ARGO Data Resource Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ARGO Data Resource Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of ARGO Data Resource Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ARGO Data Resource Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ARGO Data Resource Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ARGO Data Resource Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ARGO Data Resource Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

Administration

Under the terms of a trust agreement with Fidelity Management Trust Company ("FMTC") and ARGO Data Resource Corporation 401(k) Plan, Fidelity Investments Institutional Operations Company, Inc. ("FIIOC") is involved in the processing and record-keeping of Plan investment contributions and distributions. FMTC manages the Plan interest in the registered investment company. Accordingly, FMTC has been granted certain authority concerning investment and management powers.

Reasonable cost and expenses incurred in the administration of the plan may be charged to the Plan. In addition, ARGO Data Resource Corporation ("Company") may pay certain administrative expenses directly.

Contributions

Participants may make regular contributions of up to 60% of pretax annual compensation and may make additional contributions with approval from the employer of up to 100% of their effectively available compensation as defined in the Plan, not to exceed dollar amounts as set by federal regulations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a broad range of investment alternatives for participants. The Company makes non-discretionary matching contributions on per paycheck basis in an amount equal to 50% of the first 6% of eligible compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company. In addition, according to the plan document, participants shall be permitted to irrevocably designate a portion, or all of the deferral contributions made as Roth 401(k) contributions that are includable in the participant's gross income at the time of deferral. Contributions are subject to certain limitations by law up to the maximum contributions under Section 402(g) of the IRC.

Notes to the Financial Statements December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (Continued)

Contributions (continued)

On January 3, 2012, the Plan filed an adoption agreement amendment to increase the automatic enrollment contribution percentage from 3% to 6%.

Vesting

Participant contributions, plus the earnings thereon, vest immediately. Participants become fully vested (20% per year beginning with year 2) in matching contributions and the earnings thereon upon the completion of 6 years of service, upon termination of the plan, upon attainment of normal retirement age, or upon death or disability. Forfeitures of the employer's contributions due to Participants withdrawing from the plan prior to full vesting may be used to reduce the employer's future contributions.

Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their Participant's vested account balance. Loans are secured by the balance in the participant's account and bear interest at rates as determined by the Plan administrator. Loans must be repaid within 5 years (may exceed 5 years for a primary residence loan) through payroll deductions.

Distributions

The participant or beneficiary may elect to receive a distribution(s) upon retirement, termination (elective or due to disability), death, or in the event of financial hardship. The Trustee pays any benefit provided by the Plan directly to the participant or in the form of a direct rollover to another qualified plan or an IRA. All distribution(s) are made in lump-sum amounts up to the value of the funds allocated to the account of the participant, or substantially equal amounts over a period of time. Special rules apply to a distribution due to financial hardship.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$17 and \$2, respectively. These accounts may be used to pay administrative expenses and to reduce future Company's contributions. During the years ended December 31, 2023 and 2022 Company contributions were reduced by \$103,001 and \$139,448, respectively, from forfeited nonvested accounts. Administrative expenses for the years ended December 31, 2023 and 2022 of \$1,218 and \$1,486, respectively, were paid from forfeited non-vested accounts. Total administrative expenses paid by the plan sponsor were \$1,536.

1. DESCRIPTION OF THE PLAN (Continued)

Plan Termination

The Company expects to continue the Plan indefinitely, but the Company's 401(k) Plan Committee reserves the right to terminate the Plan at any time and for any reason. Upon termination of the Plan, all benefits shall be fully vested, and each Participant will become 100% vested in their accounts.

The Trustee in a single lump sum payment shall make payment of such amounts to each Participant in accordance with plan provisions until the Trustee has distributed all assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the modified cash basis of accounting, which is a comprehensive accounting basis other than generally accepted accounting principles.

Valuation of Investments

The Trustee uses quoted market prices to value all investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Gains and losses on securities transactions are recorded on a current value basis. Unrealized gains and losses are calculated as current value of investments at the end of the plan year less current value at the beginning of the Plan year or acquisition cost if acquired during the Plan year.

Use of Estimates

The preparation of financial statements in conformity with the accounting method described above requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

		Fair Value Measurements Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	
December 31, 2023	Fair Value		
Cash-money market reserves	\$ 3,295,454	\$	3,295,454

		Fair Value Measurements Using:

Total	<u>\$ 41,923,174</u>	<u>\$</u>	<u>41,923,174</u>

[FASB ASC 820-10](#) (formerly [SFAS No. 157, Fair Value Measurements](#)) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The fair values of common stock are valued at the closing price reported on the active market on which the individual securities are traded based on quoted market prices.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net investment gains (losses).

6. TAX STATUS OF THE PLAN

The Plan has adopted The Chase Retirement Solutions Retirement Plan (Profit Sharing/401(k) Plan), A Fidelity Prototype Plan of the Fidelity Management & Research Company. The employer has not requested an individual determination letter from the Internal Revenue Service with respect to the Plan's qualifications, as it is not a requirement.

Management believes that the Plan is qualified under section 401(a) of the IRC and applicable sections of ERISA, and therefore the Trust is exempt from taxation under section 501(a). Accordingly, employee contributions, employer contributions, and earnings of the Plan are not taxable to the participants until distributed. Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents, as amended, which would subject the Plan to disqualification. Management intends to maintain the Plan's qualification under the IRC and ERISA. Management has adopted all plan amendments as required by legislation. The Plan has complied with fidelity bonding requirements of ERISA.

The Plan is no longer subject to U.S. federal or state and local income tax examinations by tax authorities for years before 2020.

7. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan or party rendering services to the Plan, the Employer and certain others. As such, transactions conducted by the Custodian or Trustees qualify as party-in-interest transactions.

8. FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator has accepted the certification of FMTC that the unaudited financial information related to investments and investment income used in the preparation of the Plan's financial statements and Schedule of Assets Held for Investment is complete and accurate.

9. PRIOR PERIOD ADJUSTMENT

The Plan recorded a prior period adjustment at December 31, 2022 to restate liabilities as of the beginning of the year. Had the entry been recorded as of December 31, 2021, the effect would have decreased deferred credits-forfeiture account by \$25,088 and increased net assets available for benefits by \$25,088.

10. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through June 13, 2024, the date the financial statements were available to be issued.

ARGO Data Resource Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ARGO Data Resource Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of ARGO Data Resource Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ARGO Data Resource Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ARGO Data Resource Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ARGO Data Resource Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ARGO Data Resource Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

ARGO Data Resource Corporation 401 (k) Plan

Notes to the Financial Statements December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the ARGO Data Resource Corporation 401 (k) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who have completed one month of service and are 21 years of age or older. The Plan was established in accordance with Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration

Under the terms of a trust agreement with Fidelity Management Trust Company ("FMTC") and ARGO Data Resource Corporation 401(k) Plan, Fidelity Investments Institutional Operations Company, Inc. ("FIIOC") is involved in the processing and record-keeping of Plan investment contributions and distributions. FMTC manages the Plan interest in the registered investment company. Accordingly, FMTC has been granted certain authority concerning investment and management powers.

Reasonable cost and expenses incurred in the administration of the plan may be charged to the Plan. In addition, ARGO Data Resource Corporation ("Company") may pay certain administrative expenses directly.

Contributions

Participants may make regular contributions of up to 60% of pretax annual compensation and may make additional contributions with approval from the employer of up to 100% of their effectively available compensation as defined in the Plan, not to exceed dollar amounts as set by federal regulations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a broad range of investment alternatives for participants. The Company makes non-discretionary matching contributions on per paycheck basis in an amount equal to 50% of the first 6% of eligible compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company. In addition, according to the plan document, participants shall be permitted to irrevocably designate a portion, or all of the deferral contributions made as Roth 401(k) contributions that are includable in the participant's gross income at the time of deferral. Contributions are subject to certain limitations by law up to the maximum contributions under Section 402(g) of the IRC.

ARGO Data Resource Corporation 401 (k) Plan

Notes to the Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (Continued)

Contributions (continued)

On January 3, 2012, the Plan filed an adoption agreement amendment to increase the automatic enrollment contribution percentage from 3% to 6%.

Vesting

Participant contributions, plus the earnings thereon, vest immediately. Participants become fully vested (20% per year beginning with year 2) in matching contributions and the earnings thereon upon the completion of 6 years of service, upon termination of the plan, upon attainment of normal retirement age, or upon death or disability. Forfeitures of the employer's contributions due to Participants withdrawing from the plan prior to full vesting may be used to reduce the employer's future contributions.

Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their Participant's vested account balance. Loans are secured by the balance in the participant's account and bear interest at rates as determined by the Plan administrator. Loans must be repaid within 5 years (may exceed 5 years for a primary residence loan) through payroll deductions.

Distributions

The participant or beneficiary may elect to receive a distribution(s) upon retirement, termination (elective or due to disability), death, or in the event of financial hardship. The Trustee pays any benefit provided by the Plan directly to the participant or in the form of a direct rollover to another qualified plan or an IRA. All distribution(s) are made in lump-sum amounts up to the value of the funds allocated to the account of the participant, or substantially equal amounts over a period of time. Special rules apply to a distribution due to financial hardship.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$17 and \$2, respectively. These accounts may be used to pay administrative expenses and to reduce future Company's contributions. During the years ended December 31, 2023 and 2022 Company contributions were reduced by \$103,001 and \$139,448, respectively, from forfeited nonvested accounts. Administrative expenses for the years ended December 31, 2023 and 2022 of \$1,218 and \$1,486, respectively, were paid from forfeited non-vested accounts. Total administrative expenses paid by the plan sponsor were \$1,536.

1. DESCRIPTION OF THE PLAN (Continued)

Plan Termination

The Company expects to continue the Plan indefinitely, but the Company's 401(k) Plan Committee reserves the right to terminate the Plan at any time and for any reason. Upon termination of the Plan, all benefits shall be fully vested, and each Participant will become 100% vested in their accounts.

The Trustee in a single lump sum payment shall make payment of such amounts to each Participant in accordance with plan provisions until the Trustee has distributed all assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the modified cash basis of accounting, which is a comprehensive accounting basis other than generally accepted accounting principles.

Valuation of Investments

The Trustee uses quoted market prices to value all investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Gains and losses on securities transactions are recorded on a current value basis. Unrealized gains and losses are calculated as current value of investments at the end of the plan year less current value at the beginning of the Plan year or acquisition cost if acquired during the Plan year.

Use of Estimates

The preparation of financial statements in conformity with the accounting method described above requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

		Fair Value Measurements Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	
December 31, 2023	Fair Value		
Cash-money market reserves	\$ 3,295,454	\$	3,295,454
Mutual funds, common stock	49,258,639		49,258,639
Total	<u>\$ 52,554,093</u>	<u>\$</u>	<u>52,554,093</u>

		Fair Value Measurements Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	
December 31, 2022	Fair Value		
Cash-money market reserves	\$ 2,386,484	\$	2,386,484
Mutual funds, common stock	39,536,690		39,755,830
Total	<u>\$ 41,923,174</u>	<u>\$</u>	<u>41,923,174</u>

[FASB ASC 820-10](#) (formerly [SFAS No. 157, Fair Value Measurements](#)) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The fair values of common stock are valued at the closing price reported on the active market on which the individual securities are traded based on quoted market prices.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net investment gains (losses).

6. TAX STATUS OF THE PLAN

The Plan has adopted The Chase Retirement Solutions Retirement Plan (Profit Sharing/401(k) Plan), A Fidelity Prototype Plan of the Fidelity Management & Research Company. The employer has not requested an individual determination letter from the Internal Revenue Service with respect to the Plan's qualifications, as it is not a requirement.

Management believes that the Plan is qualified under section 401(a) of the IRC and applicable sections of ERISA, and therefore the Trust is exempt from taxation under section 501(a). Accordingly, employee contributions, employer contributions, and earnings of the Plan are not taxable to the participants until distributed. Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents, as amended, which would subject the Plan to disqualification. Management intends to maintain the Plan's qualification under the IRC and ERISA. Management has adopted all plan amendments as required by legislation. The Plan has complied with fidelity bonding requirements of ERISA.

The Plan is no longer subject to U.S. federal or state and local income tax examinations by tax authorities for years before 2020.

7. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan or party rendering services to the Plan, the Employer and certain others. As such, transactions conducted by the Custodian or Trustees qualify as party-in-interest transactions.

8. FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator has accepted the certification of FMTC that the unaudited financial information related to investments and investment income used in the preparation of the Plan's financial statements and Schedule of Assets Held for Investment is complete and accurate.

9. PRIOR PERIOD ADJUSTMENT

The Plan recorded a prior period adjustment at December 31, 2022 to restate liabilities as of the beginning of the year. Had the entry been recorded as of December 31, 2021, the effect would have decreased deferred credits-forfeiture account by \$25,088 and increased net assets available for benefits by \$25,088.

10. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through June 13, 2024, the date the financial statements were available to be issued.
