INDEPENDENT AUDITOR'S REPORT

To the Participants and the Trustees of
Stairways Behavioral Health 403b Plan
Erie, PA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of the Stairways Behavioral Health 403b Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Zelenkofske Axelrod LLC

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

The supplemental schedule of Attachment to Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STAIRWAYS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the STAIRWAYS 403(b) PLAN (the Plan) provides only general information. Participants should refer to the Plan Document of Summary Plan Description for a more complete description of the Plan's provisions.

A. General

The Plan is a 403(b) tax-sheltered annuity retirement plan covering substantially all employees of Stairways Behavioral Health (the Agency). Employees of the Agency are eligible to participate in elective salary reduction deferral (employee) contributions immediately upon hire by the Agency, and are eligible to receive matching (employer) contributions when they have achieved 12 months of service and 1,000 hours for bargaining unit participants, and 6 months of service for non-bargaining unit participants. Employees who work less than 20 hours per week are not eligible to participate in the plan. Independent contractors and part-time bargaining unit employees are not eligible to receive non-elective employer contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective November 22, 2013, the Plan was amended and restated to comply with final regulations under section 403(b) of the Internal Revenue Code of 1986, as amended, and to make certain other changes. The amendments did not have a significant effect on benefits or net assets.

B. Contributions

The Agency makes a discretionary employer contributions governed by Agency policy and approved annually. For eligible bargaining unit participants, the contribution is between 2% and 7%. For non-bargaining unit participants the contribution is 7%.

Effective October 13, 2018, the Plan was amended to add a formula for a discretionary employer match. For non-bargaining employees eligible for and electing to participate in the Plan as of August 31, 2018, the Agency may contribute 2% of the employee's gross earnings for the period beginning with the effective date of the amendment. If the employee elects to participate in and defer a portion of the employee's eligible gross earnings to the plan, the Agency may, in addition to its 2% contribution, contribute an amount equal to 50% of the employee's deferred eligible gross earnings, up to a maximum amount equal to 3% of the employees gross earnings, yielding a maximum possible combined employer contribution of 5%.

Also effective October 13, 2018, for eligible bargaining unit employees who become eligible to participate in the Plan, and who start working on or after September 1, 2018, starting with the first anniversary of the employee's date of hire, upon participation, the Agency, starting with the 13th month of eligibility, will contribute 2% of the employee's gross earnings. After 60 months of employment, if the employee elects to defer a portion of the employee's eligible gross earnings to the plan, the Agency will, in addition to its 2% contribution, contribute an amount equal to 50% of the employee's deferred eligible gross earnings, up to a maximum amount equal to 2% of the employees gross earnings, yielding a maximum possible combined employer contribution of 4%.

Employee contributions are elected as a deferral of eligible compensation. A participant's includible compensation means any salary, wages or other remuneration that is includible in his gross income for federal tax purposes less any bonuses received, plus any salary reduction contributions that are not includible in his federal gross income, including salary reduction contributions to the Plan.

STAIRWAYS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

B. Contributions (Continued)

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants. Annual contributions are subject to certain limitations under the Internal Revenue Code.

C. Participant Accounts

Each participant's account is credited with their allocations of the employee's and the Agency's contribution and Plan earnings, and charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are vested immediately in all employee and employer contributions plus actual earnings thereon.

E. Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the one year period prior to the new loan application date, or 50% of their account balance less any current outstanding loan balances. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with rates charged by other lenders on similar loans. Interest is charged at a reasonable rate similar to current financial institution rates. Loan repayments are made ratably through payroll deductions over a period not to exceed 5 years, unless the loans were used to purchase a primary residence, in which case the loan terms may be up to 10 years.

F. Payment of Benefits

Plan benefits begin at the normal retirement age of 65, however, in service distributions can commence upon age 59 ½. Participants who have attained their retirement age shall have a 100% non-forfeitable right in the value of their account. Upon termination of employment due to death, disability, retirement, or other separation participants or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum payment or in annual installments over a period of not more than the participants assumed life expectancy. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

G. Plan Termination

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

JUNE 30, 2023 AND 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting and in conformity with generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the loan to be in default, the loan balance is reduced, and the delinquent participant loan receivable is recorded as a benefit payment based on the terms of the Plan Document.

E. Payment of Benefits

Benefits are recorded when paid.

F. Subsequent Events

Subsequent events have been evaluated through June 12, 2024 which is the date the financial statements were available to be issued. Additionally, subsequent to year end, the Plan's investments were moved from Newport Retirement Services to a new custodian, Mutual of America.

NOTE 3: PLAN ADMINISTRATION

The Plan is administered by the Agency. The Plan is responsible for payment of all administrative expenses. For the years ended June 30, 2023 and 2022, such expenses totaled \$63,943 and \$69,928, respectively. All other administrative costs (i.e. payroll costs related to administration of the Plan) are paid by the Agency and not a deduction from Plan net assets.

NOTE 4: TAX STATUS

The Internal Revenue Service does not currently have a process for this type of plan to be submitted for a determination letter. However, the Plan's tax counsel believes that the Plan is designed, and the Plan administrator believes that the Plan is currently operating, in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained up examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS

During 2023 and 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value by \$1,701,830 and (\$3,617,296), respectively. Interest and dividend income on investments was \$214,072 and \$979,966 during 2023 and 2022, respectively.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 or 2022.

Registered Investment Companies: Mutual funds are valued at the net asset value (NAV) of shares held by the plan at year end, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

	Assets at Fair Value as of June 30, 2023	
	Level 1	Total
Registered Investment Companies	\$ 14,025,465	\$ 14,025,465
Total Investments	<u>\$ 14,025,465</u>	<u>\$ 14,025,465</u>

	Assets at Fair Value as of June 30, 2022	
	Level 1	Total
Registered Investment Companies	\$ 12,463,322	\$ 12,463,322
Total Investments	<u>\$ 12,463,322</u>	<u>\$ 12,463,322</u>

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 7: CERTIFIED FINANCIAL INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at June 30, 2023, and net appreciation in fair value of investments and interest and dividends, for the year ended June 30, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Retirement Services and Mutual of America (the trustee/custodian) of the Plan.

The following information certified by Newport Retirement Services was relied upon in the preparation of the 2023 and 2022 financial statements.

- Investment amounts included in the Statements of Net Assets Available for Benefits at June 30, 2023 and 2022.
- Interest and dividend income and net appreciation (depreciation) in fair value of investments included in the Statements of Changes in Net Assets Available for Benefits for the year ended June 30, 2023 and 2022.

NOTE 8: PARTIES IN INTEREST

The following organizations are considered parties-in-interest based upon their relationship and services they provide to the Plan:

1. Stairways Behavioral Health – Plan Sponsor
2. Newport Retirement Services – Plan Custodian/Administrator
3. Mutual of America – Plan Custodian/Administrator
4. Zelenkofske Axelrod LLC – Plan Audit Firm
5. Trustees of the Plan
