Independent Auditor's Report

To the Plan Administrator of
The Codman Square Health Center 403(b) Pension Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 and 2021 Financial Statements

We were engaged to perform audits of the financial statements of The Codman Square Health Center 403(b) Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (the 2022 and 2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Codman Square Health Center 403(b) Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of September 30, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 and 2021 Financial Statements

We do not express an opinion on the accompanying 2022 and 2021 Financial Statements of The Codman Square Health Center 403(b) Pension Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements

As described in Note 10 to the financial statements, The Codman Square Health Center 403(b) Pension Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements (Continued)

Further, as described in Note 10 to the financial statements, The Codman Square Health Center 403(b) Pension Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income (loss) and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income (loss) and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income (loss) and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2022 and 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Codman Square Health Center 403(b) Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements

Our responsibility is to conduct an audit of The Codman Square Health Center 403(b) Pension Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of The Codman Square Health Center 403(b) Pension Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matters

2022 and 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the years ending September 30, 2022 and 2021, and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of September 30, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Other Matters (Continued)

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Codman Square Health Center 403(b) Pension Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, The Codman Square Health Center 403(b) Pension Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Codman Square Health Center 403(b) Pension Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the *Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans*. The investment income (loss) and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income (loss) and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income (loss) and distributions be included in the 2020 financial statements.

In our report dated April 3, 2023, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

THE CODMAN SQUARE HEALTH CENTER 403(B) PENSION PLAN

Notes to Financial Statements
September 30, 2022, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of The Codman Square Health Center 403(b) Pension Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all eligible employees of The Codman Square Health Center, Inc. (the Plan Sponsor) and employees of Codman Square Health South (Eye Care Center) (Participating Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for the oversight of the Plan, the appropriateness of the Plan's investment offerings and monitors investment performance.

b. Eligibility

Employees become eligible to participate in the Plan upon their date of hire. All employees who are at least 18 years of age become eligible for discretionary matching contributions upon completion of one year of service, with a minimum of 1,000 hours of service. Effective October 1, 2020, eligible employees who are also employed on the last day of the plan year are eligible for discretionary nonelective contributions. Enrollment occurs for employees meeting these eligibility requirements on the first day of the following month. Non-resident aliens, employees who normally work less than 20 hours per week and student employees are excluded from the Plan. Collective bargaining (union) employees and employees of the Eye Care Center are excluded from receiving Plan Sponsor contributions.

c. Contributions

Participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, up to the maximum allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan has a Roth component in which participants can elect to make after-tax deferral contributions into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may make a discretionary matching contribution on behalf of all eligible participants who have also made elective contributions for the Plan year. The Plan Sponsor's discretionary matching contributions are made annually at the higher of 2% of a participant's eligible compensation or \$1,500 and cannot exceed the employees' annual contributions. For the Plan years ended September 30, 2022 and 2021, the Plan Sponsor made discretionary matching contributions of \$246,909 and \$240,049, respectively.

Effective October 1, 2020, the Plan may also make a discretionary nonelective contribution. The Plan's nonelective contributions are determined annually at the discretion of the Plan Sponsor. For the Plan years ended September 30, 2022 and 2021, the Plan Sponsor made discretionary nonelective contributions of \$64,000 and \$157,000, respectively.

1. DESCRIPTION OF PLAN (Continued)

d. Participant Accounts

Each participant's account is credited with the discretionary matching and nonelective contributions and allocation of Plan earnings or losses and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The accounts are participant directed.

e. Vesting

Participants are immediately vested in their voluntary contributions and actual earnings thereon. Participants become vested in the discretionary matching and nonelective contributions based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one year	0%
One year but less than two years	20%
Two years but less than three years	40%
Three years but less than four years	60%
Four years but less than five years	80%
Five years or longer	100%

f. Notes Receivable from Participants

Loans may be made to participants by the Plan in the form of notes receivable. Notes receivable from participants are secured by the balance in the participant's account. The minimum loan allowed is \$1,000. The maximum loan amount is the lesser of \$50,000 or 50% of the participant's vested account balance. The maximum repayment term is five years unless the loan proceeds are used to acquire a principal residence. Participants may not have more than one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions. In the event of termination of employment, the entire outstanding loan balance and accrued interest are due immediately.

g. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65 with at least one year of service or active employees over the age of 59½. There are also retirement benefits available upon disability and death. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of their vested account balance or transfer that amount to another qualified plan. The Plan requires balances up to \$5,000 to be paid out upon termination.

A participant may also request a withdrawal upon demonstration to the Plan Administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the IRC or standards established by the Secretary of the Treasury or their delegate.

1. DESCRIPTION OF PLAN (Continued)

h. Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture, as defined by the plan document. Forfeitures shall be allocated to reduce the Plan Sponsor's discretionary matching and nonelective contributions. There were \$7,850, \$2,810 and \$15,015 in unallocated forfeitures at September 30, 2022, 2021 and 2020, respectively. There were \$9,559 and \$9,013 of forfeitures used to reduce the Plan Sponsor's discretionary matching contributions during the Plan years ended September 30, 2022 and 2021, respectively.

i. SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0 was executed. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 and 2021 financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

The Plan has presented the September 30, 2020 financial statements along with the September 30, 2022 and 2021 financial statement presentation. This allows the Plan to report on one financial statement, the financial information necessary to satisfy the reporting requirements of the Department of Labor (DOL) when amending previously filed incomplete forms 5500 for the plan years ended September 30, 2022 and 2021 (see Note 5).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

Investments and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Guaranteed investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments and Income Recognition (Continued)

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. There were \$15,972 and \$44,183 of deemed distributed loans included in benefits paid to participants in the accompanying statements of changes in net assets available for benefits as of September 30, 2022 and 2021, respectively.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of investments.

Subsequent Events

Subsequent events have been evaluated through May 31, 2024, which is the date the financial statements were available to be issued. Except as disclosed in Note 12, there were no events that met the criteria for recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Standard Insurance Company and Reliance Trust Company, the qualified institutions, have certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of September 31, 2022 and 2021, and the supplemental schedules, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of September 30, 2022 and 2021, and the related investment transactions and investment income (loss) reported in the accompanying statements of changes in net assets available for benefits for the years ended September 30, 2022 and 2021.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedules, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of September 30, 2022 and 2021.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There has been no change in the methodology used at September 30, 2022 and 2021.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Sponsor believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENT (Continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of September 30:

Mutual funds, at fair value	<u>\$ 10,086,056</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,086,056</u>

5. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated March 31, 2017, in which the Internal Revenue Service (IRS) stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions' however, there are currently no audits for any tax periods in progress.

The Plan filed an incomplete Form 5500 for plan years 2022 and 2021. The Plan intends to amend and file completed Form 5500s with the audited financial statements in 2024.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accrued benefits shall be paid to participants in accordance with the provisions of the Plan. In the event of Plan termination, participants would become fully vested in their employer contributions.

7. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions and notes receivable from participants are considered party-in-interest transactions. During 2022 and 2021, the Plan paid the qualified institutions and investment advisor distribution, loan processing, and investment advisory fees of \$46,045 and 42,482, respectively. The Plan Sponsor pays directly any other fees related to the Plan's operations.

THE CODMAN SQUARE HEALTH CENTER 403(B) PENSION PLAN

Notes to Financial Statements
September 30, 2022, 2021 and 2020

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. GUARANTEED INVESTMENT CONTRACT

The Plan has a guaranteed investment contract with the Standard. The Standard maintains the contributions in a general account. The account is credited with participant contributions and investment income and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully-benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by the qualified institutions, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of their investment at contract value. The contract limits the percentage of the investment for periodic elective transfers to variable investments within the Plan during any twelve-month period.

The contract is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the ability of the Standard to meet its financial obligations from the general assets of the Standard. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the Standard to terminate the agreement prior to the scheduled maturity date.

10. PARTICIPANT ACCOUNT BALANCES

In November 2007, the DOL issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting, disclosure and audit requirements under Part 1 of Subtitle B of Title I of ERISA, as amended. The DOL acknowledged in its Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, that full annual reporting compliance "may not be possible" and "the guiding principle must be to ensure that the appropriate efforts are made to act reasonably, prudently and in the interest of the Plan's participants and beneficiaries". Notwithstanding the DOL's specific recognition of the "compliance challenges" engendered by its new requirements, GAAP provides no such relief requiring all contracts and custodial accounts to be included and maintained.

Notes to Financial Statements

10. PARTICIPANT ACCOUNT BALANCES (Continued)

Prior to the amended regulations and the amendment of the plan document, the Plan was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual accounts which participants could engage with in a range of actions with limited involvement, if any, by the Plan Sponsor. Accordingly, various accounting and payroll records related to the Plan's 403(b) annuity contracts and custodial accounts issued to employees prior to January 1, 2009, were not required to be maintained by the Plan, nor were they required to be maintained or retained by service providers at the Plan level. Consequently, the Plan's financial statements have been prepared based on the available records, which were accessed using reasonable means and then analyzed by the Plan Sponsor. As certain records were not available dating back to the inception of the Plan, the effect, if any, on the completeness of opening balances, and thus on the accuracy of the Plan's financial statements, cannot be determined.

In addition, the Plan has identified and excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current or former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income (loss) and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. U.S. GAAP requires that these accounts and the related income (loss) and distributions be included in the accompanying financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income (loss) and distributions have not been determined.

11. DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2022 and 2021, the Plan Sponsor failed to segregate and remit in a timely manner certain participant contributions (salary reduction amounts) and loan repayments from its assets within the required time period as specified by the United States DOL Reg. 2520.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction. The Plan Sponsor intends to take corrective action during 2024.

12. SUBSEQUENT EVENT

Subsequent to year end, effective October 1, 2022, the Plan was amended to allow for all participants to be automatically enrolled in the Plan at 1% of eligible compensation, unless they affirmatively elect to opt out of the Plan.
