INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Koch & Co., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the accompanying financial statements of Koch & Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Koch & Co., Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. (U.S. GAAP)
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Koch & Co., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Koch & Co., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Koch & Co., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Koch & Co., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Koch & Co., Inc. (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. General – The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- b. Eligibility – Employees of the Company are eligible to participate in deferral and employer matching contributions upon attaining the age of 18 and completing two months of service. Employees are allowed to enter the Plan on the first day of the month following meeting the eligibility requirements. Leased employees and other excluded class employees are not eligible to enter the Plan.
- c. Contributions – Participants may contribute up to 75% (subject to the maximum allowed by the Internal Revenue Service (IRS) of their pretax annual compensation, as defined by the Plan. In lieu of pretax contributions to the Plan, participants may contribute up to 75% (subject to the maximum allowed by the IRS) of the after-tax annual compensation, as defined by the Plan, as Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Catch-up contributions are treated as elective deferrals for purposes of applying any employer matching contributions under the plan. Participants may also rollover amounts from other qualified defined benefit or contribution plans. Employees are not automatically enrolled into the Plan and must make a deferral election subsequent to their eligibility date to enroll in the Plan.

The Company makes matching contributions equal to 50% of the participant's elective deferral up to 6% of the participant's compensation. For the Plan year ended December 31, 2023, the employer matching contribution totaled \$573,342.

- d. Investment Options – Participants have the option of directing their contributions and the allocations of the employer matching contributions to any of the selected investment options determined and made available by the Plan Administrator. The Plan currently offers twenty-three different mutual funds as investment options for participants. Participants may change their investment options any time throughout the year via direct phone or internet access to the Plan record keeper.
- e. Participant Accounts – Each participant's account is credited with the participant's contribution and the Company's contribution, along with earnings or losses of the participant's individually directed account. The Company pays 100% of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- f. Vesting – Deceased and disabled participants are immediately 100% vested in all sources. Participants are immediately vested in their salary deferrals, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service as follows.

Years of Service	Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

- g. Payment of Benefits – On termination of service due to death, disability, retirement or termination of service due to other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service distributions are not permitted unless the participant has attained age 59^{1/2}, certain hardship conditions are met, or rollover contributions are available.
- h. Notes Receivable from Participants – Effective March 1, 2023, participant loans were allowed under the Plan provisions. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. These transactions are treated as a transfer to (from) the investment fund from (to) the participant notes receivable fund. A participant may only have two loans outstanding at a time. The term of the notes receivable cannot exceed five years, except for a note receivable used to acquire a principal residence. The notes receivable must be adequately secured by the vested account balance, and they bear interest at rates that range from 8.75% to 9.50%, which are commensurate with local prevailing rates and are fixed over the life of the note. Principal and interest are paid ratably through payroll deductions.
- i. In-Service Withdrawals – Hardship withdrawals are available under the Plan. Withdrawals are subject to certain restrictions included in the Plan. There is a six month waiting period for additional deferrals after a hardship withdrawal.
- j. Administrative Expenses – The Company bears substantially all administrative costs of the Plan. Administrative expenses that are paid by the Plan consist of certain fees charged by the custodian.
- k. Forfeitures – At December 31, 2023 and 2022, there were forfeitures totaling \$46,710 and \$8,690, respectively. Forfeitures reduce the employer match contribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements of the Plan are presented on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid balance, plus and accrued, but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Investment Valuation and Income Recognition – The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

3. INFORMATION CERTIFIED BY RELIANCE TRUST COMPANY

The following is a summary of the Plan’s asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan’s financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Reliance Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520 103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and the ERISA-required supplemental schedule related to the following assets:

	December 31	
	2023	2022
Investments at fair value		
Mutual Funds	\$ 15,923,694	\$ 12,609,036
Notes Receivable from Participants	284,280	-

Reliance Trust Company also certified to the completeness and accuracy of \$1,962,355 of net appreciation in fair value of investments and \$599,657 of interest and dividends, and \$9,043 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2023.

4. FAIR VALUE MEASUREMENTS

In determining fair value, the Plan uses various valuation approaches. Accounting Standards Codification (ASC) 820 establishes a fair value measurement framework, provides a single definition of fair value, and requires expanded disclosure summarizing fair value measurements. ASC 820 emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing an asset or liability.

The statement establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable input be used when available. Observable inputs are inputs that the market participants would use in pricing the asset or liability that are developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan’s assumptions about the assumptions market

participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is measured in three levels based on the reliability of inputs:

- **Level 1** – Valuations based on quoted prices in active markets for identical assets the Plan has the ability to access at the measurement date.
- **Level 2** – Valuations based on quoted prices in less active dealer or broker markets. Fair values are primarily obtained from third party pricing services for identical or comparable assets.
- **Level 3** – Valuations derived from other valuation methodologies. Level 3 valuations incorporate certain assumptions and projections that are not observable in the market and require significant professional judgment in determining the fair value assigned to these assets.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. For the year ended December 31, 2023, there were no significant transfers between levels and no transfers in or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Mutual Funds – Valued at the net asset value (NAV) of shares held by the Plan at year end.

Investments measured at fair value on a recurring basis consisted of the following types of instruments at December 31, 2023:

Description	Level 1: quoted prices in active markets for identical assets	Level 2: significant other observable inputs	Level 3: significant unobservable inputs	Total at December 31, 2023
Mutual Funds	\$ 15,923,694	\$ -	\$ -	\$ 15,923,694
Total Assets	\$ 15,923,694	\$ -	\$ -	\$ 15,923,694

Investments measured at fair value on a recurring basis consisted of the following types of instruments at December 31, 2022:

Description	Level 1: quoted prices in active markets for identical assets	Level 2: significant other observable inputs	Level 3: significant unobservable inputs	Total at December 31, 2022
Mutual Funds	\$ 12,609,036	\$ -	\$ -	\$ 12,609,036
Total Assets	\$ 12,609,036	\$ -	\$ -	\$ 12,609,036

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of the plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated April 2, 2012, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

7. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Reliance Trust Company the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

8. CONCENTRATION OF CREDIT RISK

The Plan has its total assets invested in the American Funds and Vanguard group of mutual funds, which constitutes a concentration of investments for credit risk purposes. Should the funds fail, the Plan could incur a loss equal to the amount of the investments.

9. ADMINISTRATIVE EXPENSES

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Other expenses of the Plan are paid by the Plan and Plan Sponsor.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events from the date of the financial statements through June 18, 2024 the date the financial statements were available to be issued, and determined there are no other items to disclose or adjust.

(2) EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
