## **INDEPENDENT AUDITOR'S REPORT**

**To the Plan Administrator of  
Puttshack USA Inc. 401(k) Plan**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements***

We have performed an audit of the accompanying financial statements of Puttshack USA Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2022 audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

### ***Emphasis of Matter – Operational Error***

As discussed in Note 8 to the financial statements, during 2022, Plan management discovered an operational error related to the implementation of its automatic enrollment provision where eligible participants were not automatically enrolled in the Plan. Plan management is planning to correct this error through the Internal Revenue Service's Voluntary Correction Program and the Department of Labor's Voluntary Fiduciary Correction Program. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2022 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2021 Financial Statements***

We have audited the 2021 financial statements of the Plan, and in our report dated April 21, 2023, we expressed an unmodified opinion on those 2021 financial statements.

# PUTTSHACK USA INC. 401(K) PLAN

## ***NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021***

---

### **1. DESCRIPTION OF PLAN**

The following description of the Puttshack USA Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

#### **General**

The Plan was established effective March 1, 2021, and most recently restated on December 1, 2022 (the “Restatement Date”). The Plan is a defined contribution plan covering substantially all employees of Puttshack USA Inc. and Puttshack Payroll Services Inc. (collectively, the “Company”), excluding nonresident aliens with no U.S. income. All employees who have attained 21 years of age and 60 days of service are eligible to make elective deferrals into the Plan and receive safe harbor matching contributions. To be eligible to receive employer discretionary contributions, employees must be employed on the last day of the Plan year and complete at least 1,000 hours of service. Employees can enter the Plan on the first day of each month of the Plan year coincident with or subsequent to satisfying the eligibility requirements. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (“ERISA”).

#### **Contributions**

The Plan allows for both pre-tax and Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are subject to the terms of the Plan and are fully vested and non-forfeitable. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless the employee affirmatively elects not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, as defined, and their contributions are invested in the Plan’s Qualified Default Investment Alternative (“QDIA”), unless the employee elects otherwise. The Plan has elected the Principal LifeTime Hybrid CIT series funds as its QDIA. Additionally, the Plan has implemented an automatic increase program under which each participant’s automatic deferral percentage will increase by 1% per year up to a maximum of 6% of compensation, unless a participant affirmatively elects otherwise.

## PUTTSHACK USA INC. 401(K) PLAN

### ***NOTES TO FINANCIAL STATEMENTS*** ***DECEMBER 31, 2022 AND 2021***

---

The Company makes safe harbor matching contributions to the Plan equal to 100% of elective deferral contributions that are not over 1% of compensation plus 50% of elective deferral contributions which are over 1% but are not over 6% of compensation. During the year ended December 31, 2022, the company made \$247,215 of safe harbor matching contributions to the Plan.

Effective December 1, 2022, the Company may make discretionary contributions to the Plan. During the year ended December 31, 2022, the Company did not make any discretionary contributions to the Plan. Contributions are subject to certain statutory limitations.

See Note 8 for further discussion on corrective contributions made with respect to the operational error.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's discretionary contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's safe harbor matching contributions and discretionary contribution portions of their accounts is based on years of continuous service as follows:

| <u>Years of Service</u> | <u>Percent Vested</u> |
|-------------------------|-----------------------|
| Less than 2             | 0%                    |
| 2 or more               | 100%                  |

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions. There were no loans outstanding for the year ended December 31, 2022 or 2021.

## ***NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021***

---

### **Payment of Benefits**

As of the Restatement Date, on termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive partial payments or a lump sum equal to the value of the participant's vested interest in his or her account. Prior to the Restatement Date, a participant could elect to receive a lump sum or life annuity over a period not to exceed the joint life expectancy of the participant. Participants are entitled to receive an in-service withdrawal upon attainment of age 59½ or as a hardship distribution, as defined in the Plan document.

### **Forfeited Accounts**

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$15,874 and \$0, respectively. The Company may use forfeitures to reduce employer contributions or pay Plan expenses. For the year ended December 31, 2022, the Plan did not use any forfeited nonvested accounts to reduce employer contributions or pay Plan expenses.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value, except for the fully benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the plan's gains and losses on investments

---

bought and sold as well as held during the year.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

### **3. CERTIFIED INFORMATION**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at fair value and investments at contract value held at December 31, 2022, and net change in fair value of investments for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company ("Principal Life", certifying on behalf of itself and Principal Global Investors Trust Company), the insurance company of the Plan.

### **4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                      |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability |

to access.

- Level 2      Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022. There were no investments as of December 31, 2021.

#### ***Collective Investment Trusts***

Collective Investment Trusts ("CITs") are not publicly quoted and are priced at net asset value ("NAV"). ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

#### ***Pooled Separate Accounts***

Pooled Separate Accounts ("PSAs") are not publicly quoted and are priced at NAV. ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2022, are reported in net change in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2022, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

#### Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2022.

#### 5. GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

The Plan entered into a fully benefit-responsive guaranteed investment contract with Principal Life. Principal Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

## **PUTTSHACK USA INC. 401(K) PLAN**

### ***NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021***

---

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, was \$206 and \$0, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1% or greater than 3%. Such interest rates are reviewed on a semi-annual basis for resetting.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with Principal Life. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (e) premature termination of the contract. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. In connection with the subsequent transfer of assets from Principal Life to ADP, LLC discussed in Note 10, plan participants transacted at contract value as the surrender charge was paid by the Company.

#### **6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

#### **7. TAX STATUS**

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA and is relying on an opinion letter received from Principal Life Insurance Company dated June 30, 2020 stating that the Internal Revenue Service (“IRS”) has determined that the pre-approved plan adopted by the Plan is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the letter, the Plan administrator believes, except as disclosed in Note 8, that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **8. OPERATIONAL ERROR**

During 2022, Plan management discovered an operational error related to the implementation of its automatic enrollment provision where eligible participants were not automatically enrolled in the Plan since the Plan's inception. In June 2022, the Company began enrolling participants and remitting contributions to the Plan. Plan management is correcting this error by depositing in participant accounts a QNEC for the missed deferrals plus the related safe harbor matching contributions for each period and related lost earnings, which totaled \$215,364 and \$155,555 for the years ended December 31, 2022 and 2021, respectively and classified as employer corrective contributions on the statement of changes in net assets available for benefits. The employer corrective contributions and related lost earnings for the year ended December 31, 2022 have been deposited into the Plan by April 2024. Plan management is planning to correct this error through the Internal Revenue Service’s (IRS) Voluntary Correction Program and the Department of Labor’s (DOL) Voluntary Fiduciary Correction Program. In the opinion of Plan management and the Plan’s legal counsel, these corrections would be accepted by the IRS and DOL upon examination. If the correction method taken by management is not accepted by the IRS and/or DOL upon examination, there could be a material impact to the Plan’s qualified tax status and/or monetary penalties assessed to the company.

### ***NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021***

---

#### **9. RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS**

Principal Life is the insurance company and recordkeeper of the Plan and therefore certain transactions qualify as party-in-interest transactions. For the year ended December 31, 2022, administrative fees of approximately \$3,800 were paid to Principal Life from the Plan.

Participant contributions not transmitted by the Company within the time period set forth in the Department of Labor's regulation CFR 2510.3-102 are considered nonexempt prohibited transactions under ERISA. Participant contributions remitted during the year that constitute nonexempt prohibited transactions are reported by the Plan in the accompanying supplemental schedule as required.

#### **10. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **11. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through June 28, 2024, the date the financial statements were available to be issued.

Effective November 1, 2023, the Company entered into a recordkeeping agreement with ADP, LLC ("ADP") and trust agreement with Reliance Trust Company ("RTC"). Beginning in November 2023, participant contributions were received by RTC and reflected in participant accounts at ADP. In November 2023, all plan assets and participant accounts held by Principal Life were transferred to RTC and ADP, respectively.
