In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EDU Healthcare LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EDU Healthcare LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EDU Healthcare LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EDU Healthcare LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF THE PLAN

The following description of the EDU Healthcare LLC 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering substantially all employees of EDU Healthcare LLC (the "Company") who have completed 12 months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.
2. *Contributions.* The Plan includes an auto-enrollment feature. Eligible Participants who do not state otherwise in writing, automatically have 3% of eligible compensation deferred into the Plan each payroll period. Participants may contribute up to 90% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan also includes a Roth contribution feature.

The Company will make a safe harbor matching contribution equal to 100% of the Participant's elective deferral up to 3% of eligible compensation plus 50% of the Participant's elective deferral greater than 3% up to 5% of eligible compensation. The Company made matching contributions of \$191,621 to the Plan for the year ended December 31, 2023.

The Company may elect to make a discretionary profit-sharing contribution. To be eligible for profit-sharing contributions, an employee must complete at least 1,000 hours of service during the Plan year and be an active employee on the last day of the Plan year. The Company did not elect to make a profit-sharing contribution for the year ended December 31, 2023.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

3. *Participant Accounts.* Each Participant's account is credited with the Participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on Participant earnings, account balances, or specific Participant transactions, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

**EDU HEALTHCARE LLC 401(k)
PROFIT SHARING PLAN & TRUST**

Notes to the Financial Statements
December 31, 2023

4. *Vesting.* Participants are vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution and any actual earnings thereon is determined using a progressive schedule based on years of credited service. A Participant is 100% vested after six years of credited service.
5. *Notes Receivable from Participants.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the Participant's account. The loan interest rates, as determined by the Plan Administrator, range from 5.25% to 10.50%. Principal and interest are paid ratably through payroll deductions.
6. *Payment of Benefits.* On termination of service due to death, disability, or retirement, a Participant may elect to receive a lump-sum amount, or installment payments, equal to the value of the Participant's vested interest in his or her account. For termination of service for other reasons, a Participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

A Participant may request a withdrawal upon attainment of age 59½ or upon demonstration by the Participant to the Plan Administrator that the Participant is suffering from "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 401(k) of the Internal Revenue Code or standards established by the Secretary of the Treasury or his delegate.

7. *CARES Act.* On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan Participants under the CARES Act and has implemented the following provisions as a way of providing additional access to retirement funds should a financial need arise due to the current pandemic:
 - Special coronavirus withdrawals of up to \$100,000, without penalty, which must have been made before December 31, 2020.
 - Increase to the available loan amount to the lesser of \$100,000 or 100% of the Participant's vested account balance for loans issued between March 27, 2020, and September 22, 2020.
 - Extension of the period for loan repayments, if applicable, of up to one year.

Plan sponsors must formally amend their plans to retroactively include the above provisions no later than December 31, 2025. The Company intends to make this retroactive amendment before the stated deadline.

8. *Forfeited Accounts.* At December 31, 2023 and 2022, forfeited, non-vested accounts totaled \$0 and \$0, respectively. These accounts may be used to reduce future employer contributions and administrative expenses. During 2023, no forfeitures were used to reduce future employer contributions and administrative expenses.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent Participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Excess Contributions Payable

Amounts payable to Participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan had no excess contributions for the year ended December 31, 2023.

Payment of Benefits

Benefits are recorded when paid.

**EDU HEALTHCARE LLC 401(k)
PROFIT SHARING PLAN & TRUST**

Notes to the Financial Statements
December 31, 2023

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from Participants are charged directly to the applicable Participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of the fair value of investments.

Reclassifications

Certain amounts in the financial statements have been reclassified to conform to the 2023 presentation. These reclassifications had no effect on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

Subsequent Events

The Plan has evaluated subsequent events through June 24, 2024, the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**EDU HEALTHCARE LLC 401(k)
PROFIT SHARING PLAN & TRUST**

Notes to the Financial Statements
December 31, 2023

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust(s) - The common/collective trust(s) are valued at the net asset value of units of the common/collective trusts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common/collective trust, the issuer reserves the right to require advance notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,216,807	\$ -	\$ -	\$ 2,216,807
Investments measured at NAV *				117,616
				<u>\$ 2,334,423</u>
Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,472,478	\$ -	\$ -	\$ 1,472,478
Investments measured at NAV *				105,029
				<u>\$ 1,577,507</u>

* - In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended

**EDU HEALTHCARE LLC 401(k)
PROFIT SHARING PLAN & TRUST**

Notes to the Financial Statements
December 31, 2023

to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no Participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency	Notice Period
	2023	2022			
Common/Collective Trust(s)	\$ 117,616	\$ 105,029	\$ -	Daily	12 months

D. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are mutual funds and common/collective trust(s) managed by Reliance Trust Company. Reliance Trust Company was Trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in the net appreciation (depreciation) in the fair value of investments, as they are paid through revenue-sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

E. INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from Participants disclosed in the accompanying financial statements and supplemental schedule(s), including investments and notes receivable from Participants held at December 31, 2023 and 2022, and the net appreciation (depreciation) in fair value of investments, interest, and dividends for year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company (the Trustee of the Plan).

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants would become 100% vested in their employer contributions.

**EDU HEALTHCARE LLC 401(k)
PROFIT SHARING PLAN & TRUST**

Notes to the Financial Statements
December 31, 2023

G. TAX STATUS

The Plan was adopted based upon a prototype plan sponsored by ADP, LLC, the recordkeeper. The recordkeeper received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the recordkeeper received the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
