INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Essex Management LLC 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Essex Management LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of November 1, 2023 (In Liquidation) and December 31, 2022 (Ongoing), and the related statement of changes in net assets available for benefits – liquidation basis for the period from January 1, 2023 to November 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Essex Management LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 1, 2023 and December 31, 2022, and for period from January 1, 2023 to November 1, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statement section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Essex Management LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter - Termination of the Plan and Liquidation Basis of Accounting

As discussed in Note 2 to the financial statements, the Plan Administrator of Essex Management LLC 401(k) Profit Sharing Plan and Trust approved a liquidation of the Plan on January 1, 2023 effective on March 16, 2023. As a result, the Plan has presented the financial statements on the liquidation basis. The Plan ceased operations as of November 1, 2023 and no longer holds any assets on the behalf of Plan participants. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Essex Management LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Employees are eligible to participate in the safe harbor match contribution and discretionary match contribution once they have satisfied the age requirement of 21 years.

Employees are eligible to participate in the discretionary profit sharing portion of the Plan when once they have satisfied the age requirement of 21 years, one year of service, employed on the last day of the Plan year and has been credited with at least 501 hours of service during the plan year.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participants may also contribute amounts representing distributions from other qualified retirement plans. The safe harbor match contribution for the period from January 1, 2023 to November 1, 2023 was 100% of the first 4% of the eligible participant compensation contributed to the Plan. Additional discretionary match contributions and discretionary profit sharing contributions may be made at the option of the Plan sponsor. There was no discretionary match contribution or discretionary profit sharing contribution to the Plan for the period from January 1, 2023 to November 1, 2023. The Company safe harbor match contribution to the Plan was \$175,481 for the period from January 1, 2023 to November 1, 2023.

When the Plan was terminated effective March 16, 2023, no further employee contributions into the Plan were permitted (Note 2).

Participant Accounts: Each participant's account is credited with an allocation of the participant's contributions, the Company contributions, plan earnings, and charged with an allocation of administrative expenses. ESSEX MANAGEMENT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 1, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

NOTE 1: (Continued):

Vesting: Participants are 100% vested in their deferral, rollover, and matching contributions, including the earnings on these amounts. Vesting in the Company's discretionary profit sharing contribution plus actual earnings thereon is based on years of continuous service. Vesting in the Company's discretionary profit sharing contribution is based on the following schedule:

Less than 2 years	0%
2 years but less than 3 years	20%
3 years but less than 4 years	40%
4 years but less than 5 years	60%
5 years but less than 6 years	80%
6 or more years	100%

Notes Receivable from Participants: At the discretion of the Plan, participants may borrow from their accounts up to a maximum of the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of up to 30 years. The loans are secured by the balance in the participant's account and bear interest at a rate that professional lenders would charge, as determined by the plan administrator. The notes currently bear interest at a range of 4.25% to 8.0%. Generally, principal and interest are paid ratably through payroll deductions. Participants are limited to having no more than two outstanding loans at one time.

Payment of Benefits: Amounts contributed through salary or wage reductions may be withdrawn by, or distributed to, a participant only upon (1) termination of employment (2) attaining the age of 59 ½ (3) active military distribution subject to the provisions of the HEART Act, or (4) qualified reservist distribution. Withdrawals prior to attaining age 59 ½ are not generally permitted, except in the event of disability or as a hardship distribution. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed by a participant, subject to a \$500 minimum, may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

On termination of service due to death, disability or retirement, all amounts credited to a participant's account become fully vested. For termination of service due to other reasons, a participant is entitled to the value of the vested interest in their account. A participant may elect to receive the value in their account in a lump sum amount or in installments over a number of years, based upon election of the participant or the Plan, as defined in the Plan.

Forfeitures: Forfeitures of discretionary profit sharing contributions may be used to pay plan expenses under the Plan at any time. \$3,347 of forfeitures were used to pay Plan expenses during the period from January 1, 2023 to November 1, 2023. Any forfeitures not used to pay plan expenses shall be applied to the Company's matching contributions for the plan year immediately following. No forfeitures were used to reduce the Company's safe harbor match contribution for the year ended November 1, 2023.

ESSEX MANAGEMENT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 1, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

NOTE 2: Plan Termination: On January 1, 2023 the Plan Sponsor approved the termination of the Essex Management LLC 401(k) Profit Sharing Plan and trust effective March 16, 2023. On that date no further participant or employer contributions were made to the Plan. Participants still active in the Plan at that time became fully vested. All participants had until August 10, 2023 to request final distributions from the Plan, and all plan assets were liquidated as of November 1, 2023.

NOTE 3: Summary of Accounting Policies:

Basis of Accounting and Use of Estimates: The financial statements of the Plan were prepared on the accrual basis of accounting for the year ending December 31, 2022. Investment contracts held by a defined contribution retirement plan were required to be reported at fair value.

The liquidation basis of accounting was adopted upon the decision to terminate the Plan. The financial statements of the Plan are prepared on the liquidation basis of accounting for the period ending November 1, 2023. Investment contracts held by the Plan have been valued based upon the proceeds to be realized upon their disposal. The net assets of the Plan were used to fully settle all remaining participant balances and other payments made by the Plan to settle Plan expenses or obligations and was completed on November 1, 2023. The adoption of the liquidation basis of accounting did not result in a change in the net assets of the Plan.

The preparation of the financial statements is in conformity with accounting principles generally accepted in the United States of America require the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits to participants are recorded when paid.

ESSEX MANAGEMENT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 1, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

NOTE 3: (Continued):

Plan Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 4: Fair Value Measurements: Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

The following is a description of the valuation methodology used for assets measured at fair value:

ESSEX MANAGEMENT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 1, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

NOTE 4: (Continued):

Mutual Funds

Mutual funds are valued using Level 1 inputs, which consist of the quoted price of shares held by the Plan at year end.

There have been no changes in the methodologies used at November 1, 2023 and December 31, 2022.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5: Party-In-Interest Transactions: Plan assets include investments in funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is a trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Other parties in interest include professional service firms who provide services to the Plan. Administrative expenses paid by the Plan totaled \$3,753 for the period ended November 1, 2023.

NOTE 6: Income Tax Status: The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 1, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 7: Financial Data Certified by the Trustee: Information presented in the accompanying statements, including investments held as of November 1, 2023 and December 31, 2022, and net change in fair value of investments and interest and dividend income for the period from January 1, 2023 to November 1, 2023, was obtained or derived from information certified as complete and accurate by Fidelity Management Trust Company, the qualified institution.

NOTES TO FINANCIAL STATEMENTS

NOTE 8: Risks and Uncertainties: The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9: Reconciliation of Financial Statements to Form 5500: The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500 as of November 1, 2023 (In Liquidation) and December 31, 2022 (Ongoing):

The following is a reconciliation of the decrease in net assets per the financial statements to the Form 5500 for the period from January 1, 2023 to November 1, 2023:
