## Independent Auditor's Report

Plan Administrator  
Owensboro Grain Company  
401(k) Profit Sharing Plan  
Owensboro, Kentucky

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Owensboro Grain Company 401(k) Profit-Sharing Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 (in Liquidation) and December 31, 2022 (in Liquidation), and the related statements of changes in net assets available for benefits for the period ended from January 1, 2023, through September 30, 2023 (in Liquidation), and year ended December 31, 2022 (in Liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023, and for the period ended from January 1, 2023, through September 30, 2023 (in Liquidation), and as of and for the year ended December 31, 2022 (in Liquidation), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting**

As discussed in Note 6 to the financial statements, on November 15, 2022, the Plan Sponsor was acquired by another entity. As a result, the Company terminated the Plan and liquidated participant accounts on September 30, 2023. In accordance with accounting principles generally accepted in the United States of America, the Plan presented the 2023 and 2022 financial statements under the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Note 1. Description of the Owensboro Grain Company 401(k) Profit Sharing Plan**

### ***General***

The following description of Owensboro Grain Company 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan was a defined contribution Plan sponsored by Owensboro Grain Company, LLC. (Company) for the benefit of its employees who had at least three months of service and were age 18 or older. The Plan was subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Charles Schwab Trust Bank served as Plan custodian and trustee.

### ***Contributions***

The Plan permitted eligible employees through a salary deferral election to have the Company make annual contributions of up to 100% of eligible compensation. Employee rollover contributions were also permitted. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. The Company made matching contributions in an amount equal to 50% of employees' salary deferral amounts on the first 6% of the employees' compensation. The Company's profit-sharing contributions were discretionary as determined by the Company's board of directors. Contributions were subject to certain limitations.

### ***Participant Investment Account Options***

Each participant had the option of directing their contributions into any of the various investment options offered by the Plan and could change the allocation daily.

The Plan document also included an automatic deferral feature whereby a participant was treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise.

### ***Participant Accounts***

Each participant's account was credited with the participant's contribution, the Company's contributions, and Plan earnings, and was charged with an allocation of administrative expenses. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

### ***Vesting***

Participants were immediately vested in their voluntary contributions, plus earnings thereon. Vesting in the Company's contribution portion of their accounts, plus earnings thereon, was based on years of continuous service. A participant was 100% vested after five years of continuous service.

### ***Payment of Benefits***

Upon termination of service due to death, disability, or retirement, a participant could receive a lump-sum amount equal to the value of the participant's vested interest in their account. Upon termination of service for other reasons, a participant could receive the value of the vested interest in their account only as a lump-sum distribution.

Notes to Financial Statements  
September 30, 2023 (in Liquidation) and December 31, 2022 (in Liquidation)**

---

***Forfeited Accounts***

At September 30, 2023, and December 31, 2022, forfeited nonvested accounts totaled \$0. These accounts were used to reduce future employer contributions or pay Plan expenses. During 2023 and 2022, Plan expenses were reduced by \$0 and \$38,136, respectively, from forfeited nonvested accounts.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

As discussed in Note 6 to the financial statements, on November 15, 2022, the Plan Sponsor was acquired by another entity. As a result, the Company terminated the Plan and liquidated participant accounts on September 30, 2023. In accordance with accounting principles generally accepted in the United States of America, the Plan presented the 2023 and 2022 financial statements under the liquidation basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments were reported at fair value. Quoted market prices, if available, were used to value investments. Mutual funds, common and preferred stock, and unit investment trusts were valued at the closing price reported on the active market on which the individual securities were traded. The money market account was recorded at cost, which approximates fair value.

The Plan's interest in the collective trust was valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation in the fair value of investments included the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants were reported at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans were reclassified as distributions based upon the terms of the Plan document.

***Payment of Benefits***

Benefit payments to participants were recorded upon distribution.

***Administrative Expenses***

Administrative expenses could be paid by the Company or the Plan, at the Company's discretion.

### **Note 3. Certification of Plan Trustees**

The Plan administrator elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable as shown in the statements of net assets available for benefits as of September 30, 2023, and December 31, 2022.
- Investment income and interest income as shown in the statements of changes in net assets available for benefits for the period ended from January 1, 2023, through September 30, 2023, and year ended December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

### **Note 4. Related-Party and Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan paid \$24,961 and \$72,706 of recordkeeping fees to Charles Schwab during the period ended from January 1, 2023, through September 30, 2023, and year ended December 31, 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

### **Note 5. Disclosures About Fair Value of Plan Assets**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities.

**401(k) Profit Sharing Plan**  
**Notes to Financial Statements**  
**September 30, 2023 (in Liquidation) and December 31, 2022 (in Liquidation)**

**Recurring Measurements**

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022. There were no investments held by the Plan at September 30, 2023.

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<b>December 31, 2022 (in Liquidation)</b>				
Mutual funds	\$ 31,256,655	\$ 31,256,655	\$ -	\$ -
Common and preferred stock	960,025	960,025	-	-
Unit investment trusts	614,341	614,341	-	-
Collective trusts	2,987,549	-	2,987,549	-
Investments at fair value	<u>\$ 35,818,570</u>	<u>\$ 32,831,021</u>	<u>\$ 2,987,549</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets, pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the period ended from January 1, 2023, through September 30, 2023, and the year ended December 31, 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

**Investments**

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently-sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

**Note 6. Plan Termination**

Effective November 15, 2022, the Company was acquired by another entity. As a result, the Company terminated the Plan and liquidated participant accounts on September 30, 2023. All participants became 100% vested in their benefits at this time.

---

Due to the liquidation basis being used in presenting the 2023 and 2022 financial statements, accrued net investment income of \$2,096,123 earned in liquidation was recorded as of December 31, 2022. Additionally, the Plan recorded \$24,961 of expenses incurred in liquidation during the year ended December 31, 2022. No liquidation adjustments were recorded as of September 30, 2023, and for the period from January 1, 2023, through September 30, 2023.

**Note 7. Tax Status**

The Plan operated under a nonstandardized adoption agreement in connection with a prototype retirement Plan and trust/custodial document sponsored by Schwab Retirement Plan Services, Inc. This prototype Plan document had been filed with the appropriate agency. The Plan had not obtained or requested a determination letter. However, the Plan administrator believed that the Plan was designed and operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

## Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

## Qualitative Aspects of Significant Accounting Policies & Practices

### Significant Accounting Policies

Significant accounting policies are described in Note 2 of the audited financial statements.

With respect to new accounting standards adopted during the year, we call to your attention the following topics detailed in the following pages:

- No matters are reportable

FORVIS is a trademark of FORVIS, LLP, registered with the U.S. Patent and Trademark Office.

## Unusual Policies or Methods

With respect to significant unusual accounting policies or accounting methods used for significant unusual transactions (significant transactions outside the normal course of business or that otherwise appear to be unusual due to their timing, size, or nature), we noted the following:

- Plan termination and liquidation accounting

## Alternative Accounting Treatments

We had discussions with management regarding alternative accounting treatments within GAAP for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies, as follows:

- No matters are reportable

## Management Judgments & Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. Significant areas of such estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates include:

- Plan termination/liquidation basis of accounting presentation

## Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Determination of fair values
- Parties-in-interest transactions
- Plan termination/liquidation basis of accounting presentation

## Our Judgment About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observations regarding the Plan's application of accounting principles:

- No matters are reportable

## Adjustments Identified by Audit

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments that, in its judgment, are required to prevent the financial statements from being materially misstated.

A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework.

## Proposed & Recorded Adjustments

Auditor-proposed and management-recorded entries include the following:

- No matters are reportable

FORVIS is a trademark of FORVIS, LLP, registered with the U.S. Patent and Trademark Office.

## Uncorrected Misstatements

- No uncorrected misstatements

## Reportable Finding

During the course of the audit, we have identified the following reportable finding that is considered significant and relevant to those charged with governance over the Plan:

- Contribution over IRC limits

See the “Required Communications Regarding Internal Control” that follows for more information on this reportable finding.

## Other Required Communications

### Significant Issues Discussed with Management

During the audit process, the following issues were discussed or were the subject of correspondence with management:

- Plan termination matters

### Other Material Communication

Listed below is the only other material communication between management and us related to the audit:

- Management representation letter (see Attachment)

## Required Communications Regarding Internal Control (AU-C 265)

### Consideration of Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements of the Plan as of September 30, 2023, and for the period ended from January 1, 2023 through September 30, 2023, in accordance with auditing standards generally accepted in the United States of America (GAAS), we considered the Plan's internal control over financial reporting (internal control).

This consideration served as a basis for designing our audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statements.

However, this consideration was **not** for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

### Categorizing Deficiencies by Severity

#### Deficiency

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

#### Significant Deficiency

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

#### Material Weakness

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatements of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

### Identified Deficiency

We identified a certain deficiency in internal control that we consider to be a deficiency.

#### ***Deficiency***

##### Contribution Over IRC Limits

The Plan sponsor is responsible for remitting contributions to the Plan that are consistent with IRC limits. We noted one instance in which the Plan sponsor remitted funds to the Plan for a participant that was in excess of the limit set forth by IRC Section 415(c).

Our representations are current and effective as of the date of FORVIS' report: May 31, 2024.

Our engagement with FORVIS is based on our contract for services dated: September 13, 2023.

### **Our Responsibility & Consideration of Material Matters**

We confirm that we are responsible for the fair presentation of the financial statements subject to FORVIS' report in conformity with accounting principles generally accepted in the United States of America.

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. 36. Significant estimates that may be subject to a material change in the near term have been properly disclosed in the financial statements. We understand that "near term" means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations, which refer to volumes of loans, investments, or deposits, existing at the date of the financial statements that would make the Plan vulnerable to the risk of severe impact in the near term that have not been properly disclosed in the financial statements.
