.

ANDERSON CENTER FOR AUTISM RETIREMENT PLAN

5. Excess Contributions Payable:

As of December 31, 2023 and 2022, a liability of \$38,055 and \$29,195, respectively, was recorded for the amount refundable by the Plan to participants for contributions made in excess of amounts allowed by the IRS.

6. TIAA Traditional Annuity:

The TIAA Traditional Annuity is a guaranteed fixed annuity contract available as an investment option to Plan participants. Each contract is fully and unconditionally guaranteed by Teachers Insurance and Annuity Association of America ("TIAA"). The Traditional Annuity is offered through a variety of contract types, including Retirement Annuities ("RA"), Group Retirement Annuities ("GRA"), Supplemental Retirement Annuities ("SRA"), Group Supplemental Retirement Annuities ("GSRA"), Retirement Choice Plus ("RCP"), and Retirement Choice ("RC"). The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for income upon retirement. The TIAA Traditional Annuity within SRA, GSRA and RCP contracts, as well as holdings reported in the Plan Loan Default Fund on the Statement of Changes to Net Assets, have no liquidity restrictions and are benefit responsive as contemplated by FASB ASC 962-325-35-5. The TIAA Traditional Annuity holdings within RA, GRA and RC contracts have liquidity restrictions and are nonbenefit responsive.

Upon a distributable event, the participant surrenders the future accumulation benefits in exchange for a cash payout based on the contract value, demonstrating the contract value can be monetized when a distributable event occurs.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified minimum rate of interest, are guaranteed by TIAA's claims-paying ability. The TIAA Traditional Annuity also provides the potential for additional interest if declared by TIAA's Board of Trustees. Additional interest, when declared, remains in effect for the declaration year, which begins each March 1 for accumulating annuities, and January 1 for lifetime payout annuities. Additional interest is not guaranteed for future years. Together, the guaranteed minimum and additional amounts make up the crediting interest rate.

The RA contract does not allow lump-sum cash withdrawals and transfers must be spread over 10 annual installments. With the GRA contracts, lump sum withdrawals are available within 120 days of termination of employment and are subject to a 2.50% surrender charge. All other withdrawals and transfers from RA and GRA contracts must be spread over 10 annual installments (five annual installments for withdrawals after termination of employment). All other withdrawals must be spread over 84 monthly installments. The SRA and GSRA contracts provide for full participant-directed liquidity. When a participant's accumulation in the TIAA Traditional Annuity is converted to a lifetime payout annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount is recorded as a distribution in the statements of changes in net assets available for benefits.

7. Related Party Transactions:

Certain Plan investments are shares of money markets, annuity contracts, and mutual funds managed by TIAA and CREF, Fidelity, and Nationwide. TIAA and CREF, Fidelity, and Nationwide are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and recordkeeping services amounted to \$24 and \$24 for the years ended December 31, 2023 and 2022, respectively.
