INDEPENDENT AUDITORS' REPORT

To the Plan Participants and the 401(k) Plan Investment Committee of
the Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan
Herndon, Virginia:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of the Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2023 audit of the Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2023 financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

We have audited the 2022 financial statements, and in our report dated June 22, 2023, we expressed an unmodified opinion on those 2022 financial statements.

BEACON SALES ACQUISITION, INC. 401(k) PROFIT SHARING PLAN
Notes to Financial Statements

1. Description of Plan

The following description of Beacon Sales Acquisition, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document, including the Adoption Agreement, for complete information. The Plan Sponsor is Beacon Sales Acquisition, Inc. (the “Company”).

General – The Plan is a defined contribution plan covering all non-union employees of the Company who have completed ninety (90) days of service with the Company and are age twenty-one (21) or older. Eligible participants are automatically enrolled in the Plan once they have attained 21 years of age and have completed 90 days of service unless they affirmatively decline to participate. The entry date to the Plan is the first day of the month following eligibility. Employees covered by a collective bargaining agreement are generally excluded from participation. All employees who are non-resident aliens are also excluded from participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan is a single employer Plan adopted by the Company.

Transfer of Assets to the Plan – The Company has completed a number of acquisitions since the inception of the Plan. Employees of the acquired companies became eligible to participate in the Plan as of the applicable acquisition dates and may elect to roll over account balances from qualified plans. Funds rolled into the Plan as a result of acquisitions are included in the total amount of funds elected to be rolled over into the Plan as discussed below. Participants are also allowed to roll over loan balances into the Plan. There were no loan transfers during the year ended December 31, 2023.

Contributions – Each year, participants may contribute up to one hundred percent (100%) of either their pre-tax or after-tax (i.e. Roth) annual compensation as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations (\$22,500 for 2023). Individuals who are age fifty (50) or older, and who contribute the maximum federal limit, are eligible to make an additional contribution called a “catch-up contribution.” The allowed maximum catch-up contribution for 2023 was \$7,500. The Plan has an automatic enrollment feature; if automatically enrolled, a participant’s deferral is set at 6% of eligible compensation until changed by the participant, or the participant elects not to participate in the Plan. Participants may also contribute amounts representing rollover distributions from other qualified plans. Employees elected to roll over \$9,600,377 for the year ended December 31, 2023.

All Company contributions are determined at the discretion of the Company’s board of directors. For the year ended December 31, 2023, the Company made matching contributions equal to fifty percent (50%) of the first 6% of a participant’s elective contribution based on eligible compensation. The contributions are contributed each pay period and calculated ultimately on an annual basis requiring a true-up. An employee is eligible for profit sharing once the employee achieves 1,000 hours worked, has 1 year of service, and is employed on the last day of the year. There were no profit-sharing contributions for the year ended December 31, 2023.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of a) the Company’s contributions, b) Plan earnings, and c) Plan expenses. Allocations are based upon participant compensation, contributions and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options – Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers thirty (30) mutual funds, one (1) common/collective trust, and the common stock of the Company as investment options. The investment options offered by the Plan provide for a range of investment objectives, including growth, growth and income, and income and capital stability. The Plan included provisions for voting shares of Company common stock. Participants could invest up to a limit of 15% of their account balance in Company common stock. Effective September 30, 2023, the Plan terminated the option to invest contributions in, or transfer funds into, the Beacon Stock Fund under the Plan.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contributed portion of their accounts, plus the earnings thereon, is based on years of service. A participant who terminated prior to January 1, 2022 is one hundred percent (100%) vested in both the discretionary profit-sharing and matching Company contributions after six (6) years of credited service (minimum 1,000 hours per Plan year). Vesting is accelerated upon termination due to early or normal retirement, death or disability. The following represents the vesting schedules for both the discretionary profit-sharing and matching Company contributions for the participants who terminated prior to January 1, 2022:

Years of Service	Vested Percentage
Less than two (2) years	0%
Two (2) years	20%
Three (3) years	40%
Four (4) years	60%
Five (5) years	80%
Six (6) years	100%

The following table represents the vesting schedules for both the discretionary profit-sharing and matching Company contributions for the participants who terminated on or after January 1, 2022:

Years of Service	Vested Percentage
Less than one (1) year	0%
One (1) year	33%
Two (2) years	66%
Three (3) years	100%

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 (reduced by the highest outstanding balance of any prior loans from the Plan during the prior one-year period), or fifty percent (50%) of their vested account balance. Participants may not have more than one loan outstanding at a time. Loans are subject to a maximum 5 year term unless for the purchase of a primary residence in which case the term is subject to a maximum of 30 years. For the year ended December 31, 2023, the interest rates charged on participant loans ranged from 3.25% to 9.50%. Principal and interest amounts are paid through payroll deductions. Participants are charged a fee when taking out a loan. For the year ended December 31, 2023, there were fees of \$77,010 charged to loan recipients, which are included in administrative expenses on the statement of changes in net assets available for benefits.

Payment of Benefits – Benefits are payable in a lump sum or partial distributions upon separation from service, death or disability. Partial distributions are allowed but limited to two per calendar year with a minimum amount of \$5,000 per distribution. In-service distributions are available for hardship, or attainment of age 59½. In any event, payment of benefits must commence at the later of when the participant reaches age 70½ or termination of employment (except benefit payments must commence at age 70½ if the participant owns 5% or more of the Company’s outstanding stock). Required minimum distributions (“RMD”) distributed after December 31, 2019 will follow the new RMD age rules. Participants with a date of birth prior to June 30, 1949 are subject to beginning their RMD at age 70½. Participants with a date of birth between July 1, 1949 and December 31, 1950 are subject to begin their RMD by 72. Participants with a date of birth of January 1, 1951 or later are subject to begin their RMD by 73. Participants may also receive distributions from rollovers of prior qualified plans.

The Plan also provides for involuntary distribution of account balances for terminated participants with account balances of less than \$1,000. Participant accounts of terminated participants with balances between \$1,000 and \$5,000 are automatically rolled into an individual retirement account (“IRA”) if the participant does not elect payment.

There were no net assets allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2023 and 2022.

Forfeitures – Forfeitures of the non-vested portion of participant accounts will be first used to reduce Company matching contributions and then discretionary profit-sharing contributions. Total forfeitures of \$728,895 were used to reduce Company matching contributions for the year ended December 31, 2023. As of December 31, 2023 and 2022, the balances in the forfeitures account totaled \$800,235 and \$953,940, respectively.

Administrative Expenses – Expenses incurred in the administration of the Plan are paid directly by the Company, except those relating to recordkeeping fees on the participant loans and processing fees for certain benefit payments that are allocated to the respective individual participants’ accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements and accompanying footnotes are prepared on the accrual basis of accounting in conformity with United States generally accepted accounting principles (“GAAP”).

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investments – Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date (i.e. an exit price). See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

All investment information disclosed in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2023, interest and dividend income, and net appreciation in the fair value of the investments for the year then ended was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, CB&T, as of and for the year ended December 31, 2023.

Notes Receivable from Participant Accounts – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowances for credit losses have been recorded as of December 31, 2023 and 2022.

Payment of Benefits – Benefits are recorded when paid.

3. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The accounting guidance establishes a defined three-tier hierarchy to classify and disclose the fair value of assets and liabilities on both the date of their initial measurement as well as all subsequent periods. The fair value hierarchy prioritizes the inputs used to measure fair value by the lowest level of input that is available and significant to the fair value measurement. The three levels are described as follows:

- *Level 1:* Observable inputs. Quoted prices in active markets for identical assets and liabilities;
- *Level 2:* Observable inputs other than the quoted price. Includes quoted prices for similar instruments, quoted prices for identical or similar instruments in inactive markets and amounts derived from valuation models where all significant inputs are observable in active markets; and
- *Level 3:* Unobservable inputs. Includes amounts derived from valuation models where one or more significant inputs are unobservable and require the Company to develop relevant assumptions.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value as of December 31, 2023 and 2022. There were no changes in the valuation methods used as of December 31, 2023 or 2022.

- *Mutual funds:* Valued at the net asset value of shares held by the Plan at year-end, quoted in an active market.
- *Common/collective trust:* The fair value of participation units held in the Reliance Trust Stable Value Fund (MetLife Series 25157), a common/collective trust (“CCT”) is valued at net asset value (“NAV”) of units held as reported by the manager of the collective trust fund, Reliance Trust Company, and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the CCT will sell the investment for an amount different than the reported NAV. The CCT invests in the MetLife Group Annuity Contract 25157, which consists of separately managed investment portfolios in fixed income securities and enters into wrapper contracts, which are issued by third parties and are designed to allow the Fund to maintain a constant net asset value. The CCT provides for daily redemptions by the Plan at reported net asset value, with no advance notice requirements, and there are no unfunded commitments.
- *Employer securities:* Valued at the closing price reported by the Nasdaq Global Select Market at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methods or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets carried at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023					
	Level 1	Level 2	Level 3	Other ¹	Total
Mutual funds	\$ 531,728,724	\$ -	\$ -	\$ -	\$ 531,728,724
Employer securities	7,968,330	-	-	-	7,968,330
Common/collective trust	-	-	-	22,130,822	22,130,822
Total investments at fair value	\$ 539,697,054	\$ -	\$ -	\$ 22,130,822	\$ 561,827,876

Assets at Fair Value as of December 31, 2022					
	Level 1	Level 2	Level 3	Other ¹	Total
Mutual funds	\$ 429,592,041	\$ -	\$ -	\$ -	\$ 429,592,041
Employer securities	5,881,448	-	-	-	5,881,448
Common/collective trust	-	-	-	24,679,796	24,679,796
Total investments at fair value	\$ 435,473,489	\$ -	\$ -	\$ 24,679,796	\$ 460,153,285

1. Asset fair value is measured using net asset value as a practical expedient and, therefore, excluded from the fair value hierarchy.

4. Related Party and Party-in-Interest Transactions

The Plan holds shares of mutual funds managed by American Funds. Empower Retirement, LLC is the record keeper and Capital Bank & Trust Company (CB&T) is the Trustee. CB&T and American Funds are affiliated entities. The Plan also invests in the common stock of the Company. The option to invest in the common stock of the Company ceased effective September 30, 2023. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Notes receivable from participants are also considered party-in-interest transactions. The Company also pays certain administrative expenses of the Plan.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

6. Tax Status

The underlying non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, stating that the form of the plan is qualified under Section 401(a) of the IRC, and therefore, the related trust is tax exempt. The Plan Sponsor has determined that it is eligible to and has chosen to rely on the current IRS opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan Sponsor has indicated that it will take the necessary steps, if any, to bring the Plan’s operations into compliance with the IRC.

Accounting Standards Codification (“ASC”) 740, Income Taxes, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties, and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business taxable income, the provisions of ASC 740 do not have an impact on the Plan’s financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2023 and 2022.

7. Risks and Uncertainties

The Plan and its participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

8. Subsequent Events

The Plan evaluated subsequent events from December 31, 2023 through June 20, 2024, the date these financial statements were available to be issued. Subsequent to December 31, 2023, the Company acquired several new subsidiaries. As a result, employees of the acquired companies became eligible to participate in the Plan after the normal eligibility waiting period for those companies acquired through asset deals and immediately for those companies acquired through stock transactions. Participants could choose to voluntarily roll over their previous plan account balances and/or participant loan balances into the Plan.

Effective April 30, 2024, the Beacon Stock Fund was liquidated and all current Plan assets held in the fund were mapped to an American Funds Target Date Retirement Fund based on participants’ age as determined by the Plan.
