Independent Auditor's Report

The Plan Administrator
403(b) Thrift Plan for
EIHAB Human Services, Inc.
Springfield Gardens, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan for EIHAB Human Services, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of June 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H (Form 5500), Line 4a - Schedule of Delinquent Participant Contributions for the year ended June 30, 2023 and Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan for EI HAB Human Services, Inc.

Notes to Financial Statements

1. Description of the Plan

The following brief description of the 403(b) Thrift Plan for EI HAB Human Services, Inc. (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan.

General

The Plan is a defined contribution plan covering all eligible employees of EI HAB Human Services, Inc. (the Employer), as defined in the Plan document. The Plan was established effective as of July 1, 2005 and amended since then. For purposes of making salary deferral contributions, employees may enter the Plan immediately. To be eligible to receive the non-elective employer contributions, the participant must also be employed by the Employer for more than one year and be at least 21 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may elect to defer a portion of their annual earnings to the Plan. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Rollover contributions are subject to the terms of the Plan and are fully vested and non-forfeitable. The Employer makes a non-elective contribution of 2% of an eligible employee's salary to the Plan. For the years ended June 30, 2023 and 2022, the Employer contributed \$530,461 and \$642,095, respectively. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Investment Options

All of the Plan's investment options are fully participant directed. Participants may direct the investment of their account balances into any of the Plan's available investment options with Mutual of America Life Insurance Company (Mutual of America) and Massachusetts Mutual Life Insurance Company (Mass Mutual). Effective October 16, 2020, Mass Mutual's retirement plan business was acquired by Great-West Trust Company, LLC (Great-West).

Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contract Loans to Participants

Participants may borrow from Mutual of America and use their Plan account balance (invested in the pooled separate accounts or guaranteed interest contract) as collateral. The collateral must be equal to or exceed 120% of the loan, and payments on the loan are made outside of the Plan. Participants may borrow a minimum of \$1,000 up to a maximum of the lesser of ½ of the vested account balance or \$50,000. The loans bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed, as determined by Mutual of America. Loan terms range from

403(b) Thrift Plan for EI HAB Human Services, Inc.

Notes to Financial Statements

one to five years; however, terms may exceed five years for the purchase of a primary residence. These loans are not considered assets of the Plan and therefore are not reported in the statements of net assets available for benefits. As of June 30, 2023 and 2022, the total outstanding Plan loans collateralized by individual participant accounts were \$356 and \$707, respectively. As such, \$427 and \$848 as of June 30, 2023 and 2022, respectively, of account values serve as collateral for the related loans.

Notes Receivable from Participants

Effective October 1, 2017, an active participant may borrow from his or her vested account balance. The maximum amount of any loan is the lesser of 50% of the participant's vested interest minus any existing loan balance, or \$50,000 reduced by the participant's highest outstanding loan balance in the previous 12 months even if all or a portion of this amount has been repaid. The Plan limits the minimum amount of any loan to \$1,000. An individual may have no more than two loans outstanding at any one time. A general purpose loan can have a term of anywhere between one to five years. The interest rate on loans is based on the prime rate of interest published by The Wall Street Journal as of the date of the loan, plus 4%. At June 30, 2023 and 2022, interest rates on the loans outstanding ranged from 4.00% to 12.00% and from 4.00% to 8.00%, respectively.

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Employer contribution portion of their accounts is based on years of service and follow the schedule below:

Years of Service	Vesting (%)
Less than 2	-
2	20
3	40
4	60
5 or more	100

Payment of Benefits

On termination of service due to death, disability, retirement, or severance from employment, a participant is entitled to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or payments at will. Participants are entitled to retirement benefit payments beginning at the age of 65 based on the full value of their accounts at the normal retirement date. Participants will normally receive payment of their benefits as soon as practicable following their retirement date. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

If a participant leaves the Employer before becoming fully vested, any nonvested Employer contributions and investment earnings thereon are forfeited. These forfeitures are used to either reduce subsequent Employer contributions to the Plan or reduce reasonable expenses for administering the Plan. As of June 30, 2023 and 2022, the ending forfeiture balances amounted to

403(b) Thrift Plan for EI HAB Human Services, Inc.

Notes to Financial Statements

\$332,789 and \$272,802, respectively. During the year ended June 30, 2023, \$56,119 was forfeited by withdrawing participants, the forfeiture account earned \$3,868 in investment income, and no forfeiture balance was used to pay Plan-related expenses or Employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented under the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. These estimates include fair values of investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan (except for the fully benefit-responsive investment contracts) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Fully benefit responsive investment contracts are reported at contract value. The guaranteed investment contracts are presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mutual of America, Mass Mutual, and Great-West Life & Annuity Insurance Company of New York (GWLA of NY) represents contributions made under the contracts plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the period.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of benefit payments and general service charges are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments on the statements of changes in net assets available for benefits.

Benefit Payments

Benefit payments are recorded when paid.

403(b) Thrift Plan for EI HAB Human Services, Inc.

Notes to Financial Statements

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. Risks and Uncertainties

The Plan is invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Certified Investments

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America, Reliance Trust Company (Reliance), Great-West, and GWLA of NY, qualified institutions, have certified that the following investment information included in the accompanying financial statements and the ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefit as of the June 30, 2023 and 2022.
- Net appreciation (depreciation) in fair value of investments, interest and dividend income, and interest income on notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefit for the years ended June 30, 2023 and 2022.
- Investment information included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023 as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule are in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

403(b) Thrift Plan for EI HAB Human Services, Inc.

Notes to Financial Statements

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, are described as follows:

Level 1 - This level consists of inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - This level consists of inputs to the valuation methodology that include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - This level consists of inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual Funds - These funds are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts - These accounts are valued at their accumulation unit value (AUV), which approximates fair value. The AUV is determined daily based on the NAV of shares of the underlying fund and the separate account charges (i.e., the daily asset charge). The NAV, as provided by Mutual of America, is used as a practical expedient to measure fair value. The Plan's investments in the pooled separate accounts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, assets at fair value:

June 30, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,568,042	\$ -	\$ -	\$ 4,568,042
Total Investment Assets , in the fair value hierarchy	<u>\$ 4,568,042</u>	<u>\$ -</u>	<u>\$ -</u>	<u>4,568,042</u>
Pooled separate accounts, measured at NAV*				<u>176,722</u>
Total Investments , at fair value				<u>\$ 4,744,764</u>

June 30, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,569,808	\$ -	\$ -	\$ 3,569,808
Total Investment Assets , in the fair value hierarchy	<u>\$ 3,569,808</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,569,808</u>
Pooled separate accounts, measured at NAV*				<u>166,149</u>
Total Investments , at fair value				<u>\$ 3,735,957</u>

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts included in this table are intended to permit reconciliation of the fair value hierarchy table to the amounts presented in the statements of net assets available for benefits.

6. Fully Benefit-Responsive Guaranteed Investment Contracts

The Plan entered into fully benefit-responsive guaranteed investment contracts with Mutual of America, and GWLA of NY. Mutual of America, and GWLA of NY maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and at a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) and (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

403(b) Thrift Plan for EI HAB Human Services, Inc.

Notes to Financial Statements

The guaranteed investment contracts do not permit Mutual of America, Mass Mutual, and GWLA of NY to terminate the agreements prior to the scheduled maturity date.

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts.

8. Tax Status

The Plan adopted the volume-submitter plan document provided by Dataair Employee Benefit Systems. Dataair Employee Benefit Systems received an opinion letter dated March 31, 2017 from the IRS stating that the volume-submitter plan document is acceptable under Section 403(b) of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Subsequently, the Plan has been amended. The plan has not obtained a determination letter from the Internal Revenue Service subsequent to the amendment. The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Party-in-Interest Transactions

Certain Plan investments are managed by Mutual of America, and GWLA of NY. Any purchases and sales of these funds qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants and fees paid to Mutual of America, and GWLA of NY also qualify as exempt party-in-interest transactions.

10. Late Remittances

For the year ended June 30, 2023, employee salary deferral withholdings and loan repayments in the amount of \$6,072 were not remitted within the appropriate time period by the Employer. In prior years, employee withholdings in the amount of \$32,891 were not remitted within the appropriate time period by the Employer. These non-exempt party-in-interest transactions constitute a prohibited transaction, as defined by ERISA. The Employer will take the appropriate steps to correct the delinquent contributions by calculating and depositing the corresponding lost earnings into the participant accounts. The Employer has further implemented a procedure to ensure all future remittances are done within the prescribed time period.

Notes to Financial Statements

11. Subsequent Events

The Plan has evaluated subsequent events through June 19, 2024, the date the financial statements were available to be issued. No subsequent events that would require disclosure in these financial statements have been noted as of this date.
