INDEPENDENT AUDITORS' REPORT

To the Administrator
The VPS Companies Profit Sharing and 401(k) Plan
Watsonville, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The VPS Companies Profit Sharing and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended May 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of May 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE VPS COMPANIES PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements
Years Ended May 31, 2023 and 2022

NOTE 1. DESCRIPTION OF PLAN

The following description of The VPS Companies Profit Sharing and 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: Effective June 1, 2019 (the Plan amendment date) the Plan is a defined contribution 401(k) plan covering all eligible employees of The VPS Companies, Inc., National Custom Packing, Inc., and Central Cold Storage Corporation (Companies) who have completed 180 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Prior to June 1, 2019 the Plan was a profit sharing plan only and did not allow participants to elect and defer a portion of their salary.

Contributions: Participants in the Plan may elect to reduce their compensation by a specific percentage or dollar amount, up to 100% of their pre-tax annual compensation, and have that amount contributed to the Plan on a pre-tax basis as a salary deferral, subject to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may elect to contribute up to the maximum amount allowable, not to exceed \$22,500 (\$30,000 if over 50 years of age) and \$20,500 (\$27,000 if over 50 years of age) for 2023 and 2022, respectively. In addition, participants may make rollover contributions from individual retirement accounts (IRAs) and other qualified plans.

The participating Companies can make discretionary payments to the Plan. Each Company's discretionary contributions are determined annually by the Boards of Directors and were 10.5%, 3.5%, and 3.5% of base compensation for The VPS Companies, Inc., National Custom Packing, Inc., and Central Cold Storage Corporation, respectively, for the years ended May 31, 2023 and 2022. The Company made a 3% safe harbor non-elective contribution of each eligible participant's base compensation to the Plan for the years ended May 31, 2023 and 2022.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The deferral rate for automatically enrolled participants is equal to 3% of eligible compensation, which is then increased by 1% each year thereafter until the amount withheld reaches 6%.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contributions, (b) Plan earnings, and (c) fees. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Years Ended May 31, 2023 and 2022

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: The Plan permits participants to borrow against their vested account balances. Participants may borrow 50% of their vested account balance, up to \$50,000 in any twelve-month period. The minimum loan amounts are \$1,000. The loans are secured by the balance in the participant's account and bear an interest rate equal to 1% in excess of the Prime Rate charged by Principal Trust Company at the time of the loan. Loans made for purposes other than acquiring a principal residence must be repaid in no more than 5 years. Loans for the purchase of a principal residence must be repaid in no more than 15 years. Required periodic principal and interest payments are made by payroll deduction.

Payment of Benefits: Upon death, disability, or retirement, a participant with a vested account value of greater than \$5,000 may elect to receive the value of his or her account as a lump sum amount payable to the participant or his or her beneficiary, as payments over a certain period in installments, or as an annuity over the life expectancy of the participant.

The plan provides that if an employee separates and has a vested balance of less than \$5,000, a lump sum distribution to the employee will be made to the employee as soon as administratively practicable. The employee can elect to receive the distribution or roll the distribution over into another retirement plan.

Vesting: Participants are immediately vested in amounts rolled over from their previous employer's plans plus actual earnings thereon. Participants are fully vested in the Company's safe harbor contributions after two years of continuous service in the Plan. Vesting in the Company's discretionary contributions is based on years of continuous service in the Plan. A participant is vested after years of credited service per the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts: At May 31, 2023 and 2022, forfeited non-vested account balances totaled \$22,739 and \$34,784, respectively. Non-vested balances are forfeited at the earlier of the time a former participant is paid their entire vested account balance or five years after working under 500 hours in a Plan year. These unvested balances are allocated among the remaining participants' accounts in the Plan year following the year of forfeiture. Total forfeitures applied to participants' accounts in the years ended May 31, 2023 and 2022 were \$19,762 and \$21,957, respectively.

Notes to Financial Statements
Years Ended May 31, 2023 and 2022

NOTE 1. DESCRIPTION OF PLAN (Continued)

Administrative Expenses: Investment management fees and other fees related to investments of the Plan are paid either from the earnings of the Plan's investments or from forfeitures. All other expenses relating to the operation of the Plan are paid by the Companies.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits payments are recorded when paid.

Valuation of Notes Receivable from Participants: Notes receivable from participants are stated at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

The Galliard Stable Return Fund is held in a common/collective trust and consists primarily of investments in fixed-income securities and bond funds; however, the fund will also purchase third-party wrap contracts and investment contracts, which results in the probability that participant-directed transactions with investments in the fund will be at contract value. Therefore, investments in the fund are considered to be fully-benefit responsive. As a result, investments in the fund are reported at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties: The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

THE VPS COMPANIES PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements
Years Ended May 31, 2023 and 2022

NOTE 3. CERTIFIED INFORMATION

The financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income, and the schedule of assets (held at end of year) have been derived from information certified as complete and accurate by Fidelity Management Trust Company, the current custodian of the Plan, and Principal Trust Company, the former custodian of the Plan, in accordance with Section 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4. TAX STATUS

The Plan adopted a Prototype Standardized Profit Sharing Plan with a cash or deferral arrangement that received a favorable opinion later from the Internal Revenue Service on June 30, 2020. The letter stated the form of the Plan was acceptable under the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Financial Accounting Standards Board (FASB) issued guidance that clarifies the accounting for uncertainty in income taxes recognized in the Plan's financial statements. In addition, the guidance prescribes a comprehensive model for recognizing, measuring, presenting, and disclosing in the financial statements tax positions taken or expected to be taken on a tax return, including positions that the Plan is not subject to income taxes. In addition, it provides guidance on de-recognition, classification, interest and penalties, accounting for interim periods, disclosure, and transition. Only tax positions that meet the more likely than not recognition threshold at the effective date may be recognized upon adoption of guidance.

As of May 31, 2023, the Company has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

NOTE 5. FAIR VALUE MEASUREMENTS

FASB ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

THE VPS COMPANIES PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements
Years Ended May 31, 2023 and 2022

NOTE 5. FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2023 and 2022:

- Mutual funds are based on quoted net asset values ("NAV") of the shares held by the Plan at year-end.
- The stable value collective trust fund is a stable value fund that invests in a fully benefit-responsive investment contract and is valued at the NAV of units of the collective trust. The fund is solely invested in Galliard Stable Return Fund, a collective trust fund which invests in investment and security-backed contracts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a 12 month notice prior to distribution.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2023:

	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Mutual funds	<u>\$ 13,028,681</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 13,028,681

Years Ended May 31, 2023 and 2022

NOTE 5. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2022:

	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Mutual funds	\$ 14,523,914	\$ --	\$ --	\$ 14,523,914
Investments measured at net asset value *				6,950,156
Total investments at fair value				\$ 21,474,070

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 6. PARTY-IN-INTEREST

The custodian of the Plan is Fidelity Management Trust Company. The purchase by the Plan of certain proprietary funds sponsored by the units and subsidiaries of Fidelity Management Trust Company constitutes party-in-interest transactions which are allowable under the ERISA regulations.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation and financial reporting of the Plan. The Company pays these individuals salaries and also pays other administrative expense on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan.

These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory and administrative exemptions from the IRC and ERISA's rules on prohibited transactions.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Net assets available for benefits per Form 5500	<u>\$ 20,697,944</u>	<u>\$ 21,905,775</u>
Statements of changes in net assets available for benefits:		
Decrease in net assets per the financial statements	\$ (1,113,118)	\$ (1,952,415)
Change in employer contribution receivable	<u>(94,713)</u>	<u>(46,876)</u>
Net loss per Form 5500	<u>\$ (1,207,831)</u>	<u>\$ (1,999,291)</u>

NOTE 9. PROHIBITED TRANSACTIONS

During the years ended May 31, 2023 and 2022, the Plan Sponsor failed to remit \$10,121 and \$3,872, respectively, of certain contributions to the Plan in a timely manner, as defined by ERISA. The Plan Sponsor has determined the amount of corrective lost earnings payments due to the Plan participants and remitted to the Plan subsequent to year-end.

NOTE 10. SUBSEQUENT EVENTS

The Plan's management has evaluated its May 31, 2023 and 2022 financial statements for subsequent events through May 6, 2024, the date the financial statements were available to be issued. The Plan's management is not aware of any subsequent events that would require recognition or disclosure in the financial statements.
