INDEPENDENT AUDITOR'S REPORT

To the Orchestra Pension Committee
Saint Louis Symphony Orchestra Employees' Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Saint Louis Symphony Orchestra Employees' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of August 31, 2023 (in liquidation) and 2022 (ongoing), and the related statements of changes in net assets available for benefits for the years ended August 31, 2023 (in liquidation) and 2022 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As described in Note 1 to the financial statements, the Board of Trustees of the Saint Louis Symphony Orchestra and the Local 2-197 of the American Federation of Musician approved the termination of the Plan in October 2022, to be effective no later than March 31, 2023. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of August 31, 2023 and schedule of reportable transactions for the year ended August 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAINT LOUIS SYMPHONY ORCHESTRA EMPLOYEES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
August 31, 2023 and 2022

NOTE 1 — DESCRIPTION OF PLAN

The following description of the Saint Louis Symphony Orchestra Employees' Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined benefit noncontributory pension plan covering all eligible employees of the Saint Louis Symphony Orchestra (the Employer) subject to the eligibility requirements stated below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 31, 2001, the Plan was frozen. No new participants are allowed to enter the Plan, and no additional benefits accrue under the Plan.

On October 11, 2022, the Board of Trustees of the Employer and the Local 2-197 American Federation of Musicians approved the termination of the Plan, to be effective no later than March 31, 2023. Plan assets were fully distributed to participants who elected lump-sum payments during the year end August 31, 2023. The Plan signed a nonparticipating single premium group annuity contract with United of Omaha Life Insurance Company. The agreement states that United of Omaha Life Insurance Company agrees to provide a non-participating single premium group annuity contract in connection with the plan termination and settlement of liabilities associated with certain benefits arising under the Plan, for a net premium amount of \$16,210,761. All participant obligations were satisfied in August 2023. Remaining expenses of the Plan were accrued as of August 31, 2023.

Pension Benefits

Benefits are based on the participants' credited service under the Plan and are paid beginning at normal, early, or disability retirement dates.

Under terms of the Plan, participants are eligible for monthly benefit payments upon reaching the normal retirement age of 65. The Plan provides for participant vesting with five years of pension credited service (ten years of pension credited service for members whose employment terminated prior to August 31, 1989). Monthly benefit payments are determined by application of a benefit formula times the participant's years of pension credited service, not to exceed 30 years. Credited service is not earned under the Plan after December 31, 2001.

A participant may begin receiving reduced benefits upon reaching age 55 with fifteen years of continuous service under the Plan. Participants may elect to receive their pension benefits in the form of various annuity options. If the present value of the participant's entire retirement benefit, prior to any reduction as a result of an election of an optional benefit, is \$3,500 or less (\$5,000 or less for annuity start date after December 31, 2001), the benefit due such participant will be paid to such participant in a lump-sum payment. If employment is terminated before an employee renders five years of service, the employee's right to receive the value of their accumulated plan benefits is forfeited.

All active and terminated participants were offered an option to select a lump-sum distribution or annuity purchase through United of Omaha Life Insurance Company as part of the Plan liquidation.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Management of Plan Assets

The Plan assets are held by Commerce Bank. The Plan's pension committee, comprised of members of the Employer's Board of Trustees and orchestra representatives, directs the investment decisions. Administrative expenses relating to the contractual/investment management fees are paid from the investment assets.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the liquidation basis of accounting for the year ended August 31, 2023 and the ongoing basis for the year ended August 31, 2022.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future payments which are attributable under the Plan's provisions for the service which employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants with vested rights or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries based upon service rendered to the valuation date.

The actuarial present value of accumulated plan benefits was determined by the Plan's consulting actuaries, Willis Towers Watson, and is that amount which results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

SAINT LOUIS SYMPHONY ORCHESTRA EMPLOYEES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
August 31, 2023 and 2022

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Actuarial Present Value of Accumulated Plan Benefits (Continued)

The significant actuarial assumptions used in the valuation (projected unit credit method) as of September 1, 2022 and 2021 were:

- (a) life expectancy of participant: RP-2014 tables, separate rates for annuitants and non-annuitants
- (b) termination rates based on the Crocker-Sarason Straight Table T-2
- (c) rates of retirement beginning at age 65 with 100% retiring at age 70
- (d) discount rate of 4.84% and 2.48%, respectively.

As a result of the Plan's termination, all benefits amounts were determined as of September 1, 2022. Distributions include the monthly annuities prior to the settlement of the Plan as well as the distributions arising from the Plan termination, which include lump-sum payments for participants who elected a lump-sum distributions and the annuity payment purchases for participants who elected or were already enrolled for annuity payments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events were evaluated through June 11, 2024, which is the date the financial statements were available to be issued.

NOTE 3 — FUNDING POLICY

The Employer's funding policy is to contribute an amount (calculated on an actuarial basis) equal to the minimum required contribution under ERISA and determine from time to time whether to make additional contributions. The Employer elected funding relief under the Pension Relief Act of 2010 for the 2009 plan year, using the 15-year amortization method. The contributions, as determined by the Plan's consulting actuaries for the year ended August 31, 2023, met the minimum funding standards of ERISA.

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SAINT LOUIS SYMPHONY ORCHESTRA EMPLOYEES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
August 31, 2023 and 2022

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 31, 2023 and 2022.

Mutual funds and exchange traded funds: valued at the daily closing price reported by the fund, which is the quoted net asset value (NAV) of shares.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of August 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds and Exchange Traded Funds	\$ <u>38,554</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>38,554</u>

SAINT LOUIS SYMPHONY ORCHESTRA EMPLOYEES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
August 31, 2023 and 2022

NOTE 5 — SUSIE T. BOVARD TRUST

The Employer is a beneficiary of a perpetual trust established by Susie T. Bovard, for the use and benefit of its pension fund. The trust makes specific annual distributions to four life tenants of the trust. Once these distributions have been paid, the remaining interest earned on the principal of the trust is distributed to various charitable organizations. The Employer is one of the four organizations that receive equal distributions of the interest earned each year after annual distributions to the four life tenants have been made. Upon the death of the four life tenants, all income of the trust will be distributed annually to the charitable organizations.

NOTE 6 — TAX STATUS

The Plan obtained its latest determination letter on October 19, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator and the Plan's tax counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan received a favorable determination letter dated February 7, 2024 which provides that the termination of the Plan effective March 31, 2023 did not affect the tax-qualified status of the Plan.

NOTE 7 — CERTIFIED INVESTMENTS

Information regarding investments held at August 31, 2023 and 2022, and net depreciation in fair value of investments, interest and dividends for the years then ended, disclosed in the accompanying financial statements and supplemental schedules, was obtained or derived from data provided to the plan administrator and certified to as complete and accurate by Commerce Bank, the custodian of the Plan.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.
