## INDEPENDENT AUDITORS' REPORT

The Finance and Audit Committee  
G.A. Carmichael Family Health Center, Inc. 403(b) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of G.A. Carmichael Family Health Center, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of G.A. Carmichael Family Health Center, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of G.A. Carmichael Family Health Center, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about G.A. Carmichael Family Health Center, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to

fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of G.A. Carmichael Family Health Center, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about G.A. Carmichael Family Health Center, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2021 Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of G.A. Carmichael Family Health Center, Inc. 403(b) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE 1    DESCRIPTION OF THE PLAN**

The following description of the G.A. Carmichael Family Health Center, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) defined contribution plan covering all employees of G.A. Carmichael Family Health Center, Inc. (the Employer) except for certain part-time staff, as defined in the Plan document. The Plan has an effective date of May 1, 1992. During 2021, Plan management transferred custodial services from Great-West Life & Annuity Insurance Company to Mutual of America.

SECURE Act

On December 20, 2019, Congress enacted the Setting Every Community Up for Retirement Enhancement (SECURE) Act. During 2020 the Plan adopted the following provisions of the SECURE Act.

- Starting age for Required Minimum Distributions (RMD's) was increased from 70½ to 72 years of age.
- Relief for in-service withdrawals for birth or adoption expenses. Withdrawals of up to \$5,000 are permissible within one year following the birth or legal adoption of a child, and not subject to the 10% early withdrawal tax.

CARES Act

On March 27, 2020, Congress enacted the Coronavirus Aid, Relief, and Economic Security (CARES) Act. During 2020 the Plan adopted the following provisions of the CARES Act.

- Allowing participants to take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's account balance) from their retirement plan without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years.
- Allowing Plan participants to suspend required minimum distributions during 2020.

Tax Status

The Plan obtained a determination letter on March 31, 2017, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

---

**NOTE 1    DESCRIPTION OF THE PLAN (CONTINUED)**

*Tax Status (Continued)*

Accounting principles generally accepted in the United States of America (GAAP), require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

*Eligibility*

Employees who are expected to work more than 20 hours per week or more than 1,000 hours during the first twelve months of employment are eligible to participate in the Plan immediately upon hire. Also, employees who work more than 1,000 hours in the previous Plan year are eligible to participate in the Plan in the subsequent year.

*Contributions*

Participating employees can defer up to 100% of their eligible compensation into the Plan, up to the maximum allowed by the IRC. Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the plan year. Additionally, participants are permitted to make rollover contributions to the Plan from an individual retirement account or annuity. The Employer may also make discretionary matching contributions. All contributions during the years ended December 31, 2021 and 2020 were from the employee deferrals.

*Participant Accounts*

Each participant's account is credited with the participant's contributions, discretionary Employer contributions, and an allocation of plan earnings and investment expenses. Participants may direct their contributions into a variety of investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Participant Investment Account Options*

Investment account options available include various mutual funds of stocks, bonds, and target date funds. Each participant has the option of directing their contributions into any of the investment options available in the Plan and may change the allocation to the extent permitted by the Plan agreement.

*Vesting*

Participants are immediately fully vested in their employee contributions and earnings thereon. Participants become fully vested after six years of credited service on any discretionary Employer contributions.

**NOTE 1    DESCRIPTION OF THE PLAN (CONTINUED)**

*Forfeitures*

Upon termination of employment, participants forfeit their nonvested balances. Forfeited balances may be used to pay Plan expenses or reduce Employer contributions. Forfeited balances totaled \$1,715 and \$1,713 at December 31, 2021 and 2020, respectively.

*Terminated Participants*

Plan participants include 37 terminated participants with vested balances totaling \$542,391 and 37 terminated participants with vested balances totaling \$501,042 at December 31, 2021 and 2020, respectively.

*Notes Receivable from Participants*

Participants may borrow from their account up to a maximum equal to \$50,000 or 50 percent of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at an annual interest rate of 5.25%. Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. At December 31, 2021, three Plan participants had outstanding loan balances totaling \$18,193, and at December 31, 2020 eight Plan participants had outstanding loan balances totaling \$24,810. At December 31, 2021 seven outstanding loans were in default and included as distributions, totaling \$20,226.

*Payment of Benefits*

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account balance or to roll over the distribution to an individual retirement account (IRA) or the qualified plan of his/her new employer. A participant who terminates employment with the Employer and who has a vested balance that is \$1,000 or less will receive a lump-sum amount equal to the vested value of his or her account balance. Participants may take in-service distributions from their vested account balance once they have attained age 59½. Benefits are recorded when paid.

*Hardship Withdrawals*

Under certain conditions, participants, while still employed by the Employer, are permitted to take a hardship withdrawal from the employee contribution portion of their account balance. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of postsecondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the IRC, or to prevent eviction or foreclosure from the participant's principal residence.

**NOTE 2    SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*New Auditing Standard for Employee Benefit Plans*

In July 2019, the American Institute of Certified Public Accountants (AICPA) Auditing Standards Board (ASB) issued the Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA (SAS 136). SAS 136 applies only to audits of employee benefit plans that are subject to ERISA. The new standard prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to ERISA and changes the form and content of the related auditors' report.

*ERISA Section 103(a)(3)(C) Audits*

ERISA Section 103(a)(3)(C) allows plan management to elect to exclude from the audit certain investment information held and certified by a qualified institution. This type of audit, previously known and referred to as a "limited-scope audit", is now referred to an "ERISA Section 103(a)(3)(C) audit" in the new standard. SAS 136 does not change anything in ERISA, and, therefore, plan management is able to continue electing such an audit.

SAS 136 clarifies what is expected of the auditor, including specific procedures when performing an ERISA Section 103(a)(3)(C) audit. It also establishes a new form of report that provides greater transparency about the scope and nature of the audit and describes the procedures performed on the certified investment information.

SAS 136 is effective for audits of financial statements for periods ending on or after December 15, 2021. Early implementation is permitted.

*Administrative Expenses*

Certain fees and service expenses associated with investments are netted against investment income on the statements of changes in net assets available for benefits. Expenses that are paid by the Employer are excluded from these financial statements.

*Estimates*

The preparation of financial statements in conformity with GAAP requires the Plan's management to use estimates and assumptions that affect the financial statements and disclosures. Actual results could differ from these estimates.

*Investment Valuation and Income Recognition*

The Plan's assets are stated at fair value. Fair value is defined as the exchange price that would be received for the asset or paid to transfer a liability in an orderly transaction between market participants. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold during the year as well as the change in the unrealized appreciation or depreciation on those investments. Investment income is recorded net of plan administrative expenses.

**NOTE 2    SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Risks and Uncertainties*

Plan assets are invested in a variety of investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

*Plan Termination*

Although it has not expressed any intent to do so, the Employer has the right under the Plan Document to terminate the Plan subject to the provisions of ERISA.

*Subsequent Events*

Subsequent events with respect to the Plan have been evaluated through November 28, 2022, the date the financial statements were available to be issued.

**NOTE 3    FAIR VALUE MEASUREMENTS**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

GAAP established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as follows:

*Level 1* - inputs used to measure fair value consist of prices quoted in active markets for identical assets or liabilities.

*Level 2* - inputs used to measure fair value consist of significant observable inputs other than the prices quoted in active markets for identical assets or liabilities, such as quoted prices in active markets for similar assets or liabilities.

*Level 3* - fair value measurements are based upon significant unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds*

The mutual fund accounts are recorded at the net asset value of shares held by the Plan at year end. The net asset value is a quoted price in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 4 INVESTMENT CONTRACT**

The Mutual of America Interest Accumulation Account (the Account) is an investment with a guaranteed rate of return and a guarantee of principal. The Account is provided through contracts issued by Mutual of America and is considered to be fully benefit responsive. Under the contract, a crediting rate is established for a one year period of time and all assets invested in the Account are credited with that rate. At the expiration of each rate period, a new crediting rate is declared. Mutual of America assumes market, credit, and interest rate risks for the assets supporting the Account. The guaranteed interest rate was 0.15% for 2021. The credited interest rate was 0.25% for 2021 and 2020.

All participant-initiated withdrawals from the Account, including benefit payments at termination or retirement, loans and transfers to other non-competing investment options, are paid at contract value. Transfers to competing fixed income investments are not allowed. Employer-initiated events such as layoffs, a sale of a business unit, a company merger, or a change in the stable value option offered under a plan are considered market value events and are subject to the plan sponsor liquidity provisions.

**NOTE 5 PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, employee organizations whose members are covered by the Plan, a person who owns 50% or more of such an employer or an employee association or relatives of such persons.

For the years ended December 31, 2021 and 2020, Plan investments include mutual funds managed by Empower and Mutual of America. Therefore, transactions pertaining to these investments qualify as party-in-interest transactions. Additionally, the Plan paid certain investment and recordkeeping fees and expenses to Empower and Mutual of America. These transactions also qualify as party-in-interest transactions.
