INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of **AM Pierce & Associates 401(k) Plan**:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of AM Pierce & Associates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of AM Pierce & Associates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AM Pierce & Associates 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AM Pierce & Associates 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AM Pierce & Associates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AM Pierce & Associates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Compiled 2022 Statement

Plan management is responsible for the accompanying financial statement of AM Pierce & Associates 401(k) **Plan**, which comprises the statement of net assets available for benefits as of December 31, 2022 and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States

of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. We do not express an opinion, a conclusion, or provide any form of assurance on the financial statement.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of or for the period January 1, 2023 through December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023 and 2022

A. Description of Plan

The following description of AM Pierce & Associates 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

General

AM Pierce & Associates, Inc. (the "Company") is the Plan sponsor and serves as the Plan administrator. The Plan is a defined contribution, tax-deferred retirement savings plan covering employees of the Company who are at least 21 years of age. Eligible employees may begin participation in the Plan immediately upon employment with the Company. Part-time employees whose regularly scheduled hours are less than 1,000 hours in a year are exempt from participation in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of compensation, not to exceed the maximum salary deferral limit and other limitations established by law. Compensation includes wages, tips and other compensation as reported on Form W-2 plus pre-tax deferrals and pre-tax contributions made to a qualified cafeteria plan, minus taxable fringe benefits and certain other items as defined in the Plan documents.

Participants may elect deferral contributions as either pre-tax or Roth elective deferrals, or both. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the Internal Revenue Code (IRC). Participants also may make rollover contributions of distributions from other retirement plans and certain individual retirement accounts, subject to Plan provisions. Participant contributions are invested according to direction of the participants.

The Company makes discretionary matching contributions to the Plan equal to 100% of deferrals up to the first 3% of pay and 50% of deferrals on the next 2% of pay. The matching contributions are calculated each pay period. Company matching contributions are invested according to direction of the participants.

Participant Accounts

Each participant's account is credited with the participant's contributions and any Company matching contributions. Investment earnings, losses, and changes in market value are allocated based upon the investment experience of each holding in a participant account. Certain transactional costs and service charges, if any, are allocated to the specific accounts involved in the transaction or receiving the service. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their own deferral and rollover contributions and earnings thereon. Participants vest in Company matching contributions and earnings under a four-year vesting schedule, as follows: 33% vesting after completion of two years of service, 66% vesting after completion of three years of service, and 100% vesting after completion of four years of service. Participants become 100% vested under certain other circumstances, including attainment of age 65, the Plan's normal retirement age. Non-vested balances are subject to forfeiture upon termination of employment.

**AM Pierce & Associates 401(k) Plan

December 31, 2023 and 2022**

Participant Loans

Participants who are active employees may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their nonforfeitable account balance, subject to certain other Plan provisions. Loans are secured by the balance in the participant's account and bear interest at a commercially reasonable rate as determined by the Plan trustee. Principal and interest are paid ratably through payroll deduction from each regular paycheck or by direct payment from a participant.

Payment of Benefits

Plan participants are eligible to receive benefit payments from the Plan at retirement, prior to retirement under certain circumstances, upon termination of employment with the Company, upon disability and at death. Hardship distributions are allowed under certain conditions. In-service distributions are allowed for participants beginning at age 59 ½. Benefit payments may be elected as a lump-sum payment or as a partial withdrawal for the purpose of meeting minimum distribution requirements. Terminated or deceased participants whose account balances do not exceed \$5,000 may be automatically distributed in the form of a lump sum payment or rollover.

Forfeitures

At December 31, 2023 and 2022, unallocated forfeitures totaled \$21,497 and \$35,311, respectively, held in the John Hancock Stable Value Fund. Forfeitures may be used to reduce employer contributions or pay Plan expenses. During 2023, \$35,863 of forfeitures were used to reduce employer contributions or to pay Plan expenses.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustee of the Plan certifies the fair market value of the Plan investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**AM Pierce & Associates 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022**

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Notes receivable from participants are secured by vested participant account balances. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits payments are recorded when paid.

Expenses

Certain administrative expenses of the Plan are paid by the Company and are excluded from these financial statements. Per-use transaction fees are charged directly to specific participant accounts for certain services, such as processing loans, in-service withdrawals, distributions, and other transactions. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events for disclosure in these financial statements through May 20, 2024, the date the financial statements were available to be issued.

C. Information Prepared and Certified by the Trustee of the Plan

The Company is the Plan administrator. John Hancock Trust Company LLC is the Plan trustee and held the Plan's investment assets and executed the investment transactions as December 31, 2023 and 2022. John Hancock Trust Company LLC has provided a certification that the investment balances, related investment activity, notes receivable from participants and related interest income in these financial statements and supplemental schedule, are complete and accurate, as shown below.

	12/31/2023	(Compiled) 12/31/2022
Investments, at fair value	\$ 11,157,504	\$ 9,491,360
Investments, at contract value	\$ 98,689	\$ 97,240
Notes receivable from participants	\$ 66,119	\$ 31,074
Net appreciation in fair value of investments	\$ 1,363,960	
Dividends and interest	\$ 176,925	
Interest on notes receivable from participants	\$ 3,293	

D. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3

**AM Pierce & Associates 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022**

measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds, common collective trusts are valued at the NAV of units of the trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions may occur daily. If the Plan initiates a full redemption, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

E. Guaranteed Interest Contract

The Principal Guaranteed Three Year contract is a traditional guaranteed investment contract with Principal Life Insurance Company ("Principal") for which the contract value was \$98,689 and \$97,240 at December 31, 2023 and 2022, respectively. The Plan holds no synthetic investment contracts. Principal maintains the contributions in a general company account and is contractually obligated to repay principal and a specified interest rate to the Plan. The crediting interest rate at December 31, 2023 and 2022, was 1.49% and 1.49%, respectively. The guaranteed investment contract does not permit Principal to terminate the agreement prior to the scheduled maturity date.

The guaranteed investment contract meets the fully benefit responsive investment criteria and therefore is presented at contract value on the statements of net assets available for benefits. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus interest credited, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its financial obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events, such as Plan termination or merger, bankruptcy of the Plan sponsor, or premature cancellation of the contract may limit the ability of the Plan to transact at contract value with the issuer of the guaranteed interest contract.

F. Related Party and Party-In-Interest Transactions

John Hancock Trust Company LLC is the trustee of the Plan and receives fees for services. John Hancock Retirement Plan Services, LLC is the Plan recordkeeper and receives fees for services and per-use transactions. A third party administrator provides services and receives fees that are paid by the company and not charged to the Plan. The company provides the Plan with accounting and administrative services, for which no fees are charged to the Plan. The Plan allows loans to participants. These transactions qualify as party-in-interest transactions.

**AM Pierce & Associates 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022**

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in their accounts and the Company will arrange for distributions as soon as administratively feasible.

H. Tax Status

The Internal Revenue Service has determined and reported in its opinion letter dated May 27, 2021, that the form of the adopted pre-approved plan was then designed in accordance with applicable sections of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan administrator believes the Plan is currently being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management believes that no uncertain tax positions have been taken or are expected to be taken that would require recognition or disclosure in the financial statements.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for benefits.
