INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Retirement Savings Plan for Employees of Seacoast National Bank
Stuart, Florida

Opinion

We have audited the financial statements of the Retirement Savings Plan for Employees of Seacoast National Bank (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and

design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule G, Part III – Nonexempt Transactions for the year ended December 31, 2023, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Retirement Savings Plan for Employees of Seacoast National Bank (“the Plan”) provides only general information. Eligible employees who participate should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act (“ERISA”) of 1974, as amended and was formed effective January 1, 1983. The Plan, which has subsequently been amended and restated in order to continue the qualification of the Plan under Internal Revenue Service (“IRS”) regulations, permits employees to make salary deferrals, provide employer matching contributions and includes loan provisions. The Plan is made available to all eligible employees of Seacoast National Bank, its subsidiaries and affiliates (“the Bank” or “the Employer”) as of the first day of the first month following thirty days of employment.

The Plan contracted with Matrix Trust Company (“Matrix”) to act as trustee and custodian under the Plan. OneAmerica Retirement Services LLC (“OneAmerica”) acted as record keeper under the Plan. Matrix and OneAmerica are each a party-in-interest to the Plan. Under the contracts with Matrix and OneAmerica, Plan participants are offered a choice of various investment options and are allowed to change their investment options daily.

Participant Accounts: Each participant’s account is credited with participant salary deferrals and an allocation of matching contributions, profit-sharing contributions and retirement contributions, if any, by the Employer, and earnings, and is charged with his or her withdrawals and an allocation of administrative expenses and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of their account to any of the investment options available under the Plan, which includes mutual funds, a collective trust fund and common stock of Seacoast Banking Corporation of Florida (“the Company”), the parent company of the Bank.

Participant Contributions: Each participant may voluntarily contribute to the Plan up to a maximum of 75% of annual eligible compensation. Participants can also elect to make Roth 401(k) contributions to the Plan by means of payroll deductions. Participant contributions were subject to an overall annual limitation of \$22,500 for 2023. If a participant is eligible for the Plan and is age 50 or over, the participant is eligible to make an additional catch up contribution up to maximum IRS limits of \$7,500 for 2023. The Plan includes an automatic contribution arrangement that applies to new participants or rehired participants. Plan participant salary deferrals less than 6% are automatically increased 1% at the beginning of each plan year until the 6% threshold is met.

Employer Contributions: The Plan was amended effective January 1, 2014 to become a safe harbor plan and provide a safe harbor match contribution. The matching contribution is subject to certain eligibility requirements as defined by the Plan and is equal to 100% of the first 3% of base compensation and 50% of the next 2% of base compensation that a participant contributes to the Plan for the year ended December 31, 2023.

On October 21, 2016, the board of directors approved an amendment to redefine eligibility for the Bank's discretionary profit sharing contribution; effective January 1, 2017, the contribution will only be allocated to eligible participants with compensation of \$75,000 or less. For the year ended December 31, 2023, there was no non-elective profit sharing contribution paid by the Bank.

Vesting: Participants are immediately vested in their voluntary contributions and the Employer matching contribution. Discretionary retirement and non-elective profit sharing contributions vest at a rate of 25% per year of service. If a participant retires, dies or becomes disabled the participant’s account becomes 100% vested.

Payment of Benefits: Withdrawals from the Plan may be made when the participant reaches age 59½, terminates employment, dies, becomes disabled or experiences financial hardship, as defined. If a terminated participant’s benefits exceed \$1,000, the individual may elect to receive a rollover, lump sum payment or installments. However, if the participant does not make an election otherwise within 6 months of termination, balances between \$1,000 and \$5,000 are automatically distributed to a rollover account. Vested Plan benefits not exceeding \$1,000 are distributed to participants in a single lump-sum payment after

employment with the Bank is terminated. If the terminated participant maintained a portion of their funds in the Company common stock, a portion of the distribution may be made in shares of common stock.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate as determined quarterly by Matrix. Principal and interest are repaid through payroll deductions over a period not to exceed five years, unless the loan is for the purpose of purchasing a primary residence. For loans used to purchase a primary residence, the loan repayment period may not exceed ten years.

Forfeitures: Forfeitures occur when participants terminate participation in the Plan before becoming fully vested in the Employer's contributions under the Plan. Forfeited amounts are used to reduce future Employer contributions or administration expenses. Remaining forfeitures at December 31, 2023 and 2022 totaled approximately \$17,824 and \$1,397, respectively. For the year ended December 31, 2023, all forfeitures were utilized to offset expenses.

Administrative and Investment Management Fees: Loan origination fees associated with notes receivable from participants and the Plan's record keeping, audit fees associated with the annual audit of the Plan's financial statements and custodian fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. All other expenses of the Plan are paid by the Bank.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed by the Plan.

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), and reflect management's estimates and assumptions, such as those regarding fair value, that affect the recorded amounts.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits: Benefits are recorded when paid. At December 31, 2023, benefits totaling \$707,743 had been approved for payment but were not paid until January 2024.

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Significant estimates are the valuation of investments held by the Plan. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan invests in various investments including the Company's common stock. Investments are exposed to various risks such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 3 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions and earnings thereon.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan to sell an asset or paid by the Plan to transfer a liability in an orderly transaction between market participants on the measurement date. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 inputs) and gives the lowest priority to unobservable inputs (level 3 inputs). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of its investments.

Company common stock: Valued at the closing price reported on the active market on which the securities are traded (level 1 input).

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (level 1 inputs).

Stable value collective investment funds: The fair values of participation units in the OneAmerica Stable Value Fund are based upon the daily net asset values of such fund. The net asset value is used as a practical expedient to estimate fair value. The fund maintains cash, internal cash flow and a maturity ladder of investments to offset cash withdrawals. The fund provides for daily redemptions by the Plan at reported net asset value per share, with no notification requirements. The fund managers may limit withdrawals in order to maintain sufficient liquidity.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments are measured at fair value on a recurring basis, as summarized below:

	Fair Value Measurements at December 31, 2023			
	Level 1	Level 2	Level 3	Total Assets
Investments in the fair value hierarchy:				
Mutual funds	\$ 106,348,204	\$ —	\$ —	\$ 106,348,204
Seacoast Banking Corporation of Florida common stock	2,789,127	—	—	2,789,127
Investments measured at net asset value:				
OneAmerica Stable Value Fund ¹	—	—	—	7,739,173
Total investments	<u>\$ 109,137,331</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 116,876,504</u>

	Fair Value Measurements at December 31, 2022			
	Level 1	Level 2	Level 3	Total Assets
Investments in the fair value hierarchy:				
Mutual funds	\$ 76,868,833	\$ —	\$ —	\$ 76,868,833
Seacoast Banking Corporation of Florida common stock	2,879,898	—	—	2,879,898
Investments measured at net asset value:				
OneAmerica Stable Value Fund ¹	—	—	—	7,417,809
Total investments	<u>\$ 79,748,731</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 87,166,540</u>

¹ In accordance with ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There were no transfers between levels during 2023 or 2022.

NOTE 5 - INCOME TAX STATUS

The IRS informed the Bank concerning its prototype plan, by an opinion letter dated August 19, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC") and therefore is exempt from Federal income taxes. Although the Plan has been amended since receiving the letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. The Plan holds units of a collective investment fund advised by OneAmerica Asset Management, LLC, an entity related to OneAmerica. Transactions in this fund qualify as party-in-interest transactions. The Plan's payments of trustee fees to Matrix and audit fees to Crowe LLP, the Plan's auditor, qualify as party-in-interest transactions. The Plan also holds shares of Company common stock. At December 31, 2023 and 2022, the Plan held 98,002 and 92,040 shares, respectively, of the Company's common stock with a fair value of \$2,789,127 and \$2,879,898, respectively. During the twelve months ended December 31, 2023, purchases and sales of the Company's common stock totaled \$1,346,282 and \$1,051,887, respectively. Notes receivable from participants also reflect party-in-interest transactions. Certain

administrative functions are performed by officers or employees of the Bank. No such officer or employee receives compensation from the Plan. Certain administrative expenses of the Plan are paid directly by the Bank.

NOTE 7 - ACQUISITIONS

On January 31, 2023, the Company acquired Professional Holding Corp. ("Professional") which had sponsored a 401(k) plan. Participants ceased making contributions to the Professional 401(k) plan prior to the acquisition. Former associates of Professional who met the minimum age and service conditions were eligible to participate in the Retirement Savings Plan for Employees of Seacoast National Bank on January 31, 2023. Service credit was given to the associates for the time worked with Professional.

On October 7, 2022, the Company acquired Apollo Bancshares, Inc. ("Apollo") and Drummond Banking Company ("Drummond"), each of which had sponsored a 401(k) plan. Participants ceased making contributions to the Apollo and Drummond 401(k) plans prior to the acquisitions. Former associates of Apollo and Drummond who met the minimum age and service conditions were eligible to participate in the Retirement Savings Plan for Employees of Seacoast National Bank on October 7, 2022. Service credit was given to the associates for the time worked with Apollo and Drummond.

On January 3, 2022, the Company acquired Sabal Palm Bancorp, Inc. ("Sabal Palm") and Business Bank of Florida, Corp. ("BBFC"), each of which had sponsored a 401(k) plan. Participants ceased making contributions to the Sabal Palm and BBFC 401(k) plans prior to the acquisitions. Former associates of Sabal Palm and BBFC who met the minimum age and service conditions were eligible to participate in the Retirement Savings Plan for Employees of Seacoast National Bank on January 3, 2022. Service credit was given to the associates for the time worked with Sabal Palm and BBFC.

For the year ended December 31, 2023, rollover contributions from former associates of Professional, Apollo and Drummond were \$11.6 million.
