## Independent Auditor's Report

Plan Trustees  
Rödl Management, Inc. 401(k) Savings Plan  
Atlanta, Georgia

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Rödl Management, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from an agent on behalf of the qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by an agent on behalf of the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an agent on behalf of the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by an agent for the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an agent on behalf of the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***General***

The Plan was established on January 1, 1985, to provide retirement and other benefits for the employees of Rödl Management Inc. (the “Sponsor”). Employees of the Sponsor become eligible upon hire and attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Ascensus Trust Company is the Trustee of the Plan.

### ***Contributions***

Each participant may contribute a portion of his or her compensation, as defined by the Plan, subject to Internal Revenue Code (“IRC”) limitations, in the form of a salary deferral. Participant salary deferrals may be traditional 401(k) (pretax) or Roth 401(k) (after-tax). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions to the Plan, which represent distributions from other qualified plans.

The Sponsor makes safe harbor contributions equal to 3% of participants’ base compensation. The Sponsor, at its sole discretion, may also make additional matching contributions and/or profit-sharing contributions to the Plan annually on behalf of participants. Profit-sharing contributions are allocated amongst participants based upon the ratio that each participant’s compensation bears to the total compensation of all participants. No discretionary contributions were made during the year ended December 31, 2023.

### ***Investment Options***

Participants direct all contributions in any whole percentage increments to any of the available funds. Participants may change their allocation among the various investment options at any time via telephone or the internet. The Plan currently offers mutual funds and money market funds as options.

### ***Participant Accounts***

Each participant’s account is credited with (a) the participant’s contributions, (b) the Sponsor’s contributions on behalf of the participant, and (c) the earnings and losses of the participant’s investments and is charged with any expenses incurred as a result of transactions initiated by the participant and the participant’s pro-rata share of recordkeeping and investment advisory fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

***Vesting***

Each participant is immediately fully vested in the portion of his or her account attributable to his or her contributions, Sponsor safe harbor contributions, and earnings thereon. Vesting in the portion of his or her account attributable to the Sponsor's non-safe harbor contributions and earnings thereon is based on years of employment service with the Sponsor as follows:

| <u>Years of service</u> | <u>Vesting</u> |
|-------------------------|----------------|
| Less than 2             | 0%             |
| 2                       | 20%            |
| 3                       | 40%            |
| 4                       | 60%            |
| 5                       | 80%            |
| 6 or more               | 100%           |

***Notes Receivable from Participants***

Loans are allowed for financial distress, medical expenses, education expenses, or the purchase of a principal residence. For such purposes, participants may borrow, from their fund accounts, amounts ranging from \$1,000 up to a maximum amount equal to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous 12 months) or 50% of their vested account balance. The maximum term of repayment for a loan is five years, except for a loan for the purchase of a principal residence, which may exceed five years. The loans are secured by the balance in the participant's account and bear interest at Prime plus 2%. Principal and interest are paid ratably through payroll deductions. Interest rates were 5.25% to 10.50% on loans outstanding at December 31, 2023.

***Payment of Benefits***

Upon termination of service with the Sponsor due to death, disability, or retirement, a participant may request a lump-sum distribution equal to the value of his or her vested account balance or annuity options as provided by the Plan. A terminated participant whose vested account balance does not exceed \$1,000 will receive a lump-sum distribution of the vested account balance immediately following termination. Account balances for terminated participants between \$1,000 and \$5,000 will be automatically rolled over into an individual retirement account outside of the Plan assets. Participants who are still employed by the Sponsor may request an in-service distribution of their contributions and earnings due to financial hardship, disability, or attainment of age 59.5.

***Forfeitures***

Forfeitures of non-vested account balances may be used to reduce future Sponsor contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$1,291 and \$1,200, respectively.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

***Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the agent. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in investments includes realized and unrealized gains and losses on those investments.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. While delinquent notes receivable from participants may be treated as a deemed distribution for purposes of participants' taxes, for financial statement purposes, such notes receivable are reclassified as distributions based upon the terms of the Plan document. Accordingly, this may result in a reconciling item between the financial statements and the Form 5500.

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

Administrative costs associated with certain participant-initiated transactions are charged to the accounts of the participants who initiate the transactions while recordkeeping and investment advisory fees are first reduced by any administrative fee credits earned by the Plan and then charged to the accounts of the participants pro-rata based on the account balances of the participants.

***Subsequent Events***

The Sponsor has evaluated subsequent events through June 24, 2024, the date the financial statements were available to be issued.

**Note 3. Unaudited Information Certified by the Trustee**

The Plan Administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Ascensus, Inc., as agent for the Trustee, except for comparing such information certified by the agent to the related information included in the Plan's financial statements and Schedule of Assets (Held at End of Year).

The certification includes all investment information discussed in Note 6 and the Schedule of Assets (Held at End of Year).

#### **Note 4. Related Party Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are shares of mutual funds or money market funds managed by Vanguard Fiduciary Trust Company, the recordkeeper of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Sponsor directly pays any other fees related to the Plan's operations.

Fees paid by the Plan for administrative services and investment advisory services were \$70,166. The Sponsor absorbs certain costs on behalf of the Plan for insurance, administration, and professional services. Recordkeeping and administrative services are also provided by the Sponsor to the Plan at no cost.

#### **Note 5. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

## **Note 6. Fair Value Measurements**

Fair value, as defined under U.S. GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

**Level 1:** Observable inputs such as quoted prices in active markets.

**Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.

**Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2023 and 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

### ***Mutual funds***

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

### ***Money market fund***

The money market fund is a public investment vehicle valued using the Net Asset Value ("NAV") provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan recognizes transfers between the levels as of the beginning of the reporting period. There were no transfers between the levels for the year ended December 31, 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

**Note 7. Income Tax Status**

The Plan uses a prototype plan document sponsored by the agent who was informed by the Internal Revenue Service by an opinion letter dated June 30, 2020, that the prototype plan, as amended, is designed in accordance with the applicable sections of the IRC. The Plan's Administrator believes that the Plan is designed and is being operated in accordance with the applicable sections of the IRC. Therefore, the Plan's Administrator believes that the Plan was qualified and was tax exempt as of the financial statement date and no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

**Note 8. Nonexempt Transactions**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Sponsor remitted all employee contributions to the Plan, contributions of \$112,209 were not remitted within the required time period for the year ended December 31, 2023. The delinquent contributions related to one pay period during the year and were remitted to the plan three business days following the pay date.

**Note 9. Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their accounts and benefits will be distributed in accordance with provisions of the Plan.
