403(b) Thrift Plan of ENMRSH, Inc. Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of ENMRSH, Inc. Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of ENMRSH, Inc. Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of ENMRSH, Inc. Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of ENMRSH, Inc. Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements December 31, 2023 and 2022

1) Summary of Significant Plan Provisions

The following description of the 403(b) Thrift Plan of ENMRSH, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a 403(b) defined contribution plan covering all employees of ENMRSH, Inc. (the “Employer”), except for employees who are highly compensated as defined in the Internal Revenue Code (the “Code”). There is no minimum age or service requirement to participate in the Plan. Employees are eligible to begin deferring on the 1st of the month following the date of hire. Employees who have completed a year of service and are twenty-one or older are eligible to receive Employer contributions.

The Plan is designed to comply with Section 403(b) and the regulations thereunder of the Internal Revenue Code (the “Code”) as amended. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Employer serves as the Plan administrator.

Contributions

Upon enrollment in the Plan, participants direct the investment of all contributions in a variety of investment options offered by the Plan. The Plan provides for employee contributions pursuant to a tax-deferred savings agreement. Each year, participants may contribute annual pretax compensation, as defined by the Plan, limited to the annual statutory maximum as determined by the Internal Revenue Service. Additional catch-up contributions may be made by participants who have attained age 50 before the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Employer matches 100% of the participants’ elective contributions, up to 5% of the participant’s eligible compensation.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, Employer’s contribution, and allocations of Plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes Receivable from Participants

The Plan does not permit notes receivable from participants.

403(b) Thrift Plan of ENMRSH, Inc.

Notes to Financial Statements December 31, 2023 and 2022

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Employer's matching contribution, plus earnings thereon, is based on years of service as defined by the Plan. A participant is 100% vested after three years of credited service, with no partial vesting prior to full vesting.

Payments of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. A participant may take in-service distributions of Employer funds if they have at least five years of service. If the participant received Employer contributions prior to January 1, 2009, the funds may be withdrawn after completion of three years of service. Employee funds contributed prior to 1989 are allowed to be withdrawn at any time.

Forfeitures

Forfeitures of terminated participants' nonvested account balances may be used to pay Plan administrative expenses or reduce future Employer contributions. There were no unallocated and nonvested accounts at December 31, 2023 and 2022. Employer contributions were reduced from forfeited nonvested accounts in 2023 and 2022 by \$0 and \$1,536, respectively.

2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

403(b) Thrift Plan of ENMRSH, Inc.

Notes to Financial Statements

December 31, 2023 and 2022

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near-term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits, but does not require, the Employer to pay significant costs of Plan administration. At any time, the Employer may elect for the Plan to pay administration costs. The Employer paid a majority of the Plan's expenses for the years ended December 31, 2023 and 2022, which are excluded from these financial statements. Fees paid by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

Subsequent events were evaluated for recognition or disclosure in these financial statements through June 21, 2024, the date which the financial statements were available to be issued.

3) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

403(b) Thrift Plan of ENMRSH, Inc.

Notes to Financial Statements December 31, 2023 and 2022

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Separate Accounts: The net asset value (NAV) of the separate accounts (SA) is based on unit values reported by the Plan trustee, which is principally the market value of the underlying investments; however, management has determined that the SA net asset value per unit is not a publicly quoted price. Assets measured using net asset value as a practical expedient are not assigned a level in the fair value hierarchy.

General Account: The Interest Accumulation Account is part of the general assets of Mutual of America Life Insurance Company and, as such, does not have a publicly quoted price. The investments underlying the interest accumulation account are valued by the Mutual of America Pricing Group on a daily basis. A unit value is calculated daily, based on a daily credited interest rate which is based on unit value tables entered into a database each time a rate change is announced. The account rate is guaranteed never to go lower than one percent. The value of a participant's fund balance is equal to the daily value multiplied by the number of units accumulated.

The following table presents investments measured at fair value by classification within the fair value hierarchy as of December 31:

2023	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total

4) Information Prepared and Certified by the Trustee (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investments reflected on the supplemental schedule of assets (held at end of year).

403(b) Thrift Plan of ENMRSH, Inc.

Notes to Financial Statements December 31, 2023 and 2022

5) Interest Accumulation Account

Mutual of America Life Insurance Company offers several investment alternatives within the Plan that are held with the insurance company, including the Interest Accumulation Account. None of these investment alternatives are considered to be fully benefit-responsive investment contracts, stable value funds, or guaranteed investment contracts.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their balances to other investment options offered by the Plan or from the Plan in accordance with permitted rollovers, benefit payouts, or hardship withdrawals. The crediting interest rate was approximately 1.5% and .2% as of December 31, 2023 and 2022, respectively.

Certain events limit the Plan's ability to transact at current fair value with Mutual of America Life Insurance Company. Such events could include: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (c) the failure of the Plan to qualify for exemption from federal income taxes or any required or prohibited transaction exemption under the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator does not believe that any events that would limit the Plan's ability to transact at fair value with Plan participants have occurred or are probable of occurring.

6) Plan Termination

Although it has not expressed intent to do so, the Employer, as the Plan's sponsor, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

7) Income Tax Status

The Plan is operating under a prototype document with a nonstandardized 403(b) adoption agreement. The Internal Revenue Service (IRS) has determined and informed the prototype plan sponsor by letter dated March 31, 2017, that the prototype plan, as then designed, is in compliance with applicable sections of the Internal Revenue Code. The Plan is relying on the opinion letter of the prototype sponsor. The Plan was amended after the IRS issued the opinion letter to the prototype sponsor. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

Notes to Financial Statements December 31, 2023 and 2022

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan is no longer subject to income tax examinations for years prior to 2020.

8) Related-Party and Party-In-Interest Transactions

The Plan investments are managed by Mutual of America Life Insurance Company, the trustee. These transactions qualify as exempt party-in-interest transactions. In addition, the Employer provides certain accounting, administrative, and management services to the Plan for which no fees are charged.
