Independent Auditor's Report

Advisory Committee and Plan Administrator
Revolution 401(k) Plan
Little Rock, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Revolution 401(k) Plan (formerly Delta Plastics 401(k) Plan) (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

General

The following description of Revolution 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. Effective January 1, 2021, the Plan changed its name from Delta Plastics 401(k) Plan to Revolution 401(k) Plan.

The Plan is a defined contribution plan sponsored by Delta Plastics of the South, LLC (the Sponsor) for the benefit of its employees who have at least 30 days of service and are age 18 or older. Prior to January 1, 2021, the minimum age requirement was 21 years. Related employers who also participate in the Plan include Revolution Bag LLC; Revolution Plastics, LLC; Revolution Plastics Midwest, LLC; Rodeo Plastic Bag and Film, Inc.; Command Packaging, LLC; Encore Recycling, LLC; Command Packaging Texas, LLC; and Polar Plastics, LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). John Hancock Life Insurance Company was the custodian of the Plan as of December 31, 2020. Effective January 1, 2021, the Plan's custodian changed from John Hancock Life Insurance Company to Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company.

Plan Mergers

During 2021, Polar Plastics, LLC, an affiliated entity, merged its defined contribution plan, Polar Plastics 401(k) Plan, into the Plan with an effective date of March 15, 2021. As of the effective date, all eligibility requirements, vesting schedules, withdrawal rights, and other rights of all participants shall be governed under the provisions of the Plan.

Total participant balances of \$1,933,797 were transferred into the Plan from the Polar Plastics 401(k) Plan and are included in transfers in on the statement of changes in net assets available for benefits for the year ended December 31, 2021.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 100% of eligible compensation. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2021, Roth elective deferral contributions to the Plan are allowed. For the years ended December 31, 2021 and 2020, the Sponsor made matching contributions of 100% of employees' contributions up to 3% of compensation, and 50% of employees' contributions from 3% to 5% for a maximum match of 4%. Sponsor profit-sharing contributions are discretionary as determined by the Sponsor's board of directors. Contributions are subject to certain limitations.

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Sponsor's contributions and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus earnings thereon. Vesting in the Sponsor's discretionary profit-sharing contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after four years of continuous service. Prior to January 1, 2021, a participant was fully vested after six years of continuous service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or the greater of 50% of their account balance. Participants may have two loans outstanding at any time, with the second loan not to exceed \$10,000. The loans are secured by the balance in the participant's account. In 2021, the loan interest rate is based on local prevailing rates as determined by the plan administrator. In 2020 and prior, the loan interest rate was determined quarterly and set at 2 percent above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions.

In March 2020, the Plan adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in their account.

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

In March 2020, the Plan Sponsor implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$23,988 and \$449, respectively. These accounts will be used to reduce future employer contributions. Amounts used to reduce employer contributions totaled \$0 during 2021 and 2020, respectively.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments including self-directed brokerage accounts. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Pooled separate accounts are valued at estimated fair value as provided by Principal Life Insurance Company.

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

The Plan's interest in the collective trust funds are valued at the NAV of units of the collective trust as provided by the custodian. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administration expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Sponsor or the Plan, at the Sponsor's discretion.

Note 3: Certification of Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) Pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the respective trustees noted below, which are qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate:

- Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company has certified the investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021.
- John Hancock Life Insurance Company has certified the investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2020.

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

- Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company has certified the investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the period from January 7, 2021 through December 31, 2021.
- John Hancock Life Insurance Company has certified the investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the period from January 1, 2021 through January 6, 2021.
- John Hancock Life Insurance Company has certified the investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2020.
- Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company has certified the investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are managed by the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Plan paid \$90,850 of recordkeeping fees to Principal Life Insurance Company and \$40,780 of recordkeeping fees to John Hancock Life Insurance Company during the years ended December 31, 2021 and 2020, respectively. Individually nonmaterial expenses paid to parties in interest aggregated \$0 and \$28,722 during the years ended December 31, 2021 and 2020, respectively. The Sponsor provides certain administrative services at no cost to the Plan.

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 5: Plan Amendments

Effective January 1, 2021, the Plan was amended and restated and a new custodian of the Plan was appointed. The Plan changed custodians from John Hancock Life Insurance Company to Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company. Plan assets were transferred into target-date funds. The conversion initiated a “Black Out” period beginning January 1, 2021 and continued through February 2, 2021. During this period, funds could not be applied to the employee-selected funds with the Custodian or withdrawn from the Plan until the Custodian had time to accurately complete the conversion. During this period, employee contributions continued to be made through payroll deductions and the contributions were deposited and held in a pre-funded general account. At the end of the Black Out period, participants were able to redirect these funds into any of the Plan’s investment funds. See *Note 1* for additional changes related to the amendment.

Note 6: Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Recurring Measurements

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021:

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
December 31, 2021				
Mutual funds	\$ 23,966,504	\$ 23,966,504	\$ -	\$ -
Pooled separate accounts	1,315,150	-	1,315,150	-
Collective investment trust	172,354	-	172,354	-
Self-directed brokerage accounts	153,814	153,814	-	-
Investments at fair value	<u>\$ 25,607,822</u>	<u>\$ 24,120,318</u>	<u>\$ 1,487,504</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2021 and 2020. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

The following table summarizes the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2020. There were no participant redemption restrictions for the investments; the redemption notice period is applicable only to the Plan. These funds file a Department of Labor Form 5500 as a direct filing entity.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2020				
Pooled separate accounts	\$ 15,908,973	N/A	Daily	None

Revolution 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

The pooled separate accounts are valued based upon the NAV of the funds multiplied by the units held by the Plan at year-end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The underlying investments of the pooled separate accounts consisted solely of mutual funds, and the investment strategy of the respective pooled separate accounts aligned directly with the investment strategy of the underlying mutual fund investments.

Note 7: Investment Contract with Insurance Company

In 2021, the Plan entered into a fully benefit-responsive investment contract with Principal Life Insurance Company through its custodial agreement with Principal. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

The guaranteed investment contract is fully benefit responsive; therefore contract value is the relevant measurement. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The following represents the contract value of investment contracts held by the Plan:

	<u>2021</u>
Traditional investment contract	<u>\$ 383,623</u>

Notes to Financial Statements

December 31, 2021 and 2020

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer discretionary profit-sharing contributions and any other non-safe harbor employer contributions.

Note 9: Tax Status

During the year ended December 31, 2021, the Plan operates under a defined contribution volume submitter profit sharing plan with CODA Sponsored by Principal Life Insurance Company. This volume submitter plan document has been filed with the appropriate agency and has obtained an advisory letter dated August 8, 2014 from the IRS stating that the volume submitter plan is acceptable under section 401 of the Internal Revenue Code. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

During the year ended December 31, 2020, the Plan operated under a nonstandardized adoption agreement in connection with a pre-approved profit-sharing plan and trust agreement sponsored by Hyden, Miron and Foster, PLLC. This pre-approved plan document was filed with the appropriate agency. The Plan had not obtained or requested a determination letter. However, the plan administrator believed that the Plan was designed and operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of December 31, 2020.

Note 11: Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Sponsor remitted all employee contributions to the Plan, contributions of \$415,741 and \$546,512 were not remitted within the required time period for the plan years ended December 31, 2021 and 2020, respectively. Participant loan payments included in late remittances were \$85,761 and \$0, for the years ended December 31, 2021 and 2020, respectively.

Note 12: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 13: Subsequent Events

Subsequent events have been evaluated through February 16, 2024, which is the date the financial statements were available to be issued.
