INDEPENDENT AUDITORS' REPORT

To the Trustees of Wolf & Company, P.C.
401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Wolf & Company, P.C. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022 and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held At End of Year) as of September 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the Wolf & Company, P.C. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering all full-time employees of Wolf & Company, P.C. (the Company). Part-time employees are eligible to participate in the Plan after completing one year of service (minimum 1,000 hours). The Plan allows for full-time employees to immediately participate in the Plan upon their date of employment, unless they specifically opt out of the Plan. New participants are automatically enrolled in the Plan with a deferral percentage equal to 6% of their eligible compensation, as defined in the Plan agreement. The Plan is qualified under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 60% of their annual compensation, as defined in the Plan agreement, not to exceed the dollar limitations as provided in the IRC. Deferrals may either be on a pre-tax or after-tax basis (Roth deferrals). Participants who have attained age 50 before the end of the calendar year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer matching and nonelective contributions are discretionary and are determined by the Company annually. For the years ended September 30, 2023 and 2022, the employer matching contribution was 25% of the participant's deferred contribution, of which the participant's deferred contribution was limited to 6% of eligible compensation. For the years ended September 30, 2023 and 2022, the Company also provided a discretionary nonelective contribution of 5% of participants' eligible compensation to those employees who were ineligible to participate in the Company's defined benefit pension plan.

The Company may also make additional discretionary contributions for certain key employees up to limits provided under the IRC. These participants shall receive an allocation of such additional discretionary contributions equal to the product of the percentage of such participant's compensation that is equal to the uniform percentage of all participants' compensation that the Company has specified with respect to the contribution times the number of Plan years in which such participant has been an employee of the Company.

See independent auditors' report.

WOLF & COMPANY, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

Participants direct the investment of all contributions into various investment options offered by the Plan which include mutual funds and a stable value fund held by a common/collective trust. The mutual funds invest in various combinations of debt and equity securities.

Participant Accounts

Each participant's account is credited with the participant's contributions, and an allocation of (a) the Company's matching contribution, if any, (b) the Company's nonelective and discretionary contributions, if any, (c) Plan net earnings or net losses, (d) any revenue sharing from the Plan's investments and (e) administrative expenses of the Plan if not paid by the Company. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion is based on years of continuous service. A participant is fully vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the participant's vested account balance and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or their beneficiary, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in periodic installments. The Plan provides for mandatory distribution of a participant's vested account balance following severance from employment if such amount is not greater than \$5,000.

See independent auditors' report.

WOLF & COMPANY, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

Early Withdrawals

Prior to termination of employment, disability or death, upon written request to the Plan administrator, participants may make in-service distributions from their accounts upon attainment of age 59 ½ in an amount up to 100% of the vested portion of their account attributable to all contributions or, in the event of a serious financial hardship, up to 100% of the vested portion of their account attributable to their elective deferrals and any Company contributions, as defined in the Plan agreement.

Forfeited Accounts

As of September 30, 2023 and 2022, forfeited non-vested accounts totaled \$80,234 and \$23,908, respectively. These accounts will be used to reduce future employer contributions in accordance with the Plan agreement. Also, in 2023, employer contributions were reduced by \$24,339 from forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Trustees to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by its investment advisor and Empower Trust Company, LLC (the Custodian). See Note 3 for a discussion of fair value measurements.

See independent auditors' report.

WOLF & COMPANY, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's losses and gains on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. An allowance for credit losses has not been recorded as of September 30, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Administrative expenses are to be paid by the Plan unless paid by the Company. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative costs and substantially all expenses related to the Plan are paid by the Plan and are charged to participants' accounts. Participants receive all revenue credits paid by the Plan's investment funds. Fees related to the administration of the Plan that are paid by the Plan are recorded as administrative and other fees. Fees paid for investment management fees within each fund are included as a reduction of the return earned by each mutual fund.

Subsequent Events

The Plan has evaluated subsequent events through June 6, 2024, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value

See independent auditors' report.

WOLF & COMPANY, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2023 and 2022.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust - A Stable Value Fund issued by Reliance Trust Company that is composed primarily of group annuity contracts of Metropolitan Life Insurance Company (MetLife) that is valued daily at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

See independent auditors' report.

WOLF & COMPANY, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the Stable Value Fund, the issuer reserves the right to require 30 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of September 30, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$44,429,384	\$ -	\$ -	\$44,429,384
Total assets in the fair value hierarchy	<u>\$44,429,384</u>	<u>\$ -</u>	<u>\$ -</u>	<u>44,429,384</u>
Investments measured at net asset value (a)				<u>1,463,781</u>
Investments at fair value				<u>\$45,893,165</u>

	Assets at Fair Value as of September 30, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$35,177,671	\$ -	\$ -	\$35,177,671

Investments measured at net asset value (a)				<u>1,225,102</u>
Investments at fair value				<u>\$36,402,773</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits and notes to the financial statements.

See independent auditors' report.

WOLF & COMPANY, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share as the practical expedient as of September 30, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
<u>September 30, 2023</u>				
Reliance Trust Company Stable Value Fund	\$ 1,463,781	N/A	Daily	30 days
<u>September 30, 2022</u>				
Reliance Trust Company Stable Value Fund	\$ 1,225,102	N/A	Daily	30 days

Stable Value Fund

The Plan invests in the Reliance Trust Company Stable Value Fund (the Stable Value Fund) which in turn invests in group annuity contracts issued by MetLife. The annuity contracts invest in various MetLife separate accounts. The Stable Value Fund is included in the Statement of Net Assets Available for Benefits at fair value which represents the price at which Plan participants may buy or sell units.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in all Company contributions.

5. TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor (DOL) Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. For the years ended September 30, 2023 and 2022, the Plan's transactions with

See independent auditors' report.

WOLF & COMPANY, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

parties-in-interest related to administrative expenses and investment advisory and recordkeeping fees paid to Empower Retirement and Empower Trust Company, LLC. In addition, certain employees of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. For the year ended September 30, 2023, \$140,131 of costs were incurred by the Plan and \$20,956 of investment management fees were accrued and included in Plan liabilities as of September 30, 2023.

6. TAX STATUS OF THE PLAN

The Plan obtained its latest determination letter from the Internal Revenue Service (IRS) dated November 14, 2022 in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, a provision for income taxes has not been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS or the DOL. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of September 30, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL; however, there are currently no audits for any tax periods in progress.

7. PLAN FINANCIAL INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at September 30, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended September 30, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the Plan's Custodian.

See independent auditors' report.

8. RISKS AND UNCERTAINTIES

Market Risks

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
